

2021-10-24 PNW Mumble Call

These recordings were taken by an anonymous source inside of Patriot Front during August to December 2021. Unicorn Riot has produced transcript PDFs, MP3s and videos from this set of recordings. The transcripts and the Mp3s use the same set of timecodes. The main report on our website uses separate timecodes that match our videos, which are lightly edited to remove silence, with an additional introduction and credits.

The .mp3 files (as opposed to slightly shortened videos) represent the uncut documentation of these Patriot Front voice meetings. These uncut audio files have been altered as little as possible in the interests of source protection.

Accuracy of transcripts and speaker identities

Unicorn Riot has done our best to compile transcripts with the most accurate time stamps and speaker identifications possible. Due to the combination of machine transcription and extensive human labor, there may be occasional errors in speaker IDs indicated in transcripts. but we are confident that the vast majority of the speaker IDs and content are correct. Some transcript timestamps are incorrect due to unavoidable issues with using machine transcription at scale, however, the majority are accurate.

Please note that these recordings may include Patriot Front members whose voices were not identified by us. When we were unsure about a speaker's identity we have left that line in the transcript without an assigned name, which machine transcription services usually tag as 'Unknown'. Many Patriot Front members have been identified by researchers, activists and journalists by linking multiple pieces of evidence to online personas.

ND - Lawrence FL 00:03

Oh, sorry to hear that.

00:03

I got one in.

00:05

Nailed it!

Jack WA (Matthew Clement) 00:07

No, it's cool man. It'll be fine.

00:10

Cool cool.

00:14

I guess we're waiting for, waiting for everybody to join me in #general so we can move to somewhere else.

Jack WA (Matthew Clement) 00:19

How's it hanging?

ND - Lawrence FL 00:20

Ah, good. We got that projector so I need to go get a USB drive for myself now to upload some sick pictures onto the projector and then I can project it onto a wall and make some nice, big artistic pieces for us out in the world.

Jack WA (Matthew Clement) 00:38

That is pretty cool, nice!

ND - Lawrence FL 00:41

Yeah. Gonna be pretty epic. We'll have a big mural of Columbia somewhere. I got do it in places where I'll have like a lot of time and with like, little or no foot traffic.

Jack WA (Matthew Clement) 00:55

Spots you can come back to.

ND - Lawrence FL 00:58

Yeah, I can totally get it done in a day. They're not super detailed. So it's as simple as just doing the outline and then doing the fill. So, and the projector's got the image already on it. So, you know.

Jack WA (Matthew Clement) 01:12

That means that you're just ready. How fast can you put one up?

ND - Lawrence FL 01:16

Not sure yet. I need to find a spot and test it out. Really depends. But I'll get back to you. I mean, well, or you'll see, you'll be seeing it soon enough here. I'll get back to you with the info.

Jack WA (Matthew Clement) 01:30

I will, forgive me if I'm distracted.

ND - Lawrence FL 01:33

Don't worry about it. Great action down in Olympia by the way.

Jack WA (Matthew Clement) 01:40

Hey, thanks, man. Glad you were, I was there. I'm glad you liked that. They, we won in the end, where they, they took it down for good. They repainted the mural solid colors. And I'm like, we can't really beat that.

ND - Lawrence FL 01:53

Yeah, it was yeah, it couldn't have gone better. That was awesome.

01:58

Yeah that was a lot of fun.

ND - Lawrence FL 02:00

Yeah, so Tallahassee, Florida is like Bellingham, Washington, like college town, BLM shit. Actually there's even more BLM shit over there than there were, there was in Bellingham. I guess there's like, actual black people that live there because it's the south, so maybe that's why. But...

Jack WA (Matthew Clement) 02:19

As opposed to like all the pretenders out here.

ND - Lawrence FL 02:23

Yep. So anyway, we're gonna do a lot of good stuff up there. A lot. Keep an eye out for that. I mean, one of the things is, is like, everyone in Florida is super new. Like, people are like really, really new.

Clarke WA (Jacob Sundt) 02:42

They're scared. They're scared of stickers.

ND - Lawrence FL 02:44

It's that. But, oh awesome. My interviewees are available to meet on the same day, perfect. Perfecto, perfecto. Oh perfecto. Perfectereeno. We have two new Florida members, hopefully.

03:18

Dope.

ND - Lawrence FL 03:20

We got a new one recently up in Tallahassee. So I'm having him come on down and meet with the guys and do some more stuff, hopefully he gets more active on Mumble and just more in the organization in general.

03:46

You should tell him to hop on.

ND - Lawrence FL 03:49

I'll let him meet the people more first in person before I start, tell him just to hop in the Mumble and talk with other people.

Jack WA (Matthew Clement) 03:57

Yeah, it's always good to kind of warm them up. I know I needed [inaudible].

ND - Lawrence FL 04:04

I guess tonight, you're gonna talk about what you're gonna do next.

Jack WA (Matthew Clement) 04:07

Yeah, we are.

ND - Lawrence FL 04:09

Cool.

Jack WA (Matthew Clement) 04:11

Me specifically.

04:13

Cool, cool.

ND - Lawrence FL 04:15

Well, I'm wondering maybe like, now that like, because everyone else is like leaving and so someone has to feed the cat. And at first I was like, "Nah, I'm leaving." And you know what, screw it. I'm just gonna stay here and have everyone just come to me instead, it'll just make it easier that way. That way we can do, just get a bunch of shit done up here. You know, in a place that doesn't really get a whole lot of attention. And we can just do that instead. I need to talk to everyone else though about that.

Jack WA (Matthew Clement) 04:59

Where the hell are my...

Alexander OR (Richard Flannery) 05:03

How many people do you like to take with you when you're doing an in-person interview?

