on February 10, 2026.**SYNOPSIS**

Since November 2025, ongoing incidents of demonstrations and civil unrest have occurred in the Minneapolis, MN area. Some individuals have exploited these incidents to engage in criminal activity, including impeding law enforcement, assaults against law enforcement officers, and damage to property. In accordance with National Security Presidential Memorandum-7 (NSPM-7), Homeland Security Investigations (HSI) St. Paul has opened an investigation into instances where individuals and organized networks have exploited events to engage in acts of violence, destruction of property, intimidation of federal officers and employees, and attempts to impede federal operations. This investigation is focused on identifying and disrupting sophisticated, organized campaigns supporting and engaging in this behavior and to prevent such unlawful activities, while continuing to safeguard the rights of peaceful demonstrators and the public. This investigation will prioritize the identification of funding sources, organizational structures, and predicate actions behind these campaigns.
