

To whom this may concern

My name is Trevor A. Crawford and I am currently incarcerated at M.C.F. Faribault. This statement is addressing the credibility of the initial statement given by myself, and Maynard R. Cross to the South St. Paul Police Department in reference to a robbery and Homicide that took place in 2002. The letter that I wrote to Phillip R. Vance stating the facts and grounds on which the statements against him were "derived" by Maynard R. Cross are false, but was used by Mr. Cross as a rouse to get a time reduction off the current life sentence he is serving. I went along with it as a favor to help Mr. Cross out, but used my better judgement because it was the wrong thing to do to an innocent man. I was forced to make a statement by the police, because they threatened to involve my older brother. I was not forced to write this statement, I am simply doing it because it is the right thing to do.

Sincerely yours,  
Trevor A. Crawford