ND - Lawrence FL 05:10

I usually do them alone, but one other person is usually fine to me, it doesn't really matter. I mean, I guess technically, like most of the interviews I've done I've done alone, but recently, I guess, I usually do bring like, at least another person, or there is all pretty much always someone else who's like willing to come with me, but if not, I just get it done.

05:37

Yeah.

ND - Lawrence FL 05:39

It's like you know, kinda like a sigma male kind of thing, you know, like, I don't get laid, I just get paid.

06:16

Since I'm not in Network 8.

06:18

Yeah, that's what I thought, I don't know why he just posted it in my, uh regional.

06:23

Do you have your own meetings?

Jack WA (Matthew Clement) 06:24

Pleasure talking to you guys.

Eric PA 06:25

Yeah, I have my own meeting in 30 minutes from now.

ND - Lawrence FL 06:29

Yeah, don't worry about a Network Eight meeting, you're not in Network Eight.

06:31

No, no I...

ND - Lawrence FL 06:32

You're coming to the Network 16 meetings from now on.

06:35

So, I don't know if you saw John, but Jack did get his, uh, promat in, and so we, that's all of us for the week.

ND - John WA (Colton Brown) 06:42

Great, post the template.

Jack WA (Matthew Clement) 06:47

Just got done actually.

Eric PA 06:49

Okay, where is that? I closed it.

ND - John WA (Colton Brown) 06:53

That's our first time in a long time where everyone did their one action.

Eric PA 07:09

Is the wind picking up on my mic a whole lot?

ND - John WA (Colton Brown) 07:14

Uh, no.

Jack WA (Matthew Clement) 07:15
Is there a bunch of bullshit on my mic?

Eric PA 07:29
Okay, posting that to uh, Network 8.

Jack WA (Matthew Clement) 07:39
Have you guys seen my flashlight?

ND - John WA (Colton Brown) 07:42
Flashlight? No.

Jack WA (Matthew Clement) 07:45
Dang it.

07:49
I also still need the, uh, the physical fitness test results from Tyler and Vincent Washington so.

Clarke WA (Jacob Sundt) 08:04
Do you want me to post what I have for that right now as well?

ND - John WA (Colton Brown) 08:08
No.

08:10
No? Alright.

08:12
Yeah, I'll test myself when I'm not sick.

ND - John WA (Colton Brown) 08:16
That's fine.

Jack WA (Matthew Clement) 08:18
[Laughs]

08:18
Am I hearing that I got everybody's sick? Cuz I'm really sick and I've been sick for a couple of weeks now.

08:26
I was sick all last week.

08:27

Not me dude.

08:28

Oh man.

ND - John WA (Colton Brown) 08:32

All right, is this everyone? We've got a lot to go over. Alright, everyone go flag react the post in Network 8 and...John, you should send that to Alexander, he should be doing something similar as well.

08:57

Okay, and for mumble, do you want me to record, uh, just Network 8 guys or also just the greater PNW? For mumble attendance that is.

ND - John WA (Colton Brown) 09:08

Just Network 8.

09:10

Okay.

ND - John WA (Colton Brown) 09:11

I think, uh, the two regions need to start having their own regular Mumble meetings and keeping track of their own attendance and their own activity spreadsheets.

09:22

Who all is here right now for Network 8, would you go down the list so I don't have to jump between tabs?

ND - John WA (Colton Brown) 09:27

Clarke, David, Ethan, Jack, John, Vincent. The only person missing I think is Tyler.

09:34

Okay. And he said he wasn't going to make it?

ND - John WA (Colton Brown) 09:37

Yep, you're right.

09:40

I'll go ahead and put him down as yellow for excused.

ND - John WA (Colton Brown) 09:45

That's fine. All right. So, crack open my planner here.

Jack WA (Matthew Clement) 09:56

Where did you guys hide my flashlight?

10:05

I haven't seen it.

10:06

It's in my back pocket, Jack.

Jack WA (Matthew Clement) 10:10

You never did take that chili.

Alexander OR (Richard Flannery) 10:12

I know, I forgot about it. [Laughs]

Jack WA (Matthew Clement) 10:15

I'm saving...you forget about it three times, then, I dunno.

Alexander OR (Richard Flannery) 10:19

Hey, I got one more shot. I got one more shot.

Jack WA (Matthew Clement) 10:23

That's true.

ND - John WA (Colton Brown) 10:34

Let me turn my lamp on here.

10:49

Okay, you said you want me sending these templates to Alexander?

Alexander OR (Richard Flannery) 11:00

I think I heard him say that.

11:12

I will go ahead and do that then. I just wanted to make sure I got the right person, I know he wanted me to send it to someone.

Alexander OR (Richard Flannery) 11:17

Oh yeah, I mean if, uh, I keep a lot of the records for, uh, Oregon, I've been planning a lot of stuff, so...

11:39

I'll send you his code. That's how I've been doing it.

Alexander OR (Richard Flannery) 11:49

Oh, okay. Well that's the, what do you call it, the fitness one is the first one I did so it's a lot cleaner. It looks like the other two now. That's just an old screenshot. I just was too lazy to take another one.

ND - John WA (Colton Brown) 12:31

Back. All right. So okay, we need to go over vehicle rentals with Eric Pennsylvania and Ethan Washington. So let's, uh, do that. Uh, Eric and Ethan, what have you got so far for, for rentals?

Eric PA 12:54

We've been using Turo over here to get our vehicles, we're gonna have, uh, for Network 10 we're renting two. And, uh, New Jersey, right now for you guys who have [inaudible] right?

13:13

Um.

