3 BY MR. LYNCH:

4 Q And can you tell us what you see on page 5 of
5 Grand Jury Exhibit 1A?

6 A This is kind of a breakdown. Like I mentioned
7 earlier with members of DAMN being associated with
8 other organizations through the course of the
9 investigation this is just a snapshot of some of the
10 other organizations that members are affiliated with
11 that kind of comprise and make up DAMN.

12 Q All right. We're on page 6. Can you tell me
13 what you see there?

14 A This is kind of a storyboard breakdown of one of
15 the overt criminal acts, a blockade that was executed
16 on January 23rd at the Federal Whipple Building.

17 Q And in the middle you have an aerial map of the
18 Whipple Building, is that correct?

19 A That is correct.

20 Q And we'll talk about this more when we get into
21 the January 23rd incident.

22 Page 7, can you tell me what you see?

23 A This is again another storyboard breakdown of
24 another overt act that they executed, another blockade
25 on March 1st.

1 A I have, yes.

2 Q These individuals often use their Signal handle
3 at those meetings and identify themselves by that
4 signal handle, is that correct?

5 A That's how they will refer to themselves in these
6 meetings. Very rarely will they ever use their real
7 names. So for Brian Aplan, as an example in these
8 meetings they go a round robin in these meetings, say,
9 "I'm, I'm [REDACTED], I'm [REDACTED]," I am -- they go
10 through, they took -- they refer to themselves as
11 those handles. And then from the UCs and the
12 recordings is how we match them up.

13 MR. LYNCH: Ma'am?

14 A JUROR: What percentage of the people
15 that showed up at the Whipple Building for these group
16 things are actually Antifa or how many are just people
17 from Minnesota thinking they're doing a great thing?

18 BY MR. LYNCH:

19 Q I'll follow up on that. So there were, you know,
20 at some of these direct action groups were several, I
21 mean probably hundreds of people who were just
22 peaceful protesters, is that correct?

23 A Yes, yeah. And mult -- there have been multiple
24 protests at the Whipple Building. One of the things
25 that is abundantly clear not only in guidance but is

1 just principles as far as this investigation is, no
2 one is ever investigated or looked at or even
3 researched on for First Amendment protected
4 activities. Every single individual that we have
5 investigated there is a criminal predicate to why
6 we're investigating them, either statements that they
7 have made that are criminal to their actual
8 participation in overt criminal acts.

9 A JUROR: Does that include both
10 happening in Minneapolis then as well?

11 THE WITNESS: Yes.

12 MR. LYNCH: Any other questions? All
13 right. We're getting approval of the Foreperson?

14 A JUROR: I just have sort of for
15 clarity sake. In the absence of some of the audio
16 difficulties with, you know, some of the evidence is
17 it --

18 THE REPORTER: What?

19 A JUROR: -- is it --

20 THE REPORTER: I can't hear you.

21 MR. LYNCH: Sorry, [REDACTED]

22 A JUROR: In the absence of the audio
23 not working is it accurate to say that it's enough to
24 know that the evidence is there, even though you
25 intended to show it, it doesn't matter necessarily,

1 right?

2 MR. LYNCH: Yeah, in general. I mean
3 you guys have probably seen in Grand Jury we don't
4 usually show all the videos or body cam but, yeah, all
5 the overt acts that we went, that we didn't play a
6 corresponding video, those are all true and accurate
7 depictions of the videos, is that correct?

8 THE WITNESS: Yes. I just didn't want
9 people getting stuck thinking --

10 MR. LYNCH: Oh, yeah.

11 THE WITNESS: -- it didn't work, so...

12 MR. LYNCH: And if we had to play
13 everything I mean we'd be here --

14 A JUROR: Oh, no.

15 MR. LYNCH: Thank you.

16 A JUROR: Thank you.

17 MR. LYNCH: All right. Well, with your
18 permission you're excused.

19 THE WITNESS: All right.

20 A JUROR: Thank you very much.

21 THE WITNESS: Thank you.
