Assistant Ramsey County Attorneys Makenzie Lee and Nelson Rhodus appeared on behalf of the State. Attorneys Earl Gray and Amanda Montgomery appeared for and with Defendant Brian Kjellberg.

Based on all the files, pleadings, records, and proceedings herein, **IT IS HEREBY ORDERED THAT:**

1. Defendant waives his right to a speedy trial as of May 4, 2022.
2. This matter is set for **date-certain** Jury Trial beginning on **March 27, 2023, at 8:30 a.m.** in person at the Ramsey County Courthouse. The trial is estimated to last eight (8) days.
3. No further amendments of the Complaint herein shall be permitted without leave of the Court.
4. All motions to suppress evidence, *Spreigl* notices (Minn. R. Evid. 404(b)), constitutional and procedural issues, motions for aggravated sentence, and any other evidentiary issues requiring testimony, shall be e-served and e-filed by no later than **September 14, 2022**; responses, if any, shall be e-served and e-filed by **September 30, 2022**. (Failure to file a response will not prevent a party from opposing any motion at the hearing.) A motion hearing will be held **October 14, 2022 at 9 a.m.** in person at the Ramsey County Courthouse.

5. On or before **November 18, 2022**, the parties must e-file and e-serve **witness and exhibit lists**. Unlisted witnesses, including rebuttal witnesses, will not be permitted to testify unless the court finds that good cause exists for failing to timely disclose the witness. Exhibits must be premarked by counsel in a single series of Arabic numbers, without designation of the party offering the exhibit. The State's exhibits shall be marked beginning with number 1. The Defense's exhibits shall be marked beginning with the number 500.

When submitting audio or video evidence, the audio or video shall be marked with a number and include the corresponding transcript marked with the same number and the letter "A". All audio recordings must be accompanied by a transcript.

Any party introducing audio or videotaped evidence must provide a verbatim transcript of the recording. If the proponent intends to use only a portion of the recording, the proponent must provide a verbatim transcript of that portion used, and all other portions must be deleted from the recording. The Court will not exclude recordings submitted without a transcript pursuant to Minn. Stat. § 634.36, but may require the proponent to submit a post-trial verbatim transcript of the recording. The court reporter will not be responsible for transcribing audio or videotaped evidence introduced at a trial.

Any party intending to have a weapon in the courtroom to be used as an exhibit must provide proper notice to the Court on or before **November 18, 2022**. The proponent of any weapons to be offered as evidence at trial must comply with the requirements of the Second Judicial District Courtroom Weapons Protocol. A copy of these procedures will be emailed to the parties after the Court receives notice.

6. Counsel for the parties shall meet and confer and submit (in **Microsoft Word format**) to the Court **one joint jury questionnaire** by end of business on **February 17, 2023**.
7. Motions in limine and motions to admit any impeachment evidence of prior convictions (Minn. R. Evid. 609), opinion and reputation (Minn. R. Evid. 608(a)), and specific instances of conduct (Minn.
