I was Advised by Sgt M.Kjos to head to 3300 Lyndale Av N and assist on a homicide. I arrived and spoke to Sgt A.Kjos and she advised me to assist squad 430 at 3343 6st n. I was position in the rear of the address with Officer Becker when Officer Rollins asked if I could come down the alley to assist in searching a house. Officer Rollins and I searched 3315 6th st and found the basement and first floor empty. When we reached the second floor there was a tenant living there. We found nobody else inside. I then went back to the rear of 3343 6st n until I was released by 406.
