Good afternoon,

Great job last night and thank you for everyone's willingness to attend. We are starting next week officially at 6 PM. IF you would like to come earlier around 5:15 PM or so, the range will be open and you will be able to use our firearms a bit more. Please wear street clothes and dress for the weather. We will provide hearing and eye protection. Please leave any personal weapons in your vehicle because they are not allowed to be on the range and cannot be fired on the range. For your awareness, I have attached the medical routes in the event an emergency would arise. We want everyone to have a safe and enjoyable experience, and look forward to seeing you there.

Lastly, I will look further into the details next week of ordering the polos so we can hopefully have those well in advance of graduation.

Have a great weekend. Thank you,
