These recordings were taken by an anonymous source inside of Patriot Front during August to December 2021. Unicorn Riot has produced transcript PDFs, MP3s and videos from this set of recordings. The transcripts and the Mp3s use the same set of timecodes. The main report on our website uses separate timecodes that match our videos, which are lightly edited to remove silence, with an additional introduction and credits.

The .mp3 files (as opposed to slightly shortened videos) represent the uncut documentation of these Patriot Front voice meetings. These uncut audio files have been altered as little as possible in the interests of source protection.

## **Accuracy of transcripts and speaker identities**

Unicorn Riot has done our best to compile transcripts with the most accurate time stamps and speaker identifications possible. Due to the combination of machine transcription and extensive human labor, there may be occasional errors in speaker IDs indicated in transcripts. but we are confident that the vast majority of the speaker IDs and content are correct. Some transcript timestamps are incorrect due to unavoidable issues with using machine transcription at scale, however, the majority are accurate.

Please note that these recordings may include Patriot Front members whose voices were not identified by us. When we were unsure about a speaker's identity we have left that line in the transcript without an assigned name, which machine transcription services usually tag as 'Unknown'. Many Patriot Front members have been identified by researchers, activists and journalists by linking multiple pieces of evidence to online personas.

Hey Vincent how are you?

00:23

Hey Alexander, how are you? I'm good.

**Alexander OR (Richard Flannery) 00:25**

Doing good.

**ND - John WA (Colton Brown)** 00:49

Alright guys let's take this party to meeting room two. Shalom.

01:55

Hello.

**ND - John WA (Colton Brown)** 02:22

Looks like there's a spray paint shortage going around so we might want to go stock [inaudible].

**Alexander OR (Richard Flannery)** 02:35

Yeah I have a hard time finding the uh, like, blue Montana.

**ND - John WA (Colton Brown)** 02:38

Uh, duh duh duh. Everyone else at...alright spam the chats fellas...

03:02

I can't spam the chat.

**Ethan WA (Justin O'Leary)** 03:47

You guys hear me?

03:48

Yeah I can hear you.

**ND - John WA (Colton Brown)** 03:51

Alllllrighty.

**Ethan WA (Justin O'Leary)** 03:51

For some reason my computer wasn't working it was just muted unless you guys weren't talking.

**ND - John WA (Colton Brown)** 03:58

Who are we missing?

**Alexander OR (Richard Flannery)** 04:02

We're missing all of Oregon.

**Ethan WA (Justin O'Leary)** 04:15

Somebody talk to me.

04:17

Hello.

**ND - John WA (Colton Brown)** 04:18

Hello?

**Ethan WA (Justin O'Leary) 04:19**

Yeah I can only hear it on the phone for some reason that's weird.

04:25

Strange.

**ND - John WA (Colton Brown) 04:31**

Um, Clarke. What was the status on the drilling location that you said you found?

**Clarke WA (Jacob Sundt) 04:43**

It looks pretty clear. I mean, it's nice and pretty level. There's a lot of brush cover obscuring the view from uh, any neighboring parking lots or streets.

**ND - John WA (Colton Brown) 04:56**

Okay, is this a, is this a park? Or is this like a patch of random grass somewhere?

**Clarke WA (Jacob Sundt) 05:01**

It's a, it's an empty field just off of uh, the exit 111.

**ND - John WA (Colton Brown) 05:09**

Hmm, it would probably be more normal to do this in a park.

**Clarke WA (Jacob Sundt) 05:15**

Okay, there's also, the other area I was thinking about, Priest Point Park, it's in, shit what is that, like, northern Olympia, just outside northern Olympia. It's a pretty big park. I've been through there tons of times there's a ton of little areas that you can just kind of peel off and do your own thing at.

**ND - John WA (Colton Brown) 05:47**

All right, I'm going to give Tyler a call, hang on.

**Ethan WA (Justin O'Leary) 05:50**

A little Nirvana at work, huh?

**Clarke WA (Jacob Sundt) 06:00**

Yeah, you know it.

**ND - John WA (Colton Brown) 06:05**

Actually, you know what, he's just gonna miss out on important details, it's his fault for planning something the same time we have our meeting. Okay, we have a lot to go over. Alexander, where's Frederick?

**Alexander OR (Richard Flannery) 06:22**

I can call him on Telegram.

**ND - John WA (Colton Brown)** 06:24

You should do that, or Signal, or whatever the hell you talk to him on. Leo hasn't read my messages all day, so I don't know what's up with him. Okay, so Jack, would you be willing to have some guys stay the night at your house Friday night and maybe even potentially Saturday night?

**Jack WA (Matthew Clement)** 07:37

Yeah, I posted that in the, in RocketChat was, well, that's fine with me. I just need to know how many people are coming and what day and for how long.

**ND - John WA (Colton Brown)** 07:47

Just to sleep, after, you know, a meet up we all go home. So they're going to drive up Friday and then spend the night and then Saturday we got the drilling and stuff. Um, however I have an action that we will all be needed for. And I was wondering if we should do it on Friday night or late Saturday night. If we do it Saturday night instead we'll have more sleep, but guys that are having to drive home will spend their Sunday, part of their Sunday driving home. So I'm going to give a few minutes and wait for Frederick to pop in here and, you know, because he's driving quite a ways too and I want to hear from him his take, but you'll have Johnny Idaho, Frederick Oregon, Leo Oregon and Alexander Oregon. So that's four guys. I'm sure they can all lay down on sleeping roll or some foam or something and crash like in your living room or something. If this is okay with you.

**Jack WA (Matthew Clement)** 09:00

Yeah, it works for me. They are welcome to join me. Sounds good. I would also vote for, if we're going to do an action, I would like to do it Friday night instead of Saturday night because Friday night I will be available after 5 p.m. So that'd be great.

**ND - John WA (Colton Brown)** 09:16

It's going to be extremely late.

**Jack WA (Matthew Clement)** 09:18

Saturday night I won't get home til...

**ND - John WA (Colton Brown)** 09:20

It'll be, okay, well it's going to be at 2 to 3 a.m. It'll be very, very late, which will help [inaudible] the success to pull off. I don't know why I'm cutting out, do I sound okay now? Was I just talking quietly?

**Jack WA (Matthew Clement)** 09:40

Try, try one more time man.

**ND - John WA (Colton Brown)** 09:51

Alright, um, I know, can you guys hear me?

10:00

I can hear you.

10:00

Yes, I can hear you.

**ND - John WA (Colton Brown) 10:03**

Okay, so, I have an action planned. I want to do it like...

**Alexander OR (Richard Flannery) 10:17**

Well, Frederick didn't answer a call on either Signal or Telegram, but I'm pretty sure I know his answer would be Friday. Just cause I know he'd want to, he'd want that Sunday.

**ND - John WA (Colton Brown) 10:31**

That would mean that we would stay up late and then we would do the drilling a little later, which is fine. It's whatever. You know, I planned this as, you know, everyone drive... How did I, how did I plan, I said, what did we agree on? I'm trying to remember. I think everyone just drive up Friday, was that the plan? After work? Or drive out Saturday, spend the night, drive home Sunday after drilling? Because if y'all drove him over Friday, that'd be really convenient. But if there's Frederick, Frederick, Frederick, I'm trying to remember what we agreed on with having everyone drive? Everyone was driving up Friday night after work? Or was it drive up Saturday morning?

**Frederick OR (Lawrence Norman) 11:25**

It was Friday night after work.

**ND - John WA (Colton Brown) 11:27**

Okay, I'm planning a really big action for us. And we're gonna want to do it like at 2 a.m. on either Friday night or Saturday night, um, what would you prefer?