ND - John WA (Colton Brown) 13:14

Yeah, something like that. So all of Network 8, 7 and, 11 or 12? Yeah, 12 guys, and then the Idaho guys need to figure out their own rental and stuff. I believe they already did that. So.

Eric PA 13:31

You guys will, you guys will definitely want somebody like, over 26 or something like that. Because if you have somebody under that age picking it up, it's another cost adding on to that. I think it's for like, liability reasons.

ND - John WA (Colton Brown) 13:46

Right, though we gotta delegate Ethan to that, he is above that age. I believe at least he's above that age.

Alexander OR (Richard Flannery) 13:53

If not, Frederick Oregon is.

ND - John WA (Colton Brown) 13:56

Oh, where is he by the way?

Alexander OR (Richard Flannery) 13:58

I messaged him, I don't know though.

14:02

I'm over that too.

ND - John WA (Colton Brown) 14:06

So, then what? Eric?

Eric PA 14:13

I'll take a look at this. Looks like pretty close to airport's not very good with price. But, uh, yeah, it's always possible they'll want to [inaudible], whoever's renting it, and they can go get it and then bring it back to the airport and get everybody. Um. That increases your range and, uh, possibilities for picking stuff up.

14:46

[Rummaging noises]

ND - John WA (Colton Brown) 14:48

Okay, so, uh, you propose then that maybe I have one of your guys pick us up and then bring us to the rentals, question mark?

Eric PA 15:00

Yeah, that's possible. I mean you have, you have 12 guys and you know there are 15-seater vans and stuff like that, but you're not gonna want to pack 12 guys into a 12-seater van, that's not gonna be comfortable for everybody. So you could possibly look at like, minivans too, getting two minivans. I haven't looked at the price for that, but that's also a possibility, but you wanna, you want to get more seats than you have guys, so guys can fit their gear and stuff and they won't be packed in there like sardines. But yeah, I can definitely, I don't think it's a problem with having a guy pick whoever's picking up the rental at the airport and then you guys can take care of it from there or bringing it back to the airport and...

ND - John WA (Colton Brown) 16:01

We're gonna land at about 4:45 p.m. at Newark on Friday.

Eric PA 16:09

Okay, has everybody bought their...

ND - John WA (Colton Brown) 16:11

Yeah everyone's got their ticket.

Eric PA 16:14

All right, that's good news. 4:45 on...

ND - John WA (Colton Brown) 16:20

At least I believe so, is anyone here not bought your plane ticket yet? Uh, I thought I've got everyone.

16:27

I got mine.

16:34

I got mine.

ND - John WA (Colton Brown) 16:37

I believe we're all good and, uh, the, the Oregon guys, were you guys just gonna go to SeaTac or how...?

Alexander OR (Richard Flannery) 16:44

Yeah, we're going to SeaTac. We have the exact same flight as you so we'll drop off at the same time.

ND - John WA (Colton Brown) 16:48

Right, um, shit, s,o that being said, maybe you guys can all drive up?

Alexander OR (Richard Flannery) 16:56

Yep.

ND - John WA (Colton Brown) 16:57

To Maple Valley where we usually park them, and then we'll have probably Tyler since he's not coming, he can take a ride and I can take a load of guys or someone else can, um, get a park-and-ride at the airport and leave their vehicle there, whoever can pack enough guys in their car and their gear and stuff too, um. I have a truck bed that should be able to put in everyone's checked bags in the bed of my truck. I'll tarp it down if it's raining. Then, um, two vehicles should be enough to get us all there, I think, I hope. We'll figure that out when it gets closer, um, my huge [inaudible] we're gonna want [inaudible]. Um, so, uh, Eric, close to the airport you said rentals are pretty expensive. So we'd have to get some from like, where, like Jersey?

Eric PA 17:53

That's, that's expected, I mean, I put in, I put in the city of the airport. Um, obviously like stuff right next to the airport's expected to be high or like in any metro area. So, you know, it's like anything else, the further out you go, the cheaper it's gonna be. Jersey's not that big, so it, from, it, you would have a lot of, uh, places to choose from within like a half hour radius.

Clarke WA (Jacob Sundt) 18:31

Hey John, I actually, I have, I only have about 10 more minutes on my, uh, break here at work. So if there's anything you want me to be present for when we discuss it, uh, we might need to get going.

ND - John WA (Colton Brown) 18:41

Well, we have, I sent you the list of stuff that we have to go over, we have quite a bit.

Clarke WA (Jacob Sundt) 18:46

Yeah, I know. I'm sorry, I mean, this is you know, this is when I'm at work. I took my 30 minute break right now which is the longest one I get.

ND - John WA (Colton Brown) 18:55

Okay. Alright, um, I think between Eric and Ethan, I want you two to discuss rentals and get it taken care of, alright? I put Ethan in charge of getting them because he is older and of age and has good credit and all that jazz. Furthermore, I'd like to go over a week debrief so, Eric, unless you have

anything to discuss regarding the rentals, if you want you could pop into a meeting room with Ethan right now and get that hashed away or you can via DMs, however you want to go about it.

Eric PA 19:33

I'll, yeah, Ethan, I'll DM you throughout the week. I'll be on the lookout for stuff. But yeah, I think I'm gonna go to bed for right now, so...

ND - John WA (Colton Brown) 19:43

Sounds good, man. It's been a busy week. All right, week debrief. Action recap, guys, what was, what was done this weekend when I wasn't around? What got done?

19:56

Me and David did stenciling in Olympia, uh, this week. I did a bunch of stickers in Olympia and Lacey and Tumwater, that's about all I did on my own.

ND - John WA (Colton Brown) 20:06

Okay, what was up with the other banner situation between Ethan, Clarke and Vincent and all that. You guys get out and do a banner or no?

