

2021-08-22 Mumble Call

These recordings were taken by an anonymous source inside of Patriot Front during August to December 2021. Unicorn Riot has produced transcript PDFs, MP3s and videos from this set of recordings. The transcripts and the Mp3s use the same set of timecodes. The main report on our website uses separate timecodes that match our videos, which are lightly edited to remove silence, with an additional introduction and credits.

The .mp3 files (as opposed to slightly shortened videos) represent the uncut documentation of these Patriot Front voice meetings. These uncut audio files have been altered as little as possible in the interests of source protection.

Accuracy of transcripts and speaker identities

Unicorn Riot has done our best to compile transcripts with the most accurate time stamps and speaker identifications possible. Due to the combination of machine transcription and extensive human labor, there may be occasional errors in speaker IDs indicated in transcripts. but we are confident that the vast majority of the speaker IDs and content are correct. Some transcript timestamps are incorrect due to unavoidable issues with using machine transcription at scale, however, the majority are accurate.

Please note that these recordings may include Patriot Front members whose voices were not identified by us. When we were unsure about a speaker's identity we have left that line in the transcript without an assigned name, which machine transcription services usually tag as 'Unknown'. Many Patriot Front members have been identified by researchers, activists and journalists by linking multiple pieces of evidence to online personas.

Robot voice 00:00

You joined meeting room number two.

Alexander OR (Richard Flannery) 00:03

I believe, I believe Frederick and Leo won't be able to make this, I think they're doing the interview today.

Jack WA (Matthew Clement) 00:12

Yeah I was chatting with Leo, I think he's doing that, yeah.

Alexander OR (Richard Flannery) 00:15

Yeah.

Jack WA (Matthew Clement) 00:38

Alright, couple more minutes [inaudible] everybody [inaudible]

Alexander OR (Richard Flannery) 00:41

Does anyone, anyone else have the issue of the PNW general chat not wanting to appear on my desktop?

ND - John WA (Colton Brown) 00:50

Yeah, so what's going to happen is we're going to have to just delete the channel entirely and then create something different with a different name because actually, you can change owners of group chats, you don't need to delete it. And what happened was we deleted the chat and then it stayed on desktop and then we made a completely new chat on mobile. [Laughs]

Alexander OR (Richard Flannery) 01:12

Yeah, I remember [inaudible]

ND - John WA (Colton Brown) 01:13

There's some conflict, there's some conflict going and there's no fixing it, I asked the tech team, and they're like this got the name and make a new channel. It's stupid, it's gay. But, yeah.

Alexander OR (Richard Flannery) 01:28

Just call it the PNW return or something like that. I don't know.

ND - John WA (Colton Brown) 01:32

I'll probably just do two underscores or something.

Alexander OR (Richard Flannery) 01:35

Yeah, reclaim the PNW. Heh.

ND - John WA (Colton Brown) 01:40

Or PNW_general2.

Alexander OR (Richard Flannery) 01:43

Oh, that would actually be very smart.

ND - John WA (Colton Brown) 01:47

That way people won't get mixed up, they're like, [switches to antisemitic mock Jewish accent] "Oh I keep using this channel and it doesn't work", because we have a new one. How's everyone's weekend? I take it y'all had a fabulous weekend?

Alexander OR (Richard Flannery) 02:04

Not particularly.

Jack WA (Matthew Clement) 02:05

Not very productive.

ND - John WA (Colton Brown) 02:07

Not very productive, huh? Why?

Jack WA (Matthew Clement) 02:10

Not for me, not too much.

ND - John WA (Colton Brown) 02:11

What got done, what got done activism wise when I was, I was gone this weekend? What'd you guys do?

Alexander OR (Richard Flannery) 02:20

I, um, I was on the Oregon coast and I, uh, put some stickers up in a, uh, in one town, was going to do two but, uh, it was really [inaudible]

ND - John WA (Colton Brown) 02:31

You got your one action a week done, I'm very proud of you. Where's everyone else at?

02:39

[Inaudible]

ND - John WA (Colton Brown) 02:39

Very cool, I saw that. If, I also went over that banner drop location, David, and, uh, I think it's doable, but we definitely want a big banner. I didn't really scout it though. I just drove under it and looked at it. Grant Washington does not come to this Mumble meeting, I'm probably just removing him. What's up Tyler?

