

2021-11-23 NW8 Casual Planning Meeting

These recordings were taken by an anonymous source inside of Patriot Front during August to December 2021. Unicorn Riot has produced transcript PDFs, MP3s and videos from this set of recordings. The transcripts and the Mp3s use the same set of timecodes. The main report on our website uses separate timecodes that match our videos, which are lightly edited to remove silence, with an additional introduction and credits.

The .mp3 files (as opposed to slightly shortened videos) represent the uncut documentation of these Patriot Front voice meetings. These uncut audio files have been altered as little as possible in the interests of source protection.

Accuracy of transcripts and speaker identities

Unicorn Riot has done our best to compile transcripts with the most accurate time stamps and speaker identifications possible. Due to the combination of machine transcription and extensive human labor, there may be occasional errors in speaker IDs indicated in transcripts. but we are confident that the vast majority of the speaker IDs and content are correct. Some transcript timestamps are incorrect due to unavoidable issues with using machine transcription at scale, however, the majority are accurate.

Please note that these recordings may include Patriot Front members whose voices were not identified by us. When we were unsure about a speaker's identity we have left that line in the transcript without an assigned name, which machine transcription services usually tag as 'Unknown'. Many Patriot Front members have been identified by researchers, activists and journalists by linking multiple pieces of evidence to online personas.

SPEAKERS

Ethan WA (Justin O'Leary), Tyler WA (James Johnson), ND - John WA (Colton Brown), Kendra Cass (Justin O'Leary's Wife), Clarke WA (Jacob Sundt)

Ethan WA (Justin O'Leary) 00:00

[Inaudible] huh, not even necessarily banned?

ND - John WA (Colton Brown) 00:10

[Inaudible] could be that too, I dunno. Anyhow, so Jack told me that he wants to interview the guy on Friday after [inaudible] in Silverdale but I don't know if the interviewee has responded and Jack hasn't responded to me.

Ethan WA (Justin O'Leary) 00:46

Yeah I reached out to him on RocketChat. I ended up just asking Clarke. Clarke said that, that was their plan was to meet up with him Friday.

ND - John WA (Colton Brown) 01:01

Why do we always get interviewees who are like, not available, it's, I hope this does not continue to be a pattern.

Ethan WA (Justin O'Leary) 01:16

When are you taking off?

ND - John WA (Colton Brown) 01:20

I don't know, I could take off first thing tomorrow or I could just sit around all day tomorrow and enjoy being, having the day off and then leave Thursday morning with my dad. So...

Ethan WA (Justin O'Leary) 01:38

I'll probably get off early tomorrow dude, we could have just shot out over there like tomorrow in the afternoon and done it...

ND - John WA (Colton Brown) 01:47

We can. I was thinking about it. Why do you got Thursday, Friday paid holiday too?

Ethan WA (Justin O'Leary) 01:58

Not paid, but I'm off.

ND - John WA (Colton Brown) 02:04

And what do you, or do you have work tomorrow or is it just a half day?

Ethan WA (Justin O'Leary) 02:10

Usually before Thanksgiving and Christmas it's like, I don't know, I usually get out of there like about lunchtime.

ND - John WA (Colton Brown) 02:22

I am in the wrong industry.

Ethan WA (Justin O'Leary) 02:29

And obviously pay for the whole day.

ND - John WA (Colton Brown) 02:37

Tyler, to answer your question I think an Airbnb of similar size that we used would be a good idea. We probably don't need like, some huge yard or anything but definitely a living room. Hang out, open gifts and stuff and a couple bedrooms. Nice dining rooms, basically about the same size house as last one bigger just in.

Tyler WA (James Johnson) 03:08

In Enumclaw?

ND - John WA (Colton Brown) 03:11

Yeah, I think that'd be a really good location it's just about as pretty as, you know, Derrington. Mountains are a little further away so they're not right there in your face as much but still pretty. I know Leo complained but it, welcome to Patriot Front. We do a lot of driving sometimes.