**Frederick OR (Lawrence Norman) 11:39**

Uh, doesn't matter to me.

**ND - John WA (Colton Brown) 11:45**

Okay. If it's Friday night, I mean, I'm gonna be, you know, getting off work, I'm gonna be tired, we're gonna have to stay up and pull an action. I'll start drinking Bang a little later in the day.

**Ethan WA (Justin O'Leary) 12:04**

Yeah, I think Friday is better.

**ND - John WA (Colton Brown) 12:07**

Alright. And then so we spend the night at a, you know, our houses and you guys could spend the night at Jack's. And then we're going to wake up. And then we're going to get the meetup location, I'd say, sometime around noon. So if we do the action 2-ish a.m., let's say guys are getting home around almost 4 a.m., that gives them about six hours of sleep, an hour to get ready and about an hour to drive to the location for the meetup around noonish, 1 p.m. I think that'd be a decent timeframe to use. What do you guys think?

**Alexander OR (Richard Flannery) 12:54**

That sounds like a good idea to me

12:56

Sounds like a plan.

12:57

Sounds good.

**ND - John WA (Colton Brown) 12:58**

Okay, okay, so Friday night, we're gonna do this after, Friday night's gonna be a little bit less busier than Saturday night anyways, there'll be less people out, which, which will be good. I spent about two hours with Clarke scouting this location. And we are definitely going to need all hands on deck and I'll brief you guys all before the action and tell you what I need you to do. I'm going to assign roles to everyone for this action to ensure the safety and completion of said action, there is a small chance that you know, all of us could end up going to jail. But I want to say about a two percent chance. So a lot lower, a lot lower than the mural that we did in Portland, you know, with more guys means there's more lookout and we'll be able to be a lot safer. The environment, there is little to no vehicles that will be passing by, my only, my only issue is like maybe a pedestrian sees us doing it, calls the cops and the cops get the description of my vehicle and we get stopped. But I find that to be extremely low, especially considering our opposition does not believe in calling the police. But that doesn't mean that they haven't done that in the past before, right? So as long as we're speedy in and out, I think we can complete it in less than five minutes. And police's response time is usually longer than that. You know.

**Johnny ID 14:40**

I'd like to say this one thing, while it is true that they do not have a fond [inaudible] of the police, they are hypocrites and they do call it when convenient for them.

**ND - John WA (Colton Brown) 14:49**

Right.

**Jack WA (Matthew Clement) 14:50**

Why do we have to do it so late, at like 2 a.m?

**ND - John WA (Colton Brown) 14:53**

Because that's when no one's out.

**Alexander OR (Richard Flannery) 14:55**

It's the safest for us.

**ND - John WA (Colton Brown) 15:15**

Yeah, it's it's gonna be, it's gonna be great we're gonna have a blast that's going to be a great weekend of activism and drinking Bang and drilling and getting together and finally going to meet Johnny Idaho

and it's gonna be cool. So after drilling, because we're gonna have to, well if we get it Saturday night, then we'd have to hang out together all day Saturday and that could mean that we could get a whole bunch of shit done. So I was thinking after drilling, maybe we could all do something like carve some pumpkins and make some banners, do some arts and crafts.

**Johnny ID** 16:01

I wouldn't mind making some banners that we could [inaudible].

**Alexander OR (Richard Flannery)** 16:03

Yeah, I would love to make banners.

**ND - John WA (Colton Brown)** 16:09

So if y'all wanna make banners, go get some supplies and bring them.

**Johnny ID** 16:13

Oh, that would be a really good idea, what we could do is when we all come there and we make banners what we could do is we could make some of those banners and then distribute them to other networks as kind of like a community action.

16:24

[Inaudible]

**ND - John WA (Colton Brown)** 16:24

That's like, what we do, pretty much.

**Alexander OR (Richard Flannery)** 16:27

Yeah, I need to get some down to, uh, Network 14 and, uh, some of the California guys.

**Ethan WA (Justin O'Leary)** 16:35

Hey, what percent chance did you say we're going to jail?

**ND - John WA (Colton Brown)** 16:39

Like two percent or less.

16:45

It's really low.

**Ethan WA (Justin O'Leary)** 16:46

Yeah that's the problem with having the wife over here, shit, she thought she heard 30 percent, I'm like, I'm not doing it at 30 percent, so don't even worry.

**ND - John WA (Colton Brown)** 16:54

No, no, it's an extremely low chance but I think, really, the, my plan is to use my truck and have y'all ride in the bed like Mexicans, so if we get pulled over, just run away.

17:15

[Laughter]

**Clarke WA (Jacob Sundt) 17:15**

Hey Ethan, all those years of Spanish are finally gonna pay off.

**Ethan WA (Justin O'Leary) 17:20**

What'd he say?

17:22

He said all those years of Spanish are finally going to pay off.

**Ethan WA (Justin O'Leary) 17:25**

Uh, yeah.

17:27

What are you part Hispanic or something?

**Ethan WA (Justin O'Leary) 17:30**

No, dude, I'm just a good student.

**ND - John WA (Colton Brown) 17:38**

Alright, so, also, does everyone have an outfit that they can wear where they can look like a total shitlib or like a, like an anarchist?

**Alexander OR (Richard Flannery) 17:46**

Yes. Yes, I do. You're gonna love it!

**ND - John WA (Colton Brown) 17:49**

Alright, so this, action, for this action, we're doing black bloc. So I want you guys to have your most Antifa looking uniform that you can muster.

**Alexander OR (Richard Flannery) 17:57**

That's already what I wear when I do activism. Yay!

**ND - John WA (Colton Brown) 18:02**

Okay, uh, but just don't wear anything like, like, literally an antifa logo or like a gay pride pin or a BLM pin or anything like that. Just, just, just straight all black. Nothing identifiable. Definitely wear a mask. I don't give a shit if you wear a balaclava or a COVID mask or whatever. No, definitely not the white PF mask, wear, just wear all black, um... That's kind of, that's, people walk around in this place like that anyways, because there's a lot of opposition there. So there is a slight chance that there might be opposition. And if that is the case, I want our biggest guys, Frederick and Tyler, to be posted on the street, um, to deter anyone who might try anything, um. The chance of violence is extremely low. But,

uh, you know, the higher chance is someone pulling out a phone and trying to get pictures, trying to get video, um. If some, for some reason that, uh, one of the, one of the guys makes that phone of theirs disappear, you know, I didn't see it happen, so. I'm just gonna tell you that right now, so, if you got to do what you gotta do, you gotta do what you got to do, just, you know, don't resort to any violence. But if there's a cell phone filming us and that cell phone somehow goes fucking flying and blows up in a million pieces, I'm not gonna cry. Understood?

19:29

Aye aye.

**ND - John WA (Colton Brown) 19:30**

Alright, um, I think if simply, just a big guy like you walking up to someone like "hey, what's the problem? You know, you know, go away," they'll just go fuck right off. But all the other details and stuff. I'm trying to go over it. There's all sorts of ways I planned it. I got about three different ways where we pull up with a vehicle, do it and go, or we come in on foot, both work. I think having everyone load up in the truck, in the bed, would be great, put duct tape on the bed, I mean on the plate, and then just, you know, drive off going the speed limit. And then we get everyone back to the vehicles and then we'll meet up in like a town a half hour away or something, or just, we could just go straight home. So, what do you guys think, after that action, you just want to drive straight home? do you want to go to a rendezvous, we should probably do a rendezvous spot and get a headcount and all that jazz?

20:42

Yeah.