Tyler WA (James Johnson) 03:26

Yo, what's going on guys.

ND - John WA (Colton Brown) 03:28

What'd you, what did you accomplish this weekend?

Tyler WA (James Johnson) 03:33

This week?

ND - John WA (Colton Brown) 03:35

Weekend.

Tyler WA (James Johnson) 03:37

Went up to [inaudible] and poked around a little bit, uh, haven't got much else done. I'm trying to get my 3D printer up and going again but we've done a new [inaudible] that was supposed to be here yesterday but it's been delayed.

ND - John WA (Colton Brown) 03:54

But stencils and stuff. Did you work on those?

Tyler WA (James Johnson) 03:58

I gotta go get the Coroplast but I'm gonna, I'll go pick some up tomorrow and then work on tracing out that uh, 'two parties, one tyranny' one.

ND - John WA (Colton Brown) 04:12

Finish the other big banner letters, actually prioritize those, that way we can make a banner that says something other than 'Reclaim America'.

Tyler WA (James Johnson) 04:20

What letters do we need? Just send me a list of the letters that you still need and I'll start working.

Jack WA (Matthew Clement) 05:04

Did everybody mute or is it just me?

05:07

Just you, man.

05:10

Tyler, there's a list in NW8. The letters that, looks like we need a P, D, G, J and O, P, V, if you go back a couple of days you'll see that list.

Tyler WA (James Johnson) 05:23

Oh I see it okay, uh, what was it, three sheets of Coroplast for that?

Alexander OR (Richard Flannery) 05:36

Leo, how'd the interview go?

Leo OR (Casey Knuteson) 05:47

Uh it went well, sorry I'm making dinner. Yeah, it went good, the guy seems legit.

Alexander OR (Richard Flannery) 05:54

Awesome.

ND - John WA (Colton Brown) 06:01

Okay. All right. So I'm going to go up and down the list and you guys are going to answer with either yes or no. And I'm going to ask you if you did an action since our last meeting. Alexander.

Alexander OR (Richard Flannery) 06:20

Yes.

ND - John WA (Colton Brown) 06:21

Brandon California.

Brandon CA (Alexi Guthrie) 06:27

I wasn't at the last meeting.

ND - John WA (Colton Brown) 06:30

Did you do an action this week?

Brandon CA (Alexi Guthrie) 06:33

No, there has not been an action this week outside of stickering.

ND - John WA (Colton Brown) 06:36

Okay. Okay, Brandon. Oh, so you did do an action, very good. Okay, David.

David WA 06:42

Yes.

ND - John WA (Colton Brown) 06:43

Ethan.

Ethan WA (Justin O'Leary) 06:45

Yes.

ND - John WA (Colton Brown) 06:46

Jack.

Jack WA (Matthew Clement) 06:47

Yes.

ND - John WA (Colton Brown) 06:48

Leo.

Leo OR (Casey Knuteson) 06:53

Yeah.

ND - John WA (Colton Brown) 06:54

Marcus. Marcus Washington.

Marcus WA/ID 07:05

[Inaudible]

ND - John WA (Colton Brown) 07:05

I'm gonna take that as yes. Travis California. Did you do an action this week? Yes or no?

Travis CA 07:13

Yes, I did.

ND - John WA (Colton Brown) 07:19

Tyler Washington.

Tyler WA (James Johnson) 07:23

Yeah dude, you were with me.

ND - John WA (Colton Brown) 07:24

Vincent Washington?

07:26

Yes.

ND - John WA (Colton Brown) 07:28

Walter Oregon.

Walter ID 07:31

No.

ND - John WA (Colton Brown) 07:32

No? Oh. You're the only no. Uh oh. Uh oh, shame. Shame. Shame. Get out there, get something done. Hey, you're not Walter, Oregon anymore. Your name's not right.

07:48

Yeah yeah yeah, we gotta get Thomas to change it.

Walter ID 07:50

In fairness, I did do over 90 edits for the photo editing team, so.

ND - John WA (Colton Brown) 07:56

Okay, then you did an action. Very good. Very good. Thank you. Thank you. You did something, you contributed.

Brandon CA (Alexi Guthrie) 08:03

We're talking about individual actions then, where I thought you were talking about my network.

ND - John WA (Colton Brown) 08:08

Doesn't matter if you did activism, photo edit, whatever, that counts as an action. We have a minimum of doing one action a week.