Tyler WA (James Johnson) 03:34

But he didn't even go.

ND - John WA (Colton Brown) 03:37

He was, he was talk, he wants to come to the Christmas one but then he started bitching when I told him the location even though he has the option to carpool with someone else.

Tyler WA (James Johnson) 03:50

I mean, he could pick the spot and set it up himself if he wants to do it. I'd travel if other people want to do it. I mean, it just, it's a lot of money. That's why I took the lead on it.

ND - John WA (Colton Brown) 04:14

Yeah, Leo was just complaining because he doesn't want to drive an hour and a half or two hours even though all of us did for the last one.

Tyler WA (James Johnson) 04:25

Okay, well he could stay home, I don't care.

ND - John WA (Colton Brown) 04:28

Exactly.

Ethan WA (Justin O'Leary) 04:35

I mean, what are we supposed to do, all, have all of us fucking drive down to Portland or something?

ND - John WA (Colton Brown) 04:41

Yeah, right?

Ethan WA (Justin O'Leary) 04:42

Instead of one guy driving up here?

ND - John WA (Colton Brown) 04:46

He wants it like really down south like near Centralia, but, I don't know, I kind of like the idea of being... [Inaudible] in like, Tacoma or something.

04:59

You want to have a get together in Tacompton?

Ethan WA (Justin O'Leary) 05:03

I just mean the general area.

Tyler WA (James Johnson) 05:07

I mean, I think, I'm happy to travel. I think the idea of doing these get togethers at Airbnbs to go someplace is nice. And if they want to arrange one down south, I'll travel wherever if they will set it all up, you know, I don't care.

Ethan WA (Justin O'Leary) 05:30

Yeah, that's the real kicker, are these guys gonna, you know, do they got a wife or girlfriend that's gonna cook and do all that shit too?

Tyler WA (James Johnson) 05:38

Yeah, I mean, we planned the menu, bought all the groceries, found the place, paid for it, you know. I knew it was going to cost money and, I'm just, I don't care. I just wanted a good place for everyone to be able to hang out and for us to have fun. But uh, you, if he's willing to do that, I'm all for it.

Ethan WA (Justin O'Leary) 06:15

I'll uh, I'll hook it up.

Tyler WA (James Johnson) 06:19

The problem with places like Enumclaw and whatnot is they are more expensive. Like, what I'm seeing now is, for similar size of what we got up in Arlington, that one was only 550 bucks. Whereas if we go to the Enumclaw, it's like 400 a night.

ND - John WA (Colton Brown) 06:43

Damn.

Tyler WA (James Johnson) 06:44

Yeah you get to the cities, man, it's just more expensive, which is why I try to pick more rural places. You get a lot for way less.

ND - John WA (Colton Brown) 06:55

I thought it ended up being a little similar.

Tyler WA (James Johnson) 06:58

No, I mean, there's, okay, so here's a place with a Mount Rainier view, says four bedrooms, seven bath, or four bedroom seven beds, but it's, you know, \$355 a night and that doesn't include cleaning and everything like that. There's always that fee on top, so it ends up being like, you know, if we were to get it for two nights or something, probably like over 1000 bucks.

ND - John WA (Colton Brown) 07:26

Fuck that.

Tyler WA (James Johnson) 07:29

That's just the way that goes when you, you pick the more urban areas dude.

ND - John WA (Colton Brown) 07:34

Whoa, okay, I guess we might have to pick somewhere down in like, Louis County, then, like in Centralia. Depends though. Well, [inaudible].

Tyler WA (James Johnson) 07:54

There's, I mean, we could go over Cle Elum.

ND - John WA (Colton Brown) 07:58

Yeah, I was just thinking that maybe, maybe we could go over the pass and have a spot somewhere look, and then do some, we could probably hit up a banner too, near David's area, that'll make him happy. We really need to get out there and do more stuff in his general area. But it's a, we need to do activism everywhere.

