On the morning of 10-19-04 I once again searched the MPD computer data base for a juvenile black female by the name of "Jennifer." While searching the database I noticed an address on FERRANT PLACE came back to a "Jennifer." I use to work in North Minneapolis as a patrolman and I recognized this as an address behind the BROADWAY LIQUOR OUTLET. Isiah HARPER told me on 05-28-04 that he went to Jennifer's house, behind the BROADWAY LIQUOR OUTLET, after he left Muffy's house on 05-16-04. The Jennifer on FERRANT PLACE was Jennifer Lynn COLEMAN, [REDACTED] 87. Further checks revealed that COLEMAN was currently in the Lino-Lakes Juvenile Detention Center. I went to Lino-Lakes and interviewed COLEMAN. See supplement #61. Note: After talking to COLEMAN she told me to check with Jyssica WARFIELD & Ashley TOTEN for further information about Little Marvin.

After talking to COLEMAN I tracked down her friend, Jyssica Ann WARFIELD, [REDACTED] 88. I found WARFIELD at the CROSSROADS HIGH SCHOOL in Fridley, MN. WARFIELD admitted Little Marvin told her he killed an old white man in the FLOWER SHOP one day as they walked past the store. I then showed her three photos of JERRY'S FLOWER SHOP and she confirmed this was the store she walked by when Little Marvin made the remark. WARFIELD signed the back of all three photos, but when I pulled out my tape recorder she said she was very high at the time and could not be positive. WARFIELD was shown a photo lineup of MARVIN HAYNES and she said she could not identify HAYNES.

Finally, after talking to COLEMAN I located Ashley TOTEN in Plymouth, MN. See supplement #62

The photo lineups, tapes, and FLOWER SHOP photos were inventoried as evidence.