**Alexander OR (Richard Flannery) 20:44**

Yeah, that's the smartest option. Do a headcount.

**Clarke WA (Jacob Sundt) 20:51**

So that Priest Point Park I told you about that we might want to do drilling at is pretty close to the location we're thinking of going, so that could be a good rendezvous point.

**ND - John WA (Colton Brown) 21:04**

Maybe. So, well, what if we're going there the next day, and people are like, "that's the same vehicles I saw." But I don't think it'll be an issue. So, I want to send lookouts first. So I'm going to have lookouts be sitting in the bed of my truck, and you guys are going to lay down on the bed, you're not going to sit upright. I don't want you visible on the street at all. You're going to lay down until I get out of the truck and I tell you to get out of the truck. Understood?

21:41

Good.

**Clarke WA (Jacob Sundt) 21:41**

Got it.

**ND - John WA (Colton Brown)** 21:42

Okay, so that means I'm gonna want, Vincent, since you're filming, I'm going to want you in position like, first. Or I don't know. Maybe you could come with us and film us as we, yeah, I don't know. What do you think Clarke? You helped me scout it. Do you think we should, we should have him just out in the street waiting? Or do you think it'd be cool to get him filming us going in and exiting?

**Clarke WA (Jacob Sundt)** 22:09

I think honestly, if he filmed us all hopping out a truck in like, the black bloc outfits, I think that'd be sick.

**ND - John WA (Colton Brown)** 22:18

Yeah, but we don't want my vehicle in the video. [Inaudible]

**Clarke WA (Jacob Sundt)** 22:23

Blur that shit out.

22:24

Yeah.

**Clarke WA (Jacob Sundt)** 22:27

You could just crop it so that way you can just barely see the top of the truck. Just maybe us hopping out of a truck bed.

22:35

Um.

**ND - John WA (Colton Brown)** 22:37

So that being said, I want to assign some roles, um, and I want a forward scout with radio, um. Who wants to do that?

22:54

I already have a role, right?

**ND - John WA (Colton Brown)** 22:56

Yeah, your role is to be big and scary. You know, you could be a forward scout.

23:01

Okay.

**Clarke WA (Jacob Sundt)** 23:02

I mean, I know the area really well. I'm down there a couple times a week.

**ND - John WA (Colton Brown)** 23:09

Yeah, you could also, um, be a scout, I'm going to have you show up like an hour earlier and just prep the spot for us.

**Clarke WA (Jacob Sundt) 23:20**

Absolutely.

**ND - John WA (Colton Brown) 23:21**

Like we discussed. Um, so I think I'm gonna send out Frederick and Tyler, to go and scout around the area, maybe you too Clarke. And then when they get, when I get radioed that we're good to go, all of me and the other guys, um, and the necessary activism materials that they'll have on them, will, um, enter and then do the action and exit. And I think, I think it'll be rather quick. It'll be rather smooth. Um. And I was debating how comfortable, you guys with the big banner stencils, do you think with all of us and the help of Oregon, we could pull those off, putting those on a wall, um, in under five minutes? Or do you think we should play it safe and we should like, use the 'United We Stand', uh, mini-banner stencil?

**Alexander OR (Richard Flannery) 24:15**

I think we got to go big or go home, man. That's where I stand on this.

24:19

Yeah.

**Clarke WA (Jacob Sundt) 24:20**

I think with the Oregon guys, I mean, I think five minutes is well, I think we could do it in less than that.

**ND - John WA (Colton Brown) 24:26**

Because I was, I was thinking with the banner size stencils and the URL we could, um, and this is really flat. It's not, there's not a bunch of rocks, like it's not going to be super dark, it's gonna be lit up. So you know, we'd be able to be pretty organized about workspace. We'll have two guys that fold the stencils up and then three guys fill in with a can of Montana paint and then, um, drop the stencil, fold it up, set it down nicely, pick up the next one and do it again. So, um, everyone's gonna have a 4X turbo can, white out the whole motherfucker, and then, um, just wait a couple seconds to let it dry and then slap our stencils up. It is important that we do let it dry, um. So you're gonna want to not do too heavy of a coat. Um. The one we did in Portland, we whited it out, then we took off and then we came back and then we stenciled it some more. So we let it dry for a minute. I think at 2 a.m. it's going to be super dead. There's going to be no one around. And I think our lookouts, they scare people off from even like, bothering us. There's an idea. So what if someone's approaching, you know, they're kind of interested. And then, you know, Frederick or Tyler literally like, runs them off. But that poses, you know what if they try to fight you or something.

**Frederick OR (Lawrence Norman) 25:53**

I can just look like a straight up hood.

**Alexander OR (Richard Flannery) 25:55**

[Laughs]

**ND - John WA (Colton Brown) 25:58**

Yeah.

**Frederick OR (Lawrence Norman) 25:59**

People will cross the road to avoid me.

**ND - John WA (Colton Brown) 26:02**

Yeah, I think you just simply like, be guarding any onlooker that comes up, you know, and just being really close to them. They're going to be really uneasy and they're going to, like not want to, not want to fuck with us. I mean, there's gonna be like ten of us total, so no one's gonna want to really try anything. My concern is them filming me getting into the truck. Um, Clarke, I want you to double check the area and where I said that I wanted to park the vehicle. Um. Make sure that there's absolutely no cameras, we're gonna tape the [inaudible] but you know, if my vehicle go on the news. Let's say my parents see it. They're like, hey, isn't that your truck. I'll be like, uh, I dunno, I plead the fifth.

**Clarke WA (Jacob Sundt) 26:46**

I'll go, I'll go out there like during daylight hours so we can see better and just double check that, I'm pretty confident that there isn't anything aside from [inaudible].

**ND - John WA (Colton Brown) 26:57**

Yeah, which we'll avoid completely on our, um, exit.

**Alexander OR (Richard Flannery) 27:04**

Also, I have some nitrile gloves that I can supply guys with. They are, uh, extra large, so I hope they, uh, they fit your hands.

**ND - John WA (Colton Brown) 27:14**

Yeah you can bring those, I mean, I have, I have stuff too. So, um, I think I'm the guy with all the Montana paint. So I'm gonna have to share all that. Um. As for the banner stencils, who has, who has all the stencils right now? Is that Ethan or Vincent?

**Ethan WA (Justin O'Leary) 27:32**

Yeah, I got them.

**ND - John WA (Colton Brown) 27:34**

Okay, um, I need you to prepare those to say 'Reclaim America'. Do them with the duct tape so they fold accordion style, they're nice easy and portable, okay?

**Ethan WA (Justin O'Leary) 27:46**

[Inaudible]

**ND - John WA (Colton Brown) 27:51**

So definitely do that. Hang on a second, my AirPods are going.

**Ethan WA (Justin O'Leary) 27:58**

And that's 'Reclaim America' right?

**ND - John WA (Colton Brown) 28:08**

Alright I'm back, yes Reclaim America.

**Ethan WA (Justin O'Leary) 28:11**

Alright, I got you. Um.

**ND - John WA (Colton Brown) 28:24**

[Inaudible] want a different slogan. However that big, the 'United We Stand' stencil is pretty big. It's like, three by five feet.

**Ethan WA (Justin O'Leary) 28:39**

If we're doing like Floyd though, it kind of seems like "United We Stand" with blacks.

**Alexander OR (Richard Flannery) 28:46**

Yeah, the messaging can get, get a little bit confused as most people don't know the, a lot of [inaudible].