Tyler WA (James Johnson) 08:28

Yeah, it'd be easier if we get more people.

ND - John WA (Colton Brown) 08:35

Anyhow, either Ethan or Vincent, if one of y'all want to meet up tomorrow, I got the bundle of posters. We can get the glue and shit and the shaker and the brushes. Vincent knows how to do all that. So does Tyler and it's pretty fun. We could meet up with the interviewee tomorrow, he said he's available anytime between 1 and 11 p.m. But, I also kind of want Clarke to get some experience with interviewing, but he's also interviewing the Portland guy too. So..

Ethan WA (Justin O'Leary) 09:43

Yeah, and it's not like I've ever done it.

ND - John WA (Colton Brown) 09:46

Right. You haven't either.

Tyler WA (James Johnson) 09:52

Well, yeah, if we're gonna do an interview, we should have someone there that's done an interview before.

ND - John WA (Colton Brown) 10:03

Yeah, that's why I sent Jack to go do it with Clarke because Jack is, I think he interviewed all three of Vincent, Ethan and Clarke. And I've always taken Jack to interviews with me.

10:23

He didn't interview me but I've seen him interview and he's, he's really good at it. I endorse that.

ND - John WA (Colton Brown) 10:30

That's good. I am itching to just drive out there. I mean, I've got to like, pack for hunting and shit. But I suppose I can get up early, do all my responsibilities, go vet, interview the guy, then go home. And then I can leave Thursday morning with my dad. Yeah, gotta drive all the way up to Omak. A bit of a

drive. Or immediately after the interview, I can just drive over there. That way on Thanksgiving morning, I'll be, I'll go out and get the early morning Thanksgiving hunting, which would be cool. Decisions, decisions.

11:42

Yeah, for...

ND - John WA (Colton Brown) 11:46

Go, go, go on.

11:48

Yeah, for for my schedule, the only thing that kills me for tomorrow is that I don't have a half day tomorrow.

11:53

But I do have off on, or at least I'm supposed to have off on Thursday and Friday. I'm doing an interview on Friday.

12:00

But I don't have a half day tomorrow.

ND - John WA (Colton Brown) 12:03

And since I work until 9 p.m., that's gonna kill me in terms of being able to help out with anything for tomorrow.

12:11

But if you're able to pass off the materials to, to Ethan, I can still organize the postering for for this weekend.

ND - John WA (Colton Brown) 12:19

Okay, yeah. I think me and Ethan can go vet guy. The sooner we get guys on the server the better, you know, I mean, the longer they're sitting around waiting, you know, and it looks good. I think yeah, I think just you and me, Ethan, will go interview the guy tomorrow. I'll message him on the vetting server. And I'll message Jack and tell him I'm taking over the interview. I'd say, what time would you want like Silverdale, 2 p.m?

Ethan WA (Justin O'Leary) 13:24

Sorry bro, I just... [inaudible]. I don't know, let me think for a second

ND - John WA (Colton Brown) 13:49

Best place to think if you're in the shower, best thoughts.

Ethan WA (Justin O'Leary) 13:56

Probably more like three o'clock or something? I don't know. I gotta, I gotta hop out and see about drive times and all that shit.

ND - John WA (Colton Brown) 14:27

Time to sit in traffic. That's why I don't do sticker runs after work, because the longer it takes me to get to this exit, the longer I'm sitting at this fucking exit. The Highway 18 on I-90, it's the worst exit ever. You guys still there?

Tyler WA (James Johnson) 15:14

Yeah, I'm just looking at Airbnbs.

ND - John WA (Colton Brown) 15:19

Thanks for doing that. And when you find a good one send me the link. I'll purchase it.

Tyler WA (James Johnson) 15:25

Well, I'll send you this one dude, I mean, this one is still gonna be like 900 bucks for two nights. You wanted two nights, right? Friday and Saturday, or do you just want to do one?

ND - John WA (Colton Brown) 15:33

That is so fucking expensive. I would rather, I would rather tell the Portland guys to figure something else out for themselves while back at [inaudible] Barrington.