Clarke WA (Jacob Sundt) 20:17

Negative.

Ethan WA (Justin O'Leary) 20:18

No.

ND - John WA (Colton Brown) 20:19

Negative. All right, well David and I did a banner for you.

Clarke WA (Jacob Sundt) 20:26

Once again, David is the Chad and I'm the [inaudible].

20:30

Based.

ND - John WA (Colton Brown) 20:33

All good. Well, we'll do a bunch this upcoming, next weekend. So that goes over the debrief. Fitness. As you all know, you need to submit your push ups, pull ups, planks, situps and mile times to either me or Clarke Washington and some point in time we're going to get together and do all that in a park but, uh, not really super important right now. Also I wanted to go over our next drilling date - reminder, November 6, everyone mark your calendars, that's when we're all going to get together. Alexander, I need you to get a headcount for me. Well, actually, we got all the Oregon guys here. So Leo, Frederick and Alex, are you going to be available November 6 to come up drilling?

Alexander OR (Richard Flannery) 21:31

I'm not available the entire month of November.

ND - John WA (Colton Brown) 21:36

Okay.

Frederick OR (Lawrence Norman) 21:36

I'll be available.

ND - John WA (Colton Brown) 21:40

Leo?

Leo OR (Casey Knuteson) 21:41

Yeah.

ND - John WA (Colton Brown) 21:43

Okay, so how that plan is gonna go is you guys are gonna come up Friday night. Spend the night at Jack's house. Saturday morning, we're going to, we're going to do drilling. Probably also do a bunch of sparring and stuff too. We're going to emulate what Thomas recently did. I guess they're going to have an org wide sparring instruction slash guide, training, standardized training with sparring I guess, so that sounds cool and neat. I'm kind of excited to see what's up with that. So maybe we'll get to do that. So um, if you guys don't have gloves and a mouth guard, go get those now. Yeah, mark your calendars November 6, and then um, what day did we all agree to have a little Bar Mitzvah together for Thanksgiving? Is that the seventh? Or...

22:42

I believe that was the 20th that we agreed on.

ND - John WA (Colton Brown) 22:45

20th. Ok.

22:47

What time November 6?

ND - John WA (Colton Brown) 22:53

In the morning around like 9-10 a.m. Why, were you thinking of just driving straight up in the morning Saturday?

23:02

Yeah, most likely.

ND - John WA (Colton Brown) 23:06

You can do that, we're gonna do it probably in like, Ravensdale. That's like a two and a half hour drive, maybe three hour drive for you. But we need to, we need to hash out this drilling. Good stuff.

23:22

Yeah. Yeah, I know that, what do we have to do, have two drilling sessions in before the event right?

ND - John WA (Colton Brown) 23:28

We're supposed to have three but we haven't, we'll only do two, unfortunately.

23:36

Need to get those in.

ND - John WA (Colton Brown) 23:37

Okay, so for Thanksgiving dinner, you guys want to do on the 20th, the 27th? Probably not the 27th, that's probably when you're all doing with your family, correct, so you want to do on the 20th of November?

23:49

Yes.

ND - John WA (Colton Brown) 23:56

Write it down. Y'all are more than welcome to bring your entire family. This will be a good opportunity to get women together with like-minded women so they can kind of do their women thing and be more of a part of something. So, highly recommend bringing your best food, women, bring your kids, we're gonna have a great time. And we're gonna get an Airbnb somewhere that's gonna be big enough to house all of us. We'll probably even spend the night for some people and have a jolly ol' good time. So mark your calendars for November 20th, Saturday. I also have a flight that I need to do, 1 to 3 p.m. So, it will have to be little after that. Mark your calendars for that. November 20th. And then I wanted to plan the activity for next week. Actually, before we get going on that on I want to talk a little bit about the, uh, November 4th event. Um, does everybody have a tent and two sleeping bags, like a duffel bag to put it in? If you don't, you probably want to get, you know, two actual real sleeping bags and a tent. I'm gonna send out the gear list soon as I get it, but basically expect to bring your uniform, extra pairs of clothing for the entire weekend, basic camping gear, a tent and couple sleeping bags, a blanket, pillow, whatever. You know, toothbrush, undies, panties. Depending if you're gay like Clarke. Um, extra socks, you're gonna want some warm socks.

Clarke WA (Jacob Sundt) 25:49

What the fuck?

Alexander OR (Richard Flannery) 25:50

He's a furry, not gay, there's difference, a difference.

ND - John WA (Colton Brown) 25:53

Oh, wow, oh, my bad.

Clarke WA (Jacob Sundt) 25:54

That is slander, that is slander.

ND - John WA (Colton Brown) 25:59

My bad, he's a, he's a furry neo-nazi. Um, does anyone have any questions regarding, uh, the gear and the event and all that jazz.

Alexander OR (Richard Flannery) 26:13

John, I've been told numerous times by people down south that, uh, tents aren't necessary but sleeping bags are.

ND - John WA (Colton Brown) 26:23

Well, they can, they can fuck right off. As like, Thomas said that we can rely on everyone else there to provide us with tents. But I'm gonna tell you right now, that's not going to be the case. Like, I am very big on us being self-reliant. Because what's going to happen is we're going to go there and you're going to get either piled in tents with like, eight other guys that are all loud and snoring or you're probably not gonna have a tent period, and you're gonna be stuck sleeping in like, a truck or like, on the ground with a sleeping roll. And I just don't want to see that happen for all of us. It's just stupid and unnecessary. And I'm sorry, but I just don't trust other networks with, with all of you. You know, you guys are my guys and it's my job to manage you, not anyone else's. So bring your own shit.

27:08

John I have a...

