SUPPLEMENT OF SGT. MATTSON  
CCN 04-117071 ON 6-18-04

On 6-17-04, I received a phone call from Witness "D" at HCJ. Witness D told me he had gone to court earlier this week (without input from the county attorney), and through his own attorney (PD Craig Boone) had settled his case. Witness D said he did not wish to testify anymore. Witness D told me he was sentenced to 90 days and work release which was less than he said he expected.