Tyler WA (James Johnson) 15:46

If you want to do bedrooms for everyone to stay in and stuff, that's just the way it is, man. This one is in Cle Elum.

Ethan WA (Justin O'Leary) 15:57

How many people even stayed last time?

Tyler WA (James Johnson) 16:01

I mean, people didn't end up staying but they told me they were, so I planned around that.

Ethan WA (Justin O'Leary) 16:14

What was it just Walter and his wife and then...

ND - John WA (Colton Brown) 16:17

Me and David.

Tyler WA (James Johnson) 16:18

Clarke and Jack stayed Friday, David and John stayed Saturday.

Ethan WA (Justin O'Leary) 16:24

Okay.

Tyler WA (James Johnson) 16:25

But I mean, Frederick was going to stay both nights. Johnny was going to stay. Leo was gonna stay, but there was just cancellations at the last minute.

ND - John WA (Colton Brown) 16:35

It's because both Leo and Frederick had car problems. Asked Leo if he is coming for the weekend. And he goes "Whoa, what are you talking about?" I was like, really? Like he forgot. He was like, "Oh, I'm sorry about that. I scheduled an appointment for my, my truck in the shop." Like really? There really isn't a shovel emoji? What the fuck? Oh well, pickaxe will work. So what's your plan for the weekend, Vincent, regarding posters?

17:35

Well, I sent you some of the details over, over RocketChat.

ND - John WA (Colton Brown) 17:38

But there are a few utility boxes that I've seen in West Seattle that have, I'm pretty sure George Floyd, I've at least seen one with Breonna Taylor.

17:52

I think there's one with like, Assata Shakur or somebody like that.

ND - John WA (Colton Brown) 17:56

But there's a few of those utility boxes around west Seattle. So I'm going to scout those out. I'm going to do some measurements to see what those are.

18:03

So if you have measurements of what the posters are, I can see, see what fits what.

ND - John WA (Colton Brown) 18:07

But I think west Seattle is probably a good place to hit and there's some, there's some regular utility boxes. And there are some oppositional utility boxes as well. We have a variety of sizes to work with, from small to big big. Yeah, that's what I was thinking as well. I figured I'd just measure it out just so I know before I get there, which ones I may need on hand. Otherwise, there's also some graffitied jersey barriers that I think would be fun to cover up if we if we bring stencils. What's jersey barriers?

18:42

I think that's what they're called. They're the, they're the like, they're like cement [inaudible] blocks.

ND - John WA (Colton Brown) 18:50

They're the, the, the shorter cement blocks that you see on the side of the highway. Okay.

18:59

There's...

ND - John WA (Colton Brown) 19:00

Didn't you see some boxes in like, Burien or something, or SeaTac? Somewhere other than Seattle, I thought I remember hearing you saying that we have electric boxes with BLM stuff.

19:20

Maybe you're thinking White Center, but that's still, that's still basically Seattle I think yeah.

ND - John WA (Colton Brown) 19:26

Yeah, yep, White Center.

19:28

Yeah, that's basically right next to west Seattle or even part of west Seattle.

ND - John WA (Colton Brown) 19:48

Your judgment, um, I don't know if we really need to poster that late into the night. I've done poster-ing just right when it gets dark. It depends on the area. I did a bunch of posters near Sammamish, Redmond, that general area Duvall, Fall City at night no problem, you know, you just walk up, slap it up. Even when cars drive by, but just never ever do it in front of a cop and most likely someone in the car that sees you do it isn't gonna do anything if there's multiple of you, you know. It's just like, never let someone get your license plate when you go out, but you guys all know that. But generally, rule of thumb, whenever I do an action I like to do it when there's like no eyes on me at all, you know, like you just walk down the street kind of slowly, wait until there's no traffic on both ends, and slap the poster up real quick. Yeah, I need to drive by again because I think one of the boxes I want to hit is pretty close to where the bars are. So that's going to be, be one indicator if it's if it's doable during the day or not. Or maybe we just skip that and target some other ones. Yeah, if, if that's too late and doesn't work for guys, definitely just find regular electrical boxes in places we haven't really done any activism in yet, you know, like, I'm trying to think. Where do we need a guy at, where do we need a guy? I would love to have another guy in the Federal Way, Auburn, [inaudible] area. South King County would be, would be cool.

