
SUPPLEMENT OF FORENSIC SCIENTIST M.P.CALISTRO OF THE MINNEAPOLIS POLICE DEPARTMENT CRIME LAB

On 05/20/2004 I was requested to assist in video taping a line up at the Hennepin County Juvenile Center. I arrived at the center and met with Sergeants D. Mattson and M. Keefe of the Homicide Division. I was directed to a room and set up my recorder and tripod.

I video taped this line up and have made two copies for future investigation of this case. The original will be kept in our division small evidence files.