Johnny ID 27:08

We should just plan on bringing enough tents for all of us. You know, like a certain amount of us bring three person tents, that way not everybody has to bring their own personal tent.

27:17

That's, that's what I was gonna say is I, I actually own a four person tent so, uh, I can bring that.

ND - John WA (Colton Brown) 27:22

Ok, um. Alright, let's, let's write up a tent list then. Um, okay, so Alexander, what size tent do you have?

Alexander OR (Richard Flannery) 27:34

A bivouac.

ND - John WA (Colton Brown) 27:37

So you have a one person tent, cool. Okay, Clarke, four person tent?

27:42

You can buy a 3 person tent at Walmart for like 30 bucks.

Clarke WA (Jacob Sundt) 27:46

At least three or four. I'll have to double check when I get home tonight.

ND - John WA (Colton Brown) 27:51

Okay, cool. All right. David, what size tent you got?

David WA (Spencer Simpson) 27:57

Last I checked I think it was at least a two person.

ND - John WA (Colton Brown) 28:03

Alright, Ethan, what do you got for tents?

Ethan WA (Justin O'Leary) 28:07

I think mine's rated for four but the way those things go, I mean, you really only want to probably have like two guys.

ND - John WA (Colton Brown) 28:15

It's one, it's a, one guy plus his gear pretty much. I'm going to factor that all in here in a second. Frederick, what kinda tent you got?

Frederick OR (Lawrence Norman) 28:28

I got that one you saw it Rainier.

Alexander OR (Richard Flannery) 28:32

It's a bivouac.

ND - John WA (Colton Brown) 28:34

A bivouac. Jack, what do you got for a tent?

Jack WA (Matthew Clement) 28:43

One man.

ND - John WA (Colton Brown) 28:45

One man tent. All right. Um, Leo, what do you got?

Leo OR (Casey Knuteson) 28:53

I don't have one, but I could pick one up for 30 bucks, a 3-person tent, I just saw one at Buy Mart the other day.

ND - John WA (Colton Brown) 29:00

Ok.

Clarke WA (Jacob Sundt) 29:07

Unfortunately I have to go back and clock in to work.

ND - John WA (Colton Brown) 29:11

That's unfortunate.

Clarke WA (Jacob Sundt) 29:13

It is.

Jack WA (Matthew Clement) 29:13

See you later Clarke. Good hanging man.

ND - John WA (Colton Brown) 29:16

Vincent, Vincent, what about you?

29:19

I have a 2 person tent.

ND - John WA (Colton Brown) 29:21

Okay, so that means you have a one person tent for gear. Ok, um, I also need to buy a tent. I've been borrowing my dad's tent that has like [inaudible] it's pretty big but I need to just buy my own tent.

Johnny ID 29:43

I probably do have one laying around the property here. I just don't know off the top of my head. I probably [inaudible].

Alexander OR (Richard Flannery) 29:48

I could spend like \$2,000 and get a 20 person wall tent with a, with a stove at my army surplus store.

ND - John WA (Colton Brown) 29:58

I was just thinking of that, I was just thinking of that, because my dad's blaming, someone, please stop eating chips. Who is that, Jack? Mute your mic?.

Jack WA (Matthew Clement) 30:08

Sorry?

ND - John WA (Colton Brown) 30:09

Mute your mic. C'mon man.

Jack WA (Matthew Clement) 30:12

I'm not eating chips, nerd.

30:13

[Inaudible]

30:13

He said I'm sorry?

ND - John WA (Colton Brown) 30:17

Anyhow, my dad's elk hunting crew, one of them would have like this giant huge white tent and also had a stove in it. That thing was pretty cool. However, I'm very impartial to camping with others simply because people snore and I cannot stand it. So, I'll probably be bringing my own personal tent. Last time I got, uh, we were in my tent next to, some other tent next to us, and the guy just, dude, I've never heard someone snore so loud before, it was ridiculous and I was supposed to be one of the box truck drivers at Philly. I didn't get any sleep. I went up to Thomas and I was like, I'm not being a driver and I found you a replacement driver, which was Travis California, who did an amazing job, so, he is now going to be our, uh, delegated, uh, truck, uh, truck driver team. Gonna train up a whole team of specific drivers, which is cool. Anyhow, so as for tents, so Clarke can house two people, David can house one, Ethan can house two. Uh, Leo's gonna get one that will fit eventually two, one, so, that's not a whole lot of multiple person tents. So who here doesn't mind doing a checked bag? I should ask, who does mind doing a checked bag, who would rather share a tent?

Leo OR (Casey Knuteson) 31:58

I would.

ND - John WA (Colton Brown) 32:02

Alright. Based, based off of my numbers I have, Leo you would have to ask either Clarke or Ethan if you can bunk with one of the two of them.

Leo OR (Casey Knuteson) 32:25

Alrighty, can I bunk with one of you guys?

Ethan WA (Justin O'Leary) 32:30

Probably.

ND - John WA (Colton Brown) 32:42

I was hoping we had a lot more group tents but I think we'll be fine. Anyone not want to bring their own personal tent and they want to share with anyone else? I'll take that as a no everyone likes to be cozy in their own little tent, I get it.

32:59

I prefer not to bring checked luggage. I volunteer to sleep in the rental vehicle.

Ethan WA (Justin O'Leary) 33:04

I was gonna volunteer to sleep in one of them too, but...

Alexander OR (Richard Flannery) 33:07

Yeah, I want to sleep in the rental vehicle too. That stuff's fun.

ND - John WA (Colton Brown) 33:11

What is wrong with you guys?

Alexander OR (Richard Flannery) 33:13

Dude, cars are awesome.