Ethan WA (Justin O'Leary) 22:18

Yeah, ,ore just central, the network area guys. I mean, it's great wherever they are, but I'd prefer they be around us.

ND - John WA (Colton Brown) 22:26

It's like we're a big circle around like, Federal Way. Kinda funny. I want to make a book of like, locations for posters and for banner drops and like, just make a PDF of like, all of western Washington and have it so it's like, "oh, where do we want to do a banner drop", alright flip to banner drop page, boom. Here's like eight different locations in this one town. You know? If and when I have time to sit on a computer and make a PDF I'm definitely going to do that. That'd be so cool. I'll title it Activism 101 by John Washington.

Tyler WA (James Johnson) 23:25

Well, you've been keeping track of everywhere we've dropped, haven't you?

ND - John WA (Colton Brown) 23:29

Yeah, but like, you know, what if I die in traffic today and like all those good spots are lost for them to time, you know?

Tyler WA (James Johnson) 23:40

Yeah, I think putting up a spreadsheet or something and then logging the dates that we dropped it would be good.

ND - John WA (Colton Brown) 23:47

I mean, in my notes on my phone, I have like all those little action plans I make. I have all those saved and I even have ones from, you know, over a year ago saved on there. And like, the first time we did seven banner drops in a row, I have all those spots and it's all outlined with the parking addresses and pictures, photos, details, all that right there. The Oregon trip, when we went and we tried to sticker 70 towns while going down the Highway 101 and then, and then interviewing a couple guys in Oregon, I have that still saved with parking for each town. Like, one afternoon I really sat down and planned out parking for like 69 spots that would be safe for, you know, parking and then walking out a few minutes away and then stickering. I kind of miss that, honestly, that was like, my funnest form of activism, was just having six boots on the ground and then like, throwing up flyers and stickers everywhere, and then you drive out of the town and you see our our propaganda literally everywhere all over the town. But the big action main page stuff has been working. The Portland guy said he saw the banner drops we did in Portland and he's been thinking about it, made him apply. This other guy, he saw our banner drops we did in Silverdale and Bremerton and it made him apply, so it worked. My hypothesis is, has been, so far it's become true. Another place we can also get some, need some posters and banner drops in is probably like Issaquah, Brenton area, we haven't really done a whole lot in Issaquah in a while. It's a bit of a smaller town and the cops are kind of gay so, you know, don't do anything in front of a cop, you know, that's a given.

Ethan WA (Justin O'Leary) 26:15

What do you know about this guy on the peninsula?

ND - John WA (Colton Brown) 26:21

I have his notes.

Ethan WA (Justin O'Leary) 26:25

Yeah, cause you're, you're reading all this stuff about the Portland guy but I don't remember hearing anything about the other guy.

ND - John WA (Colton Brown) 26:42

He's 22. That's all I remember. So I changed my oil in my truck at 11 o'clock last night. Got like five hours of sleep. I'm fucking beat. But somehow I managed to strip the bolt on my drain plug. I have never stripped anything before ever other than a girl and myself. But god damn it. And then my dad starts fucking yelling at me. But then he stopped and then he was like, you know what? I'm not going to be mad. I've done way stupider shit.

Ethan WA (Justin O'Leary) 28:05

What did you do, use an impact?

ND - John WA (Colton Brown) 28:08

No, I used a fucking regular wrench dude, I'm just fucking Hulk Hogan, I guess. It slipped and I didn't have a good grip on it and then I just shredded the shit out of it because it wasn't on there solid. And I was using a 12 point side [inaudible] so [inaudible] truck sounds way better. 10,000 miles, no oil change [inaudible] it was bad. Anyhow the guy's 22, [inaudible] the peninsula.