**ND - John WA (Colton Brown) 28:55**

[Inaudible] guys you know, you know, the URL size stencil. I was thinking, what if we did individual letters of that, cut the Coroplast, and then we did the, uh, accordion style fold with those, that way you don't have a blundering gigantic stencil but it's portable enough to like, put in your coat or your backpack and it's still big. We got the letters, they're in, they're in the roll of stencils we need to cut out. I either have those or those are at Tyler's house and I know Tyler won't get them done so someone's gonna have to retrieve them from him and cut them on some Coroplast. But that's an option too. And I was thinking like a "Not Stolen, Conquered" [inaudible]. "One Nation Against Invasion", we need anti...oh, "Strong Family Strong Nations". I think that's a good rebuttal to any homosexual propaganda, what do you think?

29:50

Absolutely, I like that one.

**Clarke WA (Jacob Sundt) 29:51**

Yes it is.

**ND - John WA (Colton Brown) 29:54**

Okay, so we could do that and get that done by, by the end of the week. Um. I'm gonna leave that up to either Ethan or Vincent. Do you think one of you guys could get that done?

**Jack WA (Matthew Clement) 30:06**

That would be a hard one to stencil in five minutes.

**ND - John WA (Colton Brown) 30:09**

Oh no no no no we're going to do the...not if it's the smaller stencils. Like the, the URL size but it would actually be easier than using Reclaim America banner size stencils. So, um, Vincent, would you want to do that by cutting out stuff on Coroplast with like, some foam puzzle pieces, you know, like we did in Tyler's house? It's criminally fast and easy. I believe he has the letters but let me check my closet real quick.

**Jack WA (Matthew Clement) 31:28**

The last meeting I had with Tyler he said that you have them, or he said he thought you did. Maybe you guys have exchanged them since then though.

**ND - John WA (Colton Brown) 31:39**

Okay, yeah, I don't have the, uh, paper stencils, so I need to get those from Tyler.

**Clarke WA (Jacob Sundt) 31:47**

Hey boss, uh, two things, one, it might be advisable that we get a tarp for the back of your truck in case, one...

**ND - John WA (Colton Brown) 31:56**

I already have one.

**Clarke WA (Jacob Sundt) 31:56**

... you guys have to sit back there for a minute...

**ND - John WA (Colton Brown) 31:59**

...that way we don't roll around in, uh, paint.

**Clarke WA (Jacob Sundt) 32:03**

Yeah that too...

**ND - John WA (Colton Brown) 32:05**

[Inaudible] my method of stencils is that I have, um, all those stencils folded up nicely and then I put a tarp over them to hide them.

**Clarke WA (Jacob Sundt) 32:14**

There you go.

**ND - John WA (Colton Brown) 32:15**

Yeah.

**Clarke WA (Jacob Sundt) 32:16**

And, uh, my 30 minute break is over now so I have to head back into work, uh, hang around people. So I won't be able to talk or at least any sort of frequency so if you need anything from me just message me on RocketChat and I'll get back to you whenever I can.

**ND - John WA (Colton Brown)** 32:30

Okay that's fine. Alright, so I think for the most part this is going to be really easy, really quick. Um. Regardless, if, even if we like, have the, the big banner stencils, yeah, it will take a while, Jack, but with five guys painting those in all at once it's not gonna take very long. Two guys holding it, five guys painting it, a couple lookouts, a guy filming, you know? It, it's gonna be criminally easy. Criminally quick. Alright, so you guys have any questions, comments or concerns about that?

**Jack WA (Matthew Clement)** 33:16

I, I am on board. I'm sorry for the delay. I'm on board. Yeah. Sounds great.

**Clarke WA (Jacob Sundt)** 33:22

My, my one comment was to reiterate what Alexander said, is "go big or go home."

**ND - John WA (Colton Brown)** 33:29

Yeah. Um. It'll be the biggest we've done, probably the biggest org wide. Um. Washington always spearheading the org with, uh, ramping up the ante. Well, we haven't done a billboard cover up yet. So I gotta give that one to the PA and Texas guys. But as for stencil work, I think I think we're the stencil, we're the stencil Chads. But...

**Alexander OR (Richard Flannery)** 33:58

We can easily be the billboard Chads too if you know, that thing we talked about...

**ND - John WA (Colton Brown)** 34:04

Yeah but that's so fucking far away. There's gotta be something nearby.

**David WA (Spencer Simpson)** 34:08

You guys did do a billboard once in Tacoma.

**ND - John WA (Colton Brown)** 34:13

I'm not going to count that, wasn't a like a banner over the whole billboard. It was like painting, I don't know. I haven't even looked at that. That was before I was even a member. So, any, questions, comments, concerns about that?

34:36

No.

34:37

Nope.

**ND - John WA (Colton Brown)** 34:39

Kay. So, drilling time and meet up. I think that would be at noon. Still gives us a little bit of time to sleep. Noon to 1 p.m., we'll drill for four hours. And then when we're done drilling guys can choose what they want to do, whether they want to drive home or whether they want to stick around, make

some banners, do some sparring or whatever. I mean that would, that would give us all of Saturday and Sunday to still do stuff so we could just make some banners and then we can also go do a bunch of banner drops too. But what do you guys want to do? I don't want to plan anything. I want to be lazy, do as little amount of work as possible.

**Johnny ID** 35:30

I think, i think it's going to be a kind of a thing for me, it's going to be a thing where we get there and then we just kind of judge based on the kind of, I guess, the consensus, like what we all want to do.

**Alexander OR (Richard Flannery)** 35:41

Yeah, that's more a question for when we're there.

**Johnny ID** 35:44

Yeah, cause it's like, "oh we could do this do that do that" and then we could be drilling and then we could just all be like we really don't want to do anything.

**Alexander OR (Richard Flannery)** 35:50

Yeah.

**David WA (Spencer Simpson)** 35:53

As far as, uh, banner drops go there was that one little cage pedestrian bridge over I-5 near Exit 103.

**ND - John WA (Colton Brown)** 36:06

Good, good to know, it's close by.

**David WA (Spencer Simpson)** 36:18

And there also was that one train bridge that I told you about next to Exit 114.

**ND - John WA (Colton Brown)** 36:27

Yeah.

36:27

[Silence]

**ND - John WA (Colton Brown)** 36:51

Okay. So, um, I still gotta plan everything and kind of hash it out. Um, I got most of the planning and work done, um, so I'll send out a, uh, action plan with all the details and supplies and stuff that you guys need to know, um, and so forth. I was also thinking of phone confiscations, um, because, you're probably going to say I'm going a little over top with the OPSEC. But, um, it wouldn't be the first time that the FBI has used towers' information to track, like, the location of someone's phone and seeing all the other phones in proximity. So, maybe leaving the, the phones with everyone in their cars and stuff might be smart.

37:45

Sounds good.

**Ethan WA (Justin O'Leary) 37:46**

Yeah it's not a bad idea, if it's gonna be high profile.

37:49

Yup.

**ND - John WA (Colton Brown) 37:51**

Up to you guys though. I would highly advise not getting slowed up and staying with the vehicle. Um. My first original plan was that we use multiple cars and parked, had the scouts park close, close by, um, and then have the painting team in my truck, um, pull up from behind the location, [sniffs] but I think, I think it's better if we all stick together. I think it gets a little hairy when we start splitting things up and going off into different teams and stuff. We're not a, not a large scale army yet, we don't need to like, split up.

38:33

[Inaudible]

**ND - John WA (Colton Brown) 38:38**

Yeah, I can fit five inside the cab and then the rest can literally lay down in the bed on top of the stencils. So I would recommend getting a black bloc outfit you don't mind getting a little bit of paint on, but we're going to put a tarp over the stencils so I wouldn't think it's a big deal.

