Good evening!

Tomorrow's firearms training will take place the Seattle Police Department Athletic Association located at (b)(6); (b)(7)(C) in Tukwila, WA. I am attaching directions from last week's safety briefing in case anybody has issues with their GPS. HSI Citizens Academy Staff will be available to assist you with parking.

The safety briefing will begin at 3:00 PM. If possible – try to arrive between 2:30 and 2:50. If anybody is running late, let me know and we will meet you and get you caught up so you can participate fully in the training as soon as you arrive.

A reminder to wear weather appropriate clothing and closed toed shoes (hiking boots are ideal). We will provide hearing and eye protection.

Once we complete the firearms training – we will break for dinner before resuming with the rest of the evenings activities.

As always – call if there are any issues!