Brandon CA (Alexi Guthrie) 08:16

Well, my sticker run is tonight after work. So technically, it's not done yet.

ND - John WA (Colton Brown) 08:22

Gotcha. Okay. Um. Okay. Moving forward. Attendance for the hike. Who is, who is going? I'm gonna go top to bottom just...

Leo OR (Casey Knuteson) 08:37

Hey, guys. Hey, guys. My boss is calling me, I gotta exit for a minute.

ND - John WA (Colton Brown) 08:42

Good. Um, tell him your other boss said to hurry up. Alright, Alexander, yes or no, attending the hike?

Alexander OR (Richard Flannery) 08:52

Yes.

ND - John WA (Colton Brown) 08:58

Brandon?

Brandon CA (Alexi Guthrie) 08:59

Of course.

ND - John WA (Colton Brown) 09:01

[Inaudible] everyone say hi to Brandon. David? David?

David WA 09:05

Yes.

ND - John WA (Colton Brown) 09:07

David, always reliable. You're the man. Ethan yes or no?

Ethan WA (Justin O'Leary) 09:12

Yes.

ND - John WA (Colton Brown) 09:15

Can't wait to meet you. Jack?

Jack WA (Matthew Clement) 09:17

Yes.

ND - John WA (Colton Brown) 09:20

Better be there. Alright, John, John Washington, John is going, yes, put John down. John, Johnny boy, John Walker. Marcus. Marcus, Marcus, Marcus. You're going, yes or no?

Marcus WA/ID 09:32

[Inaudible]

ND - John WA (Colton Brown) 09:38

Beautiful, beautiful. Oh glad, can't wait to see you again, those, uh, big packs you got there. All right, Travis, California, yes or no? Are you going? Travis California?

Travis CA 09:56

I don't know anymore, I'm still trying to figure it out.

ND - John WA (Colton Brown) 10:01

Give me an answer by tomorrow.

Travis CA 10:06

Okay, all right. Yeah.

ND - John WA (Colton Brown) 10:10

All right. Who's next, Tyler? Tyler, you're coming right? Yes, yes, he is. You better be there. I will drag you there. Vincent. You're going?

10:19

Yes.

ND - John WA (Colton Brown) 10:23

Walter, Walter's not going.

Walter ID 10:26

No I'm not.

10:28

[Inaudible]

ND - John WA (Colton Brown) 10:33

That's only a small amount of people. I need to go chase down everyone else who is not coming. I did get some messages on the server. Oh, uh, Frederick is coming, correct? Alexander? Do you know if he's coming?

Alexander OR (Richard Flannery) 11:06

I'm sorry. I was in the middle of a phone call. What did you say?

ND - John WA (Colton Brown) 11:08

Frederick is coming?

Alexander OR (Richard Flannery) 11:11

Yes, yeah, Frederick's coming.

ND - John WA (Colton Brown) 11:12

Why is he not here?

Alexander OR (Richard Flannery) 11:14

Um, he's probably driving down to his house after the interview.

ND - John WA (Colton Brown) 11:18

Oh, okay. Um...

Jack WA (Matthew Clement) 11:21

I'm pretty sure George is coming too.

ND - John WA (Colton Brown) 11:23

And, is he really? I thought he wasn't, he told me he wasn't coming. Is that going to be one of the surprises where we tell John...?

Jack WA (Matthew Clement) 11:30

I don't know. When was the last time he talked to you?

ND - John WA (Colton Brown) 11:35

Days ago.

Jack WA (Matthew Clement) 11:37

Maybe that, okay, then, then it's been longer for me so I guess he's not, sorry.

ND - John WA (Colton Brown) 11:46

Brandon, how many people you bringing with?

Brandon CA (Alexi Guthrie) 11:49

It'll be me and Gary Cal and Nathan Cal from nor, from Network 14.

ND - John WA (Colton Brown) 11:59

Thomas, how's it going? Did you complete your weekly action this week?

Thomas Rousseau 12:06

Yeah, I stickered three or four times this week and [inaudible] some other stuff

ND - John WA (Colton Brown) 12:09

Very good [inaudible], you are the best member of Network 8.

Thomas Rousseau 12:13

I'm happy for that.

ND - John WA (Colton Brown) 12:21

Getting the headcount for our upcoming little, little adventure this weekend.