**Ethan WA (Justin O'Leary) 39:03**

Some of those As are getting a little fragile cuz we're talking, we're gonna use the full size still right? So...

**ND - John WA (Colton Brown) 39:09**

Yeah, I was thinking of that too. Try to repair those and reinforce them with duct tape or something.

**Ethan WA (Justin O'Leary) 39:18**

Ah.

**ND - John WA (Colton Brown) 39:18**

I don't care if it's like a little crooked, the fuck, or whatever. But as long as it's reinforced and doesn't break on us. Okay, so as for the meetup spot Friday night, um, I need to do that, [inaudible] meetup spot. Clarke, what do you think? Meetup spot for everyone's vehicles.

**Johnny ID 39:47**

Also just for clarification, we're not camping, are we?

**ND - John WA (Colton Brown) 39:51**

No, you're going to be sleeping on the floor of Jack's living room.

**Johnny ID** 39:54

That's great.

**ND - John WA (Colton Brown)** 39:56

So bring a, bring a bed roll and like, a foam roll and stuff. Yeah, pillow. He has a hardwood floor. So I would recommend bringing something cushy, a cot, or fucking, something. So technically you are camping. But inside a house. Alright, yeah, I'll have a meetup location, um, that you guys can all drive to, um. Realistically, what time do you think, you guys?

**Clarke WA (Jacob Sundt)** 40:28

[Inaudible]

**ND - John WA (Colton Brown)** 40:29

Yeah, I was gonna ask you where we should have everyone meet up, um. I think I'm gonna have everyone meet somewhere. And then once everyone's there, we're gonna go drive to where we'll, we'll go to the vehicle exchange. So, um, what time, Johnny Idaho and Frederick Oregon and Alexander Oregon, do you guys think, realistically, that you'll be in, that's close to the drilling, let's say Olympia. What time realistically do you think you can be in Olympia, Washington?

**Johnny ID** 41:09

Uh, after work on Thursday, which, I will get off at around 1 a.m. I'll probably...

**ND - John WA (Colton Brown)** 41:17

[inaudible] You're gonna drive out on Thursday night?

**Johnny ID** 41:23

Uh, no, you weren't listening. So after...

**ND - John WA (Colton Brown)** 41:26

Okay, so you're driving Friday early a.m..

**Johnny ID** 41:29

Something, okay, after I get off at one, I'll probably go home and go to sleep. And then I'll probably start driving. Is there a time that you would prefer that I get there?

**ND - John WA (Colton Brown)** 41:44

Um.

**Johnny ID** 41:46

So that I'm not just sitting in my car for five hours waiting for somebody to meet up with me.

**ND - John WA (Colton Brown)** 41:50

Right. I mean, I'm probably going to be working unless I can somehow like, ask my boss nicely, like, can I take Friday off. Um. Tell him its like like my birthday or something. Uh, pffffff, I'd say for now it's, I'll project to be there, at, you know, in the afternoon or evening. What about you, Alexander and Frederick, what time do you think, what's the earliest you guys think you could get up to Washington?

**Alexander OR (Richard Flannery) 42:22**

I don't work on Fridays, so whenever Frederick is available.

**ND - John WA (Colton Brown) 42:26**

[Yawning] Okay. Frederick?

**Frederick OR (Lawrence Norman) 42:28**

I'll take off early so we can be there well in advance of 2 a.m.

**Alexander OR (Richard Flannery) 42:32**

2 a.m., okay.

**ND - John WA (Colton Brown) 42:33**

Yeah, just don't...

**Jack WA (Matthew Clement) 42:34**

The earliest I can be home on Friday is 5 p.m. So, anytime, you guys are welcome there if you don't, you're worried about sitting in the car or whatever, I'm off work at five, I'll be home at like 5:30 pm.

**ND - John WA (Colton Brown) 42:45**

So, maybe Frederick, and, maybe the Oregon guys should just meet up with you at your house then, Jack, huh? Then leave their cars there and their camping stuff and whatnot and then carpool with you up to where we're doing the action.

**Jack WA (Matthew Clement) 43:04**

Sure, you guys can park at the park and ride and then I'll meet you at the park and ride, load into my car and then we'll go from there, sound good?

43:12

Yeah, we'll talk about it.

**Jack WA (Matthew Clement) 43:15**

Yeah, we'll talk about it. I mean, that's one option.

**ND - John WA (Colton Brown) 43:16**

Jack give, who's gonna be the driver, Frederick or Alex?

**Alexander OR (Richard Flannery) 43:22**

I'm driving.

**ND - John WA (Colton Brown) 43:24**

Yeah, get Frederick the details on that, Jack. Park and Ride location and stuff.

**Jack WA (Matthew Clement) 43:30**

Okay.

**ND - John WA (Colton Brown) 43:30**

Then y'all can hang out, bullshit. Have some dinner or something before we start the action.

**Jack WA (Matthew Clement) 43:36**

You want to drop down to meeting room three, I'll give you the address.

**ND - John WA (Colton Brown) 43:41**

Send it to them on RocketChat. Or not, whatever. Alright, what about, about David? [inaudible] David. How do you want to do this, David, do you want to crash at my house? How's that sound?

**David WA (Spencer Simpson) 44:04**

If that's what you would want me to do, sure.

**ND - John WA (Colton Brown) 44:11**

Yeah you can carpool with me for this this whole shabam. You can crash on my couch. I'll let my dad know ahead of time, like "hey I got a friend coming over. Kinda late." You can either leave your truck parked in the usual spot or at my house. I'll ask my dad if I can leave it at your house. It's fine. If we parked it on the side of the garage. It's kind of out of the way. Yeah, I think that'd be, that'd be fine. Ok, uh, yeah your clothes are going to get super painted and gross potentially. So I would recommend you guys, like, maybe in your car having like, a trash bag you can toss them in or something or just, just deal with it. I mean, I'm going to have that tarp so you guys don't have to roll around with the stencils and like, get covered in paint. But I think everyone could fit in the bed of my truck just fine. Sitting down, laying down, no sitting upright. We're not driving, we're not riding around like Mexicans, like, we want to be stealthy. It's a stealth mission. Stealth is not optional for this mission. We can't go in guns blazing.

**Ethan WA (Justin O'Leary) 45:42**

High Speed Low Drag.

**ND - John WA (Colton Brown) 45:54**

Who did not do activism last week? Come on, fess up, who didn't do any activism?

**Ethan WA (Justin O'Leary) 46:03**

I didn't do anything solo. I guess I made banners by myself and then we dropped them. But I didn't do stickers.

**ND - John WA (Colton Brown) 46:18**

Jack? What did you do, Jack?

**Jack WA (Matthew Clement) 46:27**

I stickered up Evergreen College with Clarke.

**ND - John WA (Colton Brown) 46:29**

Was that during the week? Or was that last weekend? Okay, so that leaves out the one guy who didn't do any activism.

**Jack WA (Matthew Clement) 46:49**

Oh, also I am 100 percent out of promat now. 100 percent out.

**ND - John WA (Colton Brown) 46:54**

Ok, it's okay. I got some. And I believe Johnny Idaho also got a whole order.

**Johnny ID 47:03**

Whole order of what?

**ND - John WA (Colton Brown) 47:04**

Yeah, you got a whole order of stickers, correct?

**Johnny ID 47:07**

Yes, but I've split but they weren't like big ones. And I split half of it with Marcus because he didn't have anything.

**ND - John WA (Colton Brown) 47:14**

I would use those sparingly. Honestly. So what about Thanksgiving dinner plans? How about we all get together sometime in November and we have a Thanksgiving dinner together? Bring your best plate of food or dessert, whatever have you. Maybe we can crack open a bottle of wine. Have ourselves a nice Thanksgiving dinner. How's that sound?