ND - John WA (Colton Brown) 33:20

All right, whatever. If that's what you wanna do, be my guest.

33:25

No, fuck you guys. I'm gonna buy my own tent.

Ethan WA (Justin O'Leary) 33:30

Back seats fold down and stuff. It's gonna be cozy in there [inaudible].

ND - John WA (Colton Brown) 33:37

Yeah I'm going to bring my tent with a little stove, I'm gonna burn some twigs. I'm gonna be, I'm gonna be sleeping in my panties. Oh yeah, I'm gonna be nice and cozy.

Alexander OR (Richard Flannery) 33:46

And Lawrence is gonna put his cot right next to yours.

ND - John WA (Colton Brown) 33:49

Oh, no, no, [inaudible] my tent, my tent. Alright, sounds good. So far. All you Oregon guys you can go to a separate meeting room and plan your whatever...

Alexander OR (Richard Flannery) 34:07

Alright let's go to meeting room 4.

ND - John WA (Colton Brown) 34:14

Alright, so activity for next week. Um, what's the plan, fellas? What do you want to do? Got Halloween coming up. You guys want to do something cool for Halloween? On a Sunday? What are we doing, we gonna wear costumes and go do banner drops or something?

Ethan WA (Justin O'Leary) 34:39

That's an interesting idea.

ND - John WA (Colton Brown) 34:41

But what if we, we cranked out a ton of banners, like eight banners, and I'll help fund it. We crank out eight banners and then we dress up all in costume and go have some fun. Anyone have any other, other ideas you might want to do? Chirp chirp, come on, come on, come on.

Ethan WA (Justin O'Leary) 35:21

I was just thinking this before the meeting, what else we could do, but I was kind of drawing a blank. I was almost seeing, it'd be cool to hit like, a town super hard with stickers but obviously we don't have stickers to do that. So I don't know. I guess banners, really.

ND - John WA (Colton Brown) 35:34

We are little shorthanded. It would be fun if we all like, fooled around in like, teams of two to three with like, posters and stickers and, you know, wear costumes and people wouldn't even question it you know, it's Halloween. Funny, I think all of us piling around, driving around and dressing up in all of our cool costumes. I'd have to pick a costume, the only one I have is like, a Knight Templar one, and I can barely see out of that fucking helmet. Cool, though, black Catholic knight. [Inaudible] You want to do that Saturday night or like Sunday on Halloween?

Ethan WA (Justin O'Leary) 36:37

Maybe Saturday, I don't know I might be doing something with my family I'll have to...

Clarke WA (Jacob Sundt) 36:48

At work, just gonna chime in. Sunday like, past midnight we might be able to get away with doing a mural or something pretty easily just because there's gonna be so many people out. Everyone's gonna be drunk and having a good time they're not gonna think anything of a couple guys walking down the street.

ND - John WA (Colton Brown) 37:11

What if Saturday, Saturday night we do some banners in costume and then let's find us another mural to go do that evening and Sunday [inaudible] ourselves and family. Wonder if there's a decent mural in Seattle we could do. I think. If Seattle's even worth hitting it's like, so big, like, you do anything and it's like, barely making a dent, is how I feel about Seattle at least. If we do Seattle, we have to go like, super hard like, go like, cover all their gay crosswalks with white paint and leave some stencils, or something like that would be something in Seattle.

Ethan WA (Justin O'Leary) 38:11

Seattle might blow more because, you know, you get on the local news in Olympia and it's only people in Olympia that read that shit, like the Seattle Times has more reach you know?

ND - John WA (Colton Brown) 38:21

Right. So banners the night, late night, how's that sound?

Ethan WA (Justin O'Leary) 38:51

What exactly did you say, banners late night Saturday night or something?

ND - John WA (Colton Brown) 38:55

So Saturday we'll, we'll do some banners while in costume. And we'll go hit, after we're done doing that, we'll go hit a mural or, or somewhere like Seattle.

Ethan WA (Justin O'Leary) 39:13

Okay, that sounds like probably a good plan.

ND - John WA (Colton Brown) 39:16

I feel like that'd be pretty productive.

39:20

I still think we should carve one or two pumpkins and just drop, drop them off somewhere adversarial, I think that would be funny. I think Thomas would really enjoy that too.

ND - John WA (Colton Brown) 39:29

Do it then, out of 3D stencils?

39:35

Oh, all my stencils have been donated.

ND - John WA (Colton Brown) 39:40

Yeah, get together with Tyler and get some more then. So, yeah, get some pumpkins. We can leave some with like, a banner drop. That'd be really funny. We'll like, hold them and stuff and like, put the candle in them while you film us. And we'll lay them down. We'll do the banner drop and the pumpkin will be in there. I think that'd be kind of cool. I messaged Tyler.

40:15

Will do.

40:21

Do you think we could use special black and orange paint instead of red and blue?

ND - John WA (Colton Brown) 40:29

Um, I was thinking for Christmas, we could all dress up, where I, I dress up as Santa Claus and the rest of you can dress up as like the elves or have just regular Santa hats. And then we'll do a couple of banners with green and red paint. Instead of blue and red. Thomas can still put the blue filter on it, right, and then like just make the red red, you're not going to know right? So I think that'd be pretty fun. I might get a little scolding from him but I think it'd be a little festive and fun.

Ethan WA (Justin O'Leary) 41:07

Yeah, on the white it would look good.

ND - John WA (Colton Brown) 41:09

Yeah, it would look cool. You know, look at these, how are these guys the bad guys, they're literally like dressing up as Santa Claus, they're making festive banners and stuff. I think it'd be great but, we'll get to that in December. But as for this upcoming weekend, yes, I'm gonna try to get Tyler to get that 3D stencil done.

41:45

Okay.