Ethan WA (Justin O'Leary) 29:08

You're cutting out.

ND - John WA (Colton Brown) 29:09

Took him a week to get his interview.

Ethan WA (Justin O'Leary) 29:12

I heard that.

ND - John WA (Colton Brown) 29:17

He's not religious.

Ethan WA (Justin O'Leary) 29:29

Nope.

ND - John WA (Colton Brown) 29:29

He says he's fairly fit.

Ethan WA (Justin O'Leary) 29:46

All I got so far was 22, week for an interview. Fairly fit.

Tyler WA (James Johnson) 29:56

I sent you a couple Airbnbs. I think the one in Cle Elum is going to be the best. If you do decide to look around for yourself. just keep in mind that if you want my girlfriend to cook, you need to find a place with a full kitchen.

Ethan WA (Justin O'Leary) 30:15

And what, we're doing Cle Elum for the Idaho dudes, shorter trip for them?

ND - John WA (Colton Brown) 30:24

Yeah, that'd be convenient.

Tyler WA (James Johnson) 30:30

It's reasonably priced, this place can accommodate 11 guests, it has five bedrooms, seven beds, full kitchen. You know, the full, check in the 17th, check out the 19th, it would be 944 bucks.

ND - John WA (Colton Brown) 30:48

I'd rather just have it in a park than do that.

Tyler WA (James Johnson) 30:52

Well, what's your, I mean what's the maximum you're willing to spend, dude?

ND - John WA (Colton Brown) 30:58

The same as last time.

Tyler WA (James Johnson) 31:01

Well, that, that one was that BnB alone was \$550 but if you really want that, then we, I don't know, we probably got to look other places.

ND - John WA (Colton Brown) 31:13

We could just do the same one. The official hate Airbnb.

Tyler WA (James Johnson) 31:22

I can look at some other ones in the area or around Granite Falls and whatnot. I just, yeah.

ND - John WA (Colton Brown) 31:34

Or maybe I'll tell my dad to get out of the house for the weekend. We'll all go to my house.

Ethan WA (Justin O'Leary) 31:39

That's a good idea.

ND - John WA (Colton Brown) 32:02

Except I don't know how he'd feel about friends coming over. I used to hang out with a bunch of drunks and idiots so he's probably going to expect like a fucking huge mess. But I could try, I could ask, fuck it.

32:22

I think our group would...

ND - John WA (Colton Brown) 32:22

My house would be decent for everyone, I trust y'all. I think a group like ours could leave it cleaner than, than it was before. I think it'd probably make a good impression.

Ethan WA (Justin O'Leary) 32:36

Yeah.

ND - John WA (Colton Brown) 32:48

East of the mountains would work too, because my girlfriend would definitely be able to attend, seeing as it would be close to her and she would not have to worry about slipping off the road again on the pass.

Tyler WA (James Johnson) 33:13

So, like Leavenworth?

ND - John WA (Colton Brown) 33:22

I'd be open to that, that'd be cool.

Tyler WA (James Johnson) 33:24

Well you're not gonna find anything cheap there. Oh yeah, probably right but... So unless everybody's willing to kick in like 150 bucks, you know.

ND - John WA (Colton Brown) 34:19

So they released the [inaudible] Network Directors to look over it to make sure that all the faces are blurred [inaudible] sent to me and said...

Tyler WA (James Johnson) 34:40

You're cutting out a bunch. I couldn't really understand you.

Ethan WA (Justin O'Leary) 34:47

Sounded like they released the action report to Network Directors to verify faces or whatever.

ND - John WA (Colton Brown) 35:05

And Lawrence said that it's pretty much the Washington....

Ethan WA (Justin O'Leary) 35:15

All I caught was something about Washington, Lawrence said it was....