**Johnny ID 47:47**

I like the sound of it. I'll bring my soup or make it at least there.

**Clarke WA (Jacob Sundt) 47:52**

I'd be able to do that on the weekend before Thanksgiving, the weekend, uh, after Thanksgiving I'm going to [inaudible].

**ND - John WA (Colton Brown) 48:01**

So what's, which weekend does that work for you?

**Clarke WA (Jacob Sundt) 48:05**

I think it's the 20th.

**ND - John WA (Colton Brown)** 48:08

20th. Okay, where's my planner? Gonna get my planner, my planner. Oh. Alright, November. So when's Thanksgiving? The 25th? You guys want to have a Thanksgiving dinner on the 20th or the 27th?

**Johnny ID** 48:52

20th.

**ND - John WA (Colton Brown)** 48:57

That okay with everyone?

48:59

I gotta...

**Ethan WA (Justin O'Leary)** 49:02

I gotta see what's going on with my little boys birthday and all that...

**Johnny ID** 49:12

Because if it's on the 20th then we'll be able to go to our own Thanksgiving stuff. And we're probably gonna be expected to go be back to back at work after Thanksgiving.

**ND - John WA (Colton Brown)** 49:24

All right, Thanksgiving's on the 25th. So I'd think I would assume most families and stuff we're going to do Thanksgiving on the 27th or just on the 25th? I mean, [inaudible] of that day off work.

**Alexander OR (Richard Flannery)** 49:40

And you know, you know, I'm not available basically the whole month of November.

**ND - John WA (Colton Brown)** 49:45

So you won't be available on the 20th?

**Alexander OR (Richard Flannery)** 49:47

Oh, god, no.

**ND - John WA (Colton Brown)** 49:50

Well that sucks.

**Ethan WA (Justin O'Leary)** 49:51

We're drilling on the 6th right?

**ND - John WA (Colton Brown)** 49:55

Yes, 6th of November we're doing drilling.

50:01

When's our third, when's our third drilling session? And also I'll be in California on the 20th.

**ND - John WA (Colton Brown)** 50:10

I don't think we managed to get enough guys for a third drilling session. Oh Vincent, you said that you weren't going to be available on 20th, you're going to be out of town?

50:22

Yeah, I'll be out of town.

**ND - John WA (Colton Brown)** 50:24

Fuck! Okay what about the 13th? Alex and Vincent, 13th?

**Alexander OR (Richard Flannery)** 50:33

I'm not available any of the weekends of the entire month of November.

**ND - John WA (Colton Brown)** 50:41

Cringe dude.

**Alexander OR (Richard Flannery)** 50:42

Yeah, I know.

**Ethan WA (Justin O'Leary)** 50:45

What if we did like Thanksgiving Friday or something?

**ND - John WA (Colton Brown)** 50:52

I don't know, I'll be at work and shit.

**Ethan WA (Justin O'Leary)** 50:54

I meant in the evening.

**ND - John WA (Colton Brown)** 50:59

After work? Yeah. Well, I mean guys feel like they want to cook and bring stuff and all that so I think, I think doing it on the weekend would be really nice. I think maybe Saturday the 27th. I have tally marks on the 27th for six people who said that they were available for drilling on that day. We're not doing drilling that day. But would you guys want to do Thanksgiving dinner on the 27th?

**Johnny ID** 51:28

Yeah, that sounds good.

**ND - John WA (Colton Brown)** 51:32

I got one yes.

**Alexander OR (Richard Flannery)** 51:34

I'm down.

**ND - John WA (Colton Brown)** 51:34

Yes from John. Yes from Alexander. Yes from...

**Johnny ID** 51:37

If four people can come on the 27th...

**Alexander OR (Richard Flannery)** 51:38

You mean Frederick, not Alexander.

**ND - John WA (Colton Brown)** 51:42

Yeah, go, got one for Johnny Idaho, alright, who else?

51:46

Yes from me.

**ND - John WA (Colton Brown)** 51:49

What about David?

**David WA (Spencer Simpson)** 51:52

What? You want me to what?

**ND - John WA (Colton Brown)** 51:54

We're having Thanksgiving dinner on the 27th of November, will you be there?

**David WA (Spencer Simpson)** 51:59

I suppose.

**ND - John WA (Colton Brown)** 52:03

Got any secret family recipes David?

**David WA (Spencer Simpson)** 52:05

Count me in. No.

**Alexander OR (Richard Flannery)** 52:08

I actually have a, uh, stuffing recipe I could send someone.

**ND - John WA (Colton Brown)** 52:12

Maybe you can give it to Frederick and then have him drive it up since you're a nigger and not coming.

**Alexander OR (Richard Flannery)** 52:17

I'm not missing my father's retirement party, you fucker.

**ND - John WA (Colton Brown)** 52:22

Alright, so, your dad's having a retirement party all month long? Damn dude.

**Alexander OR (Richard Flannery) 52:26**

No, that specific day.

**ND - John WA (Colton Brown) 52:30**

Fuck. Okay, so what about, what about, what about, what about Clarke?

52:40

Clarke, will you be available the 27th?

**Clarke WA (Jacob Sundt) 52:46**

No, I'm gonna be in Idaho on the 27th.

**ND - John WA (Colton Brown) 52:49**

Gay.

**Ethan WA (Justin O'Leary) 52:54**

And this will be a family friendly, uh, Thanksgiving dinner?

**ND - John WA (Colton Brown) 52:58**

Yeah, um, but now this proposes, uh, where should we host it?

**Ethan WA (Justin O'Leary) 53:05**

I was almost thinking my mom's house or something dude.

**ND - John WA (Colton Brown) 53:13**

I've never been to your mom's house so I don't know what to tell you. I was thinking maybe voting Jack's house since, you know, a month before he was going to have everyone there before anyways and...

**Ethan WA (Justin O'Leary) 53:24**

What did you say, Jack's house?

**ND - John WA (Colton Brown) 53:26**

Maybe, if Jack's cool with that.

**Ethan WA (Justin O'Leary) 53:27**

Yeah, if somebody else has a place, then fuck it, that works.

**ND - John WA (Colton Brown) 53:33**

Jack you can say no.

**Jack WA (Matthew Clement) 53:34**

I don't see why not.

**ND - John WA (Colton Brown)** 53:35

If you're not comfortable with it, you know...

**Jack WA (Matthew Clement)** 53:39

I'm pretty sure you guys aren't feds and even if you are I've got enough nothing illegal in the house.  
[Laughs]

**Johnny ID** 53:48

I'm gonna be honest with you if any of you are Feds at Thanksgiving dinner the only knock I'm getting on my door is you guys going "Hey, can I have the recipe, that was really good."

**ND - John WA (Colton Brown)** 54:00

All right. All right. It's settled then, we're having Thanksgiving at Jack's house.

**Johnny ID** 54:04

Yay. Also, question for all of you guys. Is anyone [inaudible] to broccoli, uh, anything with Italian seasoning, onions or, like I said, we're whites, all of us are white so no one's lactose intolerant. Potatoes, everyone's, not legal or illegal, allergic to any of that.

**Ethan WA (Justin O'Leary)** 54:28

Spices and broccoli?

54:30

No.

**Johnny ID** 54:31

Spices broccoli, onion. Heavy whipping cream, etc.

**Ethan WA (Justin O'Leary)** 54:35

You talking like paprika or something?

**Johnny ID** 54:38

Like Italian seasoning.