ND - John WA (Colton Brown) 41:49

Maybe I can throw in some 3D stencils in my car and get them to Vincent, something. Figure that out. Later in the week. I told Tyler to make that stencil that has the PF activist's face. We'll recreate like the pumpkins that I had from last year. Cool.

Ethan WA (Justin O'Leary) 42:27

Are you talking about carving pumpkins?

ND - John WA (Colton Brown) 42:29

Yes.

Ethan WA (Justin O'Leary) 42:35

I just carved my pumpkins last night.

ND - John WA (Colton Brown) 42:39

Yeah, but Vincent wants to make some that are very fascist.

Ethan WA (Justin O'Leary) 42:44

I see. I see.

ND - John WA (Colton Brown) 42:45

And leave them on the street for our banners.

Ethan WA (Justin O'Leary) 42:54

With a banner or something?

ND - John WA (Colton Brown) 42:56

Yeah. Vincent can get some shots of us holding the banners and the pumpkins and putting the pumpkins. Leave a couple of pumpkins behind for the banner. You know.

Ethan WA (Justin O'Leary) 43:09

That'd be kind of funny yeah if they were, the Jack-o-lanterns are lit up or something?

ND - John WA (Colton Brown) 43:20

Fashy lanterns. Fashy pumpkins. I wanted to do a pumpkin patch but we just didn't get around to doing it I guess, but it's whatever. A very busy weekend. Okay, we also need to go over banner supply and inventory. I have a 'United We Stand' banner. I have one 'America First' banner.

Ethan WA (Justin O'Leary) 43:47

Yeah, we got one 'America First' and then I have two more 12-by-15 cloth. And I have like a shitload of paint right now. [Baby babbling in background].

44:00

I have a, at least one dropcloth that has not been made into a banner or two banners and I have...

ND - John WA (Colton Brown) 44:05

What size is it?

44:06

It's the the 12-by-15. And then I have four each of the red and blue paint cans.

ND - John WA (Colton Brown) 44:13

Any paint?

44:16

Four each of the red and blue.

ND - John WA (Colton Brown) 44:23

Writing this all down right now. Ethan this is something I want you to keep track of, is supplies and stuff.

Ethan WA (Justin O'Leary) 44:31

I got it written down.

ND - John WA (Colton Brown) 44:32

Cool. So we have one big 'United We Stand' banner in John Washington's possession, one 'America First' in Ethan's possession. Two 12-by-15 cloths in Ethan's possession. Ethan has lots of, one dropcloth 12-by-15 for Vincent, four red and blue spray paint from Vincent. Is there any other supplies I'm missing from anyone else? Does anyone else happen to have a banner or some cloth or paint? Oh okay, I will send this to you, Ethan, on RocketChat. I would like all that material to eventually get congregated in mostly one location. Okay, so that being said, we need to think about places to do banners. So where do you guys want to run around and do all these banners at, do you want to do it...?

Ethan WA (Justin O'Leary) 45:49

We haven't really hit Seattle yet have we?

ND - John WA (Colton Brown) 45:52

It's been a while.

Ethan WA (Justin O'Leary) 45:57

At least not since I joined.

ND - John WA (Colton Brown) 46:00

Okay, so...

Ethan WA (Justin O'Leary) 46:03

Snohomish County was cool but they take them down too fast. They're quick up there.

ND - John WA (Colton Brown) 46:09

Yeah, that was pretty cringe. So let's say, let's do two in Seattle, let's do, I want to carve a line, so like, let's meet up like, Auburn and like, do one like, Federal Way, like, Kent. Maybe it'll be, it'll be like when we did the Bremerton we'll hit like multiple towns like, go go go.

Ethan WA (Justin O'Leary) 47:01

Maybe get out on 405, like Renton or something like that too.

ND - John WA (Colton Brown) 47:08

There's a spot in Renton I wanted to do. So start in like, Federal Way and then go to Kent, Brenton, fuck it, let's get one in Burien. My dad will see it and have a good laugh. Do like two in Seattle. That's 1, 2, 3, 4, 5, that's six banners. I think that's plenty to do in a night. And we will regroup somewhere.

Ethan WA (Justin O'Leary) 47:47

It's seven.

ND - John WA (Colton Brown) 47:48

Gear, gear up...[inaudible] smash out a mural.

Ethan WA (Justin O'Leary) 48:14

Do you have any requests for certain banner slogans?

ND - John WA (Colton Brown) 48:20

Um, yeah. How about a 'Not Stolen, Conquered' one with a 13 star flag. We also need to get like, the smaller banner stencils [inaudible], those medium sized ones cut on a Coroplast. Make them similar to the other ones we had. I'd have to check it out, look at the dimensions. Fuck, we gotta get that done too.

48:59

What about a 'Reject Poison'? I don't think we've done one of those yet.

ND - John WA (Colton Brown) 49:04

Right. I actually have the stencil cut out for that if y'all want to go crazy on some Coroplast. I'll cut out the Coroplast too. Maybe that's a project I can work on throughout the week. I got the 13 star fashy stencil cut out so we can use that for banners and for murals. One that's like two and a half feet by three feet. It's kind of big. Actually, no, this one's a three by four foot, I got the big one then. So that's our inventory of items. And yeah, I have a, I have a bunch of different little arty, art, artsy stencil designs that need to get cut out. I don't have the paper stencils. Right. So.

Ethan WA (Justin O'Leary) 50:01

'Reject Poison', like the little design for putting on a banner, you have that?

