

SUPPLEMENT OF SGT MATTSON

CCN 04-117071 ON 6-2-04

On 6-2-04, I spoke with Max Bolden DOB [REDACTED]-83 of [REDACTED] Plymouth, phone number [REDACTED]. I inquired as to his whereabouts on the weekend of 5-15/16-2004. He informed me he was visiting a relative in Sioux Falls SD and came back on Saturday 5-29-2004. He then asked what this was about.

I then phoned Boldens mother Towanda Logan at work at [REDACTED] and inquired as to his sons whereabouts on the weekend of 5-16-2004. She also gave me the same information that Bolden was her stepson and out of town visiting in South Dakota on the date in question. She provided me the name whom he was visiting as Loutasha Mix. I phoned Loutasha Mix who stated her address is [REDACTED] Sioux Falls South Dakota. She confirmed that Max Bolden was visiting her and James Mix? in Sioux Falls until Sat 5-29-04.

Max Bolden was a filler photo #4 in a lineup shown to witness McDermid by Sgt. Folkens (see supplement 18) where McDermid had identified Boldens photo as looking like the suspect but she was not sure.