ND - John WA (Colton Brown) 35:40

Also another idea for.... I'm gonna guess it's not just me, but you are cutting out super bad, John.

Tyler WA (James Johnson) 36:14

I didn't catch any of that.

36:16

Sounds like a drum performance.

ND - John WA (Colton Brown) 37:50

Highway eight... Hello? hello? Can you hear me? Hey niggers.

40:34

Loud and clear boss.

Ethan WA (Justin O'Leary) 40:39

What's up south boss.

ND - John WA (Colton Brown) 40:43

What's poppin'?

Ethan WA (Justin O'Leary) 40:47

Oh, just hanging out. Got my little boy here with me, he's listening in on the call.

Tyler WA (James Johnson) 40:59

Say hey to the Missus.

Kendra Cass (Justin O'Leary's Wife) 41:03

Who is that? Oh, hi Tyler.

Tyler WA (James Johnson) 41:09

Hello. I hope you're gonna make it to the Christmas meetup. My girlfriend would really like to hang out with you.

Kendra Cass (Justin O'Leary's Wife) 41:17

Yeah, we've been chatting.

Tyler WA (James Johnson) 41:20

Good. Glad to hear that.

Kendra Cass (Justin O'Leary's Wife) 41:24

I'll talk to her about food so she doesn't feel overwhelmed like, you know, on Thanksgiving.

Tyler WA (James Johnson) 41:29

Yeah, I haven't even really mentioned any specifics to her yet, but uh, yeah. Yeah two can definitely tag team that.

ND - John WA (Colton Brown) 41:37

She'll probably like ask you six million questions, like...

Tyler WA (James Johnson) 41:40

Well, she will ask me 6 million questions as soon as we figure out where we're gonna go.

41:49

Okay, may, there'll be questions, but 6 million?

Kendra Cass (Justin O'Leary's Wife) 41:56

Are you guys chill with Italian food or are you big on like, meat? Not like, you know, soup, pasta.

Tyler WA (James Johnson) 42:06

I love Italian food.

ND - John WA (Colton Brown) 42:09

We'll see if you can make better chicken fettuccine than me. It's my favorite dish.

Kendra Cass (Justin O'Leary's Wife) 42:16

I was going to do a red lasagna and then stuffed shells with like a cream sauce. Like, make a lot of both. And like Caesar salad, and then homemade breadsticks.

ND - John WA (Colton Brown) 42:28

That sounds good.

Tyler WA (James Johnson) 42:30

That sounds really good.

42:31

That sounds real good.

Kendra Cass (Justin O'Leary's Wife) 42:35

Cool cool cool, sounds great.

ND - John WA (Colton Brown) 42:41

I think this is the first time we've ever had a female on Mumble before.

Ethan WA (Justin O'Leary) 42:46

Uh oh, breaking the rules.

ND - John WA (Colton Brown) 42:49

Maybe, I don't know. I sent you another Airbnb link, John. This one is up right by where we stayed before. Part of the problem is is also being able to book places right now. I mean, this is the holiday season so they get snatched up pretty quick but this one is bigger than where we stayed at, but it's like, right by it. Okay, I will look when I get home, I'm still driving.

Tyler WA (James Johnson) 43:34

All right.

ND - John WA (Colton Brown) 43:35

I'm so sick of driving. I'm so glad I have a five day weekend. Oh my god.

Tyler WA (James Johnson) 43:47

Are you off tomorrow?

ND - John WA (Colton Brown) 43:49

Yeah, I told my boss I'm not working tomorrow. I told him I'm going deer hunting. I want this, I want the day off. I got, I got Thursday and Friday paid holiday. So lucky me. Hey, Clarke are you there?

44:28

That's sick the five day holiday there.

Ethan WA (Justin O'Leary) 44:35

Probably thought no one could hear him, oh there he is.

ND - John WA (Colton Brown) 44:40

Clarke are you there?

Clarke WA (Jacob Sundt) 44:42

Yeah, I'm here.