**ND - John WA (Colton Brown)** 54:39

I love paprika.

**Ethan WA (Justin O'Leary)** 54:42

I don't know what that is, man.

**Johnny ID** 54:44

Is anyone allergic to anything?

**Ethan WA (Justin O'Leary) 54:49**

I'm like somewhat sensitive to certain shit, but I'm not allergic to anything. I can eat anything. Fuck it, I'll eat it.

**Johnny ID 54:55**

Then you'll all be good. Alright groovy. Would you mind if I head out I kind of have to get ready for work.

**ND - John WA (Colton Brown) 55:05**

I think that covers most bases. Let me look at my notes again. Yeah that was it, Thanksgiving dinner plans. We should also do some pumpkin carving. I think that'd be cool if we carved some Jack O' Lanterns and left them at like, a banner or a poster or something. That would be kind of cool. Or just leave them, leave them in someone's front door. Put 'Reclaim America' on a pumpkin, leave it on your front door. Last year I did the one stencil we have where has the hat chevron, and the mask, you know, like the Patriot Front activist head.

**Alexander OR (Richard Flannery) 55:47**

Yeah.

**ND - John WA (Colton Brown) 55:47**

I put that on a pumpkin and it was pretty cool.

**Alexander OR (Richard Flannery) 55:51**

John, here's an idea, and I don't know how feasible this is. Let's say some guys happened to conquer a couple Black Lives Matter signs and put a pumpkin there. I don't know, man. Might be interesting.

**ND - John WA (Colton Brown) 56:08**

Leave them there after spray painting a mural. Local neo-nazis carved pumpkins, ahh! Kike Sheckelberg at you know, Jew News, CNN.

**Alexander OR (Richard Flannery) 56:27**

Local neo-nazis co-opt a family friendly holiday.

**ND - John WA (Colton Brown) 56:32**

Jeez.

**Jack WA (Matthew Clement) 56:37**

You guys are talking about Thanksgiving. we should do Passover.

**Alexander OR (Richard Flannery) 56:41**

Yom Kippur is right around there actually.

**Jack WA (Matthew Clement) 56:48**

Oh yeah, let's, uh, let's celebrate that, guys.

**Alexander OR (Richard Flannery) 56:51**

Yeah bro! [Laughs]

**ND - John WA (Colton Brown) 56:51**

I think after drilling, someone can go get some pumpkins and bring them and then we'll do a drilling and making banners and guys that aren't making banners could maybe carve some pumpkins or something. Use some of the small stencils or whatever, have some fascas pumpkins? I would like us to get together and like, go to a pumpkin patch or something, a little fun extracurricular thing to do. There's a fun one called Maris Farms over in Buckley and they have, a, they have an apple cannon which is super cool. And they have like a maze. You get to ride around the cart and then you get to buy these horribly expensive pumpkins. I don't know, you guys don't seem too enthused about pumpkins...

**Clarke WA (Jacob Sundt) 57:50**

I mean, when you say it like that, I mean, how could we say no?

57:55

I think would be great pictures if we got a bunch of pumpkins like just taking...

**Alexander OR (Richard Flannery) 57:58**

Yeah.

**ND - John WA (Colton Brown) 58:05**

So you guys want to go to a pumpkin patch?

58:09

I'm in, I'm a yes.

**ND - John WA (Colton Brown) 58:12**

Ok.

**Clarke WA (Jacob Sundt) 58:14**

If we don't I'll actually be properly mad.

**ND - John WA (Colton Brown) 58:19**

Could have done that this weekend, but I had other obligations. I'm sorry guys. I let you down this weekend, I didn't come out for banners.

**Ethan WA (Justin O'Leary) 58:35**

Oh well, you happened upon something else that happened, so that was...

**ND - John WA (Colton Brown) 58:42**

Yeah, I spent two hours scouting a location, it was the most time I've ever put in scouting anything. So okay, I know it's asking a lot, but for those that, this is just to you immediate Network 8 guys [inaudible], you want to go to the pumpkin patch Sunday after drilling?

**Ethan WA (Justin O'Leary) 59:11**

Not really.

**Clarke WA (Jacob Sundt) 59:19**

I thought we were drilling on Saturday.

**ND - John WA (Colton Brown) 59:22**

We are drilling on Saturday, so I was saying on Sunday we get pumpkins the next day.

**Clarke WA (Jacob Sundt) 59:28**

Oh, I work the next day.

**ND - John WA (Colton Brown) 59:36**

Oh [inaudible] guys.

59:39

I'm still in, I could pick up a pumpkin and maybe bring it with you know like maybe we pick up a couple pumpkins up and bring them to to the banner making if we're going to be doing banner making out there.

**ND - John WA (Colton Brown) 59:49**

Yeah, yeah, let's just do that. Yeah, just I'll have you just grab some pumpkins. We'll carve some out. I'll have to look around see if I have those stencils, little stencils for the front guy face. I have that somewhere I'd have to look for it.

1:00:11

Yeah, if anybody wants to come with we can still get some pictures of at least a couple of us going to pick up pumpkins.

**ND - John WA (Colton Brown) 1:00:23**

I think I'll get photos of you guys making them and holding them and stuff in the, in the field. Okay, I think that covers everything. Sorry for having such a lengthy interview, not an interview, a meeting. You guys have any questions, comments or concerns for me?

**Ethan WA (Justin O'Leary) 1:00:48**

What's your, uh, favorite type of cookie?

**ND - John WA (Colton Brown) 1:00:59**

That's a tough one. One that doesn't have soy in it. I love chocolate chip cookies that are fresh off the top of the oven and I mean fresh. I like the chocolate is melting in my mouth. I also I'm a big fan of...

**Ethan WA (Justin O'Leary) 1:01:15**

My phone just fucked up I missed what you just said.

**ND - John WA (Colton Brown) 1:01:18**

Come on, man.

**Jack WA (Matthew Clement) 1:01:21**

Chocolate chip cookies.

**ND - John WA (Colton Brown) 1:01:22**

I like chocolate chip cookies when they're fresh off the top of the stove, because they melt in your mouth. However, I also am a big fan of peanut butter cookies. Sometimes I get random cravings for those. Cookies that don't have soy in them.

**Alexander OR (Richard Flannery) 1:01:38**

What about snickerdoodles, bro?

**ND - John WA (Colton Brown) 1:01:40**

Snickerdoodles are ok, I'd eat them.

**Clarke WA (Jacob Sundt) 1:01:42**

They are "okay." You take that back, they're god's gift to this earth.

**Ethan WA (Justin O'Leary) 1:01:49**

It's your birthday next weekend right?

**ND - John WA (Colton Brown) 1:01:52**

What, Ethan?

**Ethan WA (Justin O'Leary) 1:01:55**

You said it's your birthday next weekend?

**ND - John WA (Colton Brown) 1:01:57**

Um, my birthday is this week.

**Ethan WA (Justin O'Leary) 1:02:03**

Okay, cool.

**ND - John WA (Colton Brown) 1:02:06**

I wrote birthday plans for Sunday, today and I didn't do anything [laughter]. I went and saw my mom. she, she ordered some sushi and she gave me some 45 pound plates for my gym, which was pretty sick.

**Ethan WA (Justin O'Leary) 1:02:26**

That is pretty nice.

**ND - John WA (Colton Brown) 1:02:27**

Oh, and some new underwear. I don't know if I told, I showed you guys how I've like, I've been wearing underwear that's like just absolutely falling apart and I just like, refuse to like fork out any money to like buy some more underwear, like, I'm just been penny pinching. And so I have like, five pairs of decent underwear so I have to wash my clothes like two times a week. And my mom went, got me two packs of Reeboks and I was like dude, hell yeah. Underwear, I'm turning into an adult, jeez I get excited over underwear for a present.