ND - John WA (Colton Brown) 50:06

Yes I do need, needs to get cut out. I think Ethan, I need to meet up with you and I will give you the projector I have, the paper stencils I have, and the Coroplast. I'll keep, I'll keep some stuff to work on

as well, it's just difficult doing this stuff at my place. I also don't have much room. Doing it all in my little weightlifting room. But I bought a bunch of sheets of Coroplast like full size ones so we can smash out letter, letter stencils it's expensive by the way and annoying. 'Buy once, cry once' I guess.

Ethan WA (Justin O'Leary) 51:13

Yeah, we'll have to see, we should be able to do 'Not Stolen, Conquered', I have to check that list, see what we already have. I know we don't have an O, but like I said, I can just cover up that little spot on the Q and it should work fine.

ND - John WA (Colton Brown) 51:30

Right. I wish I had one of the posters that had the nations cut out or maybe you could do it by hand. Get like, a marker and try to just draw our nations cut out and then just fill it in with spray paint. Could you do that?

Ethan WA (Justin O'Leary) 51:51

You said our nation?

ND - John WA (Colton Brown) 51:54

Yeah like the the outline of America, you know, that's on the 'Not Stolen, Conquered' sticker, like get a Sharpie out and draw it on to the banner and then um [inaudible] you know?

52:18

Couldn't you just print out any old silhouette of the states and just keep that on the [inaudible].

ND - John WA (Colton Brown) 52:26

Yeah, but you need a pretty big printer for what we want to do

52:40

Or maybe like it, like a US map or something from Goodwill for two bucks.

ND - John WA (Colton Brown) 52:49

Maybe. Alright, um. I think about, that, that about sums it up. So let's try to smash out some banners. I think early Saturday someone should go give him a hand with that. I'll leave that up to you to figure out, um, unless you want to just do it all yourself. But you do have like, Tyler and Vincent [inaudible] not too far away. They can give you a hand.

53:48

Yeah, I can help out.

ND - John WA (Colton Brown) 53:49

I also got school on Saturday morning, I might have to cancel that, I don't really want to, it's between 1 to 3 p.m. Wait, no. Oh no, no, no, that's in November. I should be available to come give you a hand [inaudible] Saturday. Hopefully it doesn't rain but, you know what, even if it's raining, I want to get this knocked out.

Ethan WA (Justin O'Leary) 54:11

You guys get in touch with me and I'll, I'll keep an eye on the weather. I'll try to get some done this week too.

ND - John WA (Colton Brown) 54:22

As for banner designs, so I'll message it to you. 'Not Stolen, Conquered' is one of them. Obviously do like, 'America First' one looked pretty good by the way. I like that, those ones are easy. So make like, like three of those to have.

Ethan WA (Justin O'Leary) 54:50

It's kind of more than two or four kind of thing.

ND - John WA (Colton Brown) 54:54

What was that?

Ethan WA (Justin O'Leary) 54:56

I said it's kind of more like a two or four kind of thing because you know, you just cut a 12-by-15 in half and make two of them.

ND - John WA (Colton Brown) 55:04

Right.

Ethan WA (Justin O'Leary) 55:05

You want four of them, so it'd be five total? Or two and you'll have three total.

ND - John WA (Colton Brown) 55:17

I want to do six total banners whether they're \$18 or \$30.

Ethan WA (Justin O'Leary) 55:22

I know, I'm just saying as for that specific design because I already have one made and then I can make two more, four more. And I'm looking at seven total, two Seattle [inaudible].

ND - John WA (Colton Brown) 55:41

I just sent you a list. Counting my own that makes up six banners. so then you'd have to make two 'America First', one 'Reclaim America' and one 'Not Stolen, Conquered'. For 'Reclaim America', use the [inaudible] fasces.

Ethan WA (Justin O'Leary) 56:11

Use the fasces like on the "United We Stand"?

ND - John WA (Colton Brown) 56:15

Yeah, I have the, I have the fasces 13 Star cut out, it's a little bit different than the United we Stand" one.

Ethan WA (Justin O'Leary) 56:25

Okay, because what do I have, it's like arrows or something and 13 stars...

ND - John WA (Colton Brown) 56:34

Yeah, that's the "United We Stand" one. And we'll just use that. We don't need to use that for any of them. There's always going to be "United We Stand." And I will get you the 13 star fasces banner. I will probably give that to you probably like Tuesday or something. Supposed to be raining for the next couple of days I believe. Fuck. It'll be raining all week and then nice on Saturday. At least where I live. The 13 star star fasces stencil was like, really big and I like to put it like, on the right side of the banner. The little banner I made back in the day, we made a custom chevron and stuff on it and whatnot. It was alright. Yeah that, that stencil all the way on the right, that's the 13 star fasces stencil. And how I usually like to do the banners is have the slogan like, on the left, top left of the banner, read left to right, and then on that bottom right on the, on the pocket on the right you fit the 13 star fasces right there and then put the URL on the bottom. Another design I've also done, this one was big, it was two put together, was how Thomas wanted us to originally do banners. And everyone in the org said that's too expensive, we're not doing that, but it's a big nice looking banner.

Ethan WA (Justin O'Leary) 59:16

How is that like a 30 foot "Reclaim America"?

ND - John WA (Colton Brown) 59:19

Yeah, pretty cool throwing that out over the Portal of Seattle. I don't know if we have any more photos. I stopped logging all the actions we do on my phone for OPSEC purposes. Alright, I'm scouting the #NW8 channel for that certain design. All right. Well, does anyone have any questions, comments or concerns? No questions, no comments, concerns? Alright, then I now officially end this meeting. Feel free to hang out and talk if you'd like but the meeting is now over. You're free to go. Y'all have a good night.

1:01:07

Good night, gentlemen.

Ethan WA (Justin O'Leary) 1:01:10

Good night everybody.

1:01:12

Goodnight everyone.