ND - John WA (Colton Brown) 44:45

Hey, so me and Ethan were kind of thinking about interviewing that guy tomorrow afternoon and then after the interview, I'll just drive straight to Omak.

Clarke WA (Jacob Sundt) 44:58

Yeah, so like, it's kind of a blessing and a curse. I was late one too many times to work and they're like, "Yeah, we're gonna suspend you for three days." So I'm not working today or tomorrow. So I can, I'm kind of free all day tomorrow. [Inaudible] I have an interview at 2 p.m. but after that, that'll probably last no more than an hour.

ND - John WA (Colton Brown) 45:22

Job interview?

Clarke WA (Jacob Sundt) 45:24

Yeah.

ND - John WA (Colton Brown) 45:25

Okay, yeah after that, yeah. Probably around 3 or 4 in Silverdale. I'll have to get ahold of Jack and the interviewee and make sure that's cool with both of them.

Clarke WA (Jacob Sundt) 45:44

Alright, that sounds great. I'd much rather do it tomorrow than Friday.

ND - John WA (Colton Brown) 45:50

You're probably gonna want to do it later with traffic.

45:52

Because that's when traffic gets worst around Tacoma [inaudible] area getting over towards over, over to Kitsap. Unless you're taking the ferry.

ND - John WA (Colton Brown) 46:55

I tried calling Jack and his phone went straight to voicemail.

Clarke WA (Jacob Sundt) 47:02

Yeah, he hasn't been replying to me on Telegram since like halfway through yesterday. I'm not sure what's up with him.

ND - John WA (Colton Brown) 47:11

Maybe him and Marcus got banned from going out. Alright, I messaged the interviewee, just waiting on a response from him, but considering he was already scheduled to be interviewed on the weekend he probably won't even bother opening up RocketChat till close to then, so, we'll see if he responds.

Clarke WA (Jacob Sundt) 48:12

I know I was opening that thing like every hour I'm like, I cannot miss out on any information in case this changes.

ND - John WA (Colton Brown) 48:20

Yes, you see this is why we call them nigger-viewees.

Ethan WA (Justin O'Leary) 48:30

Go ahead.

ND - John WA (Colton Brown) 48:33

What, Ethan?

Ethan WA (Justin O'Leary) 48:35

Oh, I was just gonna say yeah, I was kind of checking it kinda often too, because it's weird, cause, you know, you're on some weird platform and you, like, don't really get notifications and stuff and you're trying not to miss out.

ND - John WA (Colton Brown) 48:48

I remember Leo, Leo's interview. He like, ghosted us for like, a while on the server and then finally replied and then like, didn't say shit, like, the day of his interview. And then I was like, dude, this guy's gonna suck so hard. Like, if he passes his interview, and then right after he passes his interview he's like, super active and super talkative and stuff [inaudible].

Clarke WA (Jacob Sundt) 50:04

Absolutely.

Ethan WA (Justin O'Leary) 50:17

What did you say Clarke? Absolutely?

Clarke WA (Jacob Sundt) 50:20

Yeah, I don't want to insult Optimus Prime over here.

Ethan WA (Justin O'Leary) 50:36

Oh, my boy just hit himself in the head.

Clarke WA (Jacob Sundt) 50:41

Yeah, you don't want to do that kid, that's, that's not, that's not, that's not the plan, that's not the game.

53:12

Okay I'm gonna drop off. I'm going to be up all night doing work.

53:15

And this is very much distracting me. So yeah, I guess if we get those poster supplies, I'll probably check in with you later, Ethan, to see what we got.

53:25

If there's anything I need to pick up in terms of brushes or anything. I have a lot of gloves.

53:30

So we should, we should be good on that.

53:32

But I'll just check in with you later and if people are available for this weekend, great. But I will talk to you all later.

Ethan WA (Justin O'Leary) 53:41

I'll, I'll get those from boss man before it takes off and then yeah, I'll keep in touch with you.

53:46

Cool.
