It was a pleasure talking to you. As I indicated Homeland Security Investigations(HSI) is graduating its first Citizens Academy class of 10 stakeholders in Austin. The class has been exposed to investigations by HSI such as human smuggling and trafficking, cybercrimes, weapons, drugs and bulk cash smuggling, intellectual property rights and forensics as well as our other programs. Our class consists of a couple of reporters: (b)(6); (b)(7)(C) from ABC News, (b)(6); (b)(7)(C) from NPR; 3 congressional staffers – one from Senator Ted Cruz, one from Congressman McCaul and one from (b)(6); (b)(7)(C) a community liaison from Austin PD, a CIO from Austin Regional Center, a representative from YETI, and a tech consultant. This Saturday is the final class day and the students will be at the shooting range and will get an opportunity to see first-hand what our agents need to do to qualify and be proficient in their duties.

SAC (b)(6); (b)(7)(C) would like to invite Governor Abbott as the keynote speaker for our graduation next Wednesday, October 30<sup>th</sup>. Please let us know if he is available or the Lt. Governor Dan Patrick since they are very supportive of law enforcement and ICE. We look forward to hearing back from your office. Thank you.