**Clarke WA (Jacob Sundt) 1:03:01**

You are a staunch capitalist aren't you?

**ND - John WA (Colton Brown) 1:03:04**

Yeah, no, what I would I would really like for my birthday is a Thomas Funko Pop.

**Alexander OR (Richard Flannery) 1:03:17**

Based.

**ND - John WA (Colton Brown) 1:03:19**

Someone needs to please just make a Thomas Funko Pop.

**Alexander OR (Richard Flannery) 1:03:22**

Yeah, they need to do that and post it in the network creation channel in the, he hosts the non-network meetings.

**ND - John WA (Colton Brown) 1:03:29**

Yes. My favorite cake by the way is a German chocolate with coconut pecan frosting. Best cake.

Alright, anything else, any questions comments or concerns?

**Alexander OR (Richard Flannery) 1:03:45**

Hey Frederick Oregon, can I talk to you in meeting room three, please?

**ND - John WA (Colton Brown) 1:03:49**

Alright, get the hell out of here.

**Frederick OR (Lawrence Norman) 1:03:51**

Yep.

**ND - John WA (Colton Brown) 1:03:52**

Anyone else? Anything you have anything for me?

1:03:56

I wanted to....

**Ethan WA (Justin O'Leary) 1:03:57**

Happy Birthday...

**ND - John WA (Colton Brown) 1:04:01**

One at a time please. Vincent, you go...

1:04:07

Yeah. So I was gonna just check again what, what you needed me to get stencils for and if we have any chloroplast.

1:04:16

It's going to be hard for me to get to Tyler's because I have meetings at 8:30 basically every night except for Friday, but if I can connect with Tyler and run there, maybe tomorrow, I might be able to get that stuff if we have the the materials for it.

1:04:31

But what, what stencil do we want to make?

**ND - John WA (Colton Brown) 1:04:37**

Get the paper bundles from him, he has a triangular box full of the paper cutouts. We need those and in that roll of stuff is the URL size, size, I want to say they're like 12 inches, 12-ish inches. And get those. And there's a whole alphabet with our font. Carve out on a Coroplast those letters and make it spell "strong families, strong nations."

1:05:10

Gotcha. And we have the Coroplast already?

**ND - John WA (Colton Brown) 1:05:14**

No, we would need to pick some up. If you have CashApp, I can throw you some money to get some. I imagine it would only take maybe one or two sheets which will be a total of \$45.

1:05:37

Gotcha. Yeah, I'll try that. I do just happen to have a busy week this week. But I'll see if I can pick those up from Tyler tomorrow. I'll send him a message.

**ND - John WA (Colton Brown) 1:05:46**

I'm gonna send you a message on RocketChat. Grab, um, I'd say two to three Coroplast sheets simply because we will end up using it for, for stencils. Like, I want to take, once we get a shipment of posters, we are going to take the, our shipment of posters and we're going to take each big, the biggest poster we got and put it on a piece of Coroplast, we're going to carve it out that we have a, a poster stencil. So just like, our stickers and our promat, we'll have a fucking stencil for every single one of those. I think that'd be really cool and we could add that to our activism collection. We can use that as a

rebuttal message to any, anything that we want. So supplies, black duct tape, two to three Coroplast sheets, you know, any extra material we have, we'll be able to use it. Dewalt box knife, really good for cutting, and then high density foam pad puzzle piece. If you don't have anything like that to cut on, I mean, that's just extremely useful. This is something I could also work on after work as well. You guys are just really closer to Tyler because Seattle is just totally out of the way for me, especially with work. Yeah, there's that, and then, I don't know if there's anything else I need to add, any instruction I have. [Inaudible] has the stencils I believe, right? Right? Right. Correct, Ethan? Ethan, do you have the banner stencils, correct?

**Ethan WA (Justin O'Leary) 1:08:39**

Yes. Sorry I had you in my chest pocket I'm outside doing the trash. Yeah I got all the stencils, the banner stencils.

**ND - John WA (Colton Brown) 1:08:49**

Banner stencils were four inches [inaudible] on the sides and two and a half inches from top of Coroplast top of the letter. Cut to scale for the smaller ones. Okay. I do a lot of work up in Bellevue it seems lately, so...How far is that to [inaudible]?

1:09:36

Sorry, was that for me?

**ND - John WA (Colton Brown) 1:09:38**

Yeah. How about how far away is Bellevue for you?

1:09:42

It's not too far away. It's just the timing is hard. Usually do the gym from 5 to 7 and I have a work meeting at 8:30 p.m. so it's hard for me to find time in between.

**ND - John WA (Colton Brown) 1:09:53**

I feel that. I've been sacrificing my workout times for like, meetings and materials and stuff and whatnot. I been helping my dad with things instead of lifting, but I'm excited to use the other 45s. We have duct tape, two to three coroplast sheets, Dewalt box knife, high density foam pad puzzle piece filling material, banner stencils. Would you guys say "Reclaim America" is a solid rebuttal against a homosexual mural of any sort?

**Ethan WA (Justin O'Leary) 1:11:04**

Yeah, otherwise, like you were saying, "strong families, strong nations."

**ND - John WA (Colton Brown) 1:11:09**

Let's say we don't have the "strong families, strong nations" and we have to just stick with "Reclaim America", would you prefer "Reclaim America" over "united we stand" for an anti-homosexual...

**Clarke WA (Jacob Sundt) 1:11:22**

Reclaim I think is better.

**Ethan WA (Justin O'Leary) 1:11:24**

We don't want to be united with homosexuals.

**ND - John WA (Colton Brown) 1:11:32**

Alright, fair enough. Alright. I think that is everything. Vincent, if you have any other questions you can DM me. You guys got anything for me? Any questions, comments concerns? Alright, I got a question for you. You're out doing activism, get stopped by the police what do you do?

**Ethan WA (Justin O'Leary) 1:11:59**

Run away if you can.

**ND - John WA (Colton Brown) 1:12:09**

I would only suggest running away if you know you'll get away, but if you're already fucked and they're already on you, what do you do?

**Ethan WA (Justin O'Leary) 1:12:23**

Just don't say shit, man.

**Clarke WA (Jacob Sundt) 1:12:27**

You ask for a lawyer and you don't say anything?

**ND - John WA (Colton Brown) 1:12:31**

Good. Oh, also, I think for this action, I'm going to write my lawyers' number on everyone's wrist just to be safe. Like how we do at demos. I think this is solid, I think this will be a successful action. I see very little risk. But lots of reward. So okay, all right. Last round, any questions, comments or concerns before I go to bed? Going once, going twice. Alright, y'all have a great night. Thanks for attending this meeting.

1:13:33

We never got...[inaudible] got Ethan to do his bit.

**ND - John WA (Colton Brown) 1:13:39**

We never got who, huh, what now?

1:13:42

Ethan and I were speaking at the same time and I got to speak but Ethan didn't do his bit.

**ND - John WA (Colton Brown) 1:13:47**

Oh.

**Ethan WA (Justin O'Leary) 1:13:47**

I was starting to sing happy birthday, I was just messing around.

**ND - John WA (Colton Brown)** 1:13:51

Oh, oh, you don't need to do that. Alright, I'll catch you guys all later. Have a good night.

**Ethan WA (Justin O'Leary)** 1:13:59

You too. You guys have a good night.

**Clarke WA (Jacob Sundt)** 1:14:02

Good night.

1:14:03

Good night, everyone.