Thomas Rousseau 12:25

By the way, I had someone, I think they were going to ask you about some, hold on, one second, let me talk to you in...

Alexander OR (Richard Flannery) 12:43

So is everybody excited for this upcoming hike?

12:47

Of course.

12:49

[Inaudible]

12:49

[Inaudible]

ND - John WA (Colton Brown) 12:49

I dragged to the basement. All right. And I don't know if anyone from NorCal is coming, Travis, know if anyone else is confirmed going?

Travis CA 13:11

Sorry, sorry. I'm working right now. Uh, no, I don't know anybody who's coming.

Brandon CA (Alexi Guthrie) 13:17

The best person to ask about that, I think, would probably be Paul.

ND - John WA (Colton Brown) 13:22

Oh, Paul is coming. Oh, put Paul down. Paul.

Alexander OR (Richard Flannery) 13:26

Wait, Paul didn't message me if he needed a ride. Is he going up with his kids?

ND - John WA (Colton Brown) 13:32

Yes, he is.

Alexander OR (Richard Flannery) 13:34

Okay awesome.

Brandon CA (Alexi Guthrie) 13:35

Brian, Brian Nevada's also coming, I think.

ND - John WA (Colton Brown) 13:41

Is he?

Brandon CA (Alexi Guthrie) 13:42

I would message him to double check on that, because he's, he's coordinating a lot of movement with Network 12. So he rides along with all the NorCal guys.

ND - John WA (Colton Brown) 14:00

[Inaudible] he didn't, he did not want to do that, glad to hear he had a change of heart. Okay. Cool. Attendance, head count, pull up the document, I got us a little document. Imagine having a \$2,000 gaming PC and it can't even pull up a Google doc.

Alexander OR (Richard Flannery) 14:32

Get an SSD.

ND - John WA (Colton Brown) 14:37

I just need to upgrade to the Israel nine processor. Leo Oregon. Are you attending the hike?

Leo OR (Casey Knuteson) 14:52

I'm planning on it if I, hoping I feel better by then.

ND - John WA (Colton Brown) 14:56

But also mute your mic. I'm sure you'll be feeling fine. This signal's not the best, blah blah blah, okay, cool. Google doc... [inaudible] what do you have for everyone, you have something don't you?

Jack WA (Matthew Clement) 15:19

Do I have something for everyone? I was just gonna ask you and ask the drivers when I'm supposed to drop the uh, the address, and the check in and check out, I can give you the [inaudible] phone number.

ND - John WA (Colton Brown) 15:31

Yes, um, so, what you are going to do is, you're just going to give all the drivers your Telegram, we'll just use Telegram, typically for events and stuff, we use Threema but this isn't a march so I'm not too concerned about that.

Jack WA (Matthew Clement) 15:51

Sure.

ND - John WA (Colton Brown) 15:52

Got the document, have I shared the document with you Jack, Mr. Park Ranger?

Jack WA (Matthew Clement) 15:56

Negatory.

ND - John WA (Colton Brown) 15:57

I call you park ranger, Jack Washington. Jack is the, the PR for this event, there's a document, it's really nothing special. I believe I do have drivers I need to update, so, John WA, he's gonna have at least five people, Tyler WA, gonna have at least five people. Um, Vincent, what about you, bud? You're getting a car and who are you loading up?

16:28

I believe just Anthony and Ethan are going to be in my vehicle.

ND - John WA (Colton Brown) 16:32

Ok cool, putting Vincent WA down.

Tyler WA (James Johnson) 16:36

I believe you're three people now.

ND - John WA (Colton Brown) 16:40

Your car fits five people so I put the number five.

Tyler WA (James Johnson) 16:43

I got all my camping gear too and then three dudes and I'm thinking like [inaudible] but talking about just going to the camp?

ND - John WA (Colton Brown) 16:51

Yeah, this is just to the campsite.

Tyler WA (James Johnson) 16:55

Okay...

ND - John WA (Colton Brown) 16:55

I put down your vehicle can fit how many people. Well we're going to, we're going to drive to the campsite and unload but in the morning, next morning we drive to the location, I've had you listed as a driver, and you can hold five people and that's why I did that. And Vincent, I believe this car you're renting can hold at least five people, correct?

17:15

Yes it will.

ND - John WA (Colton Brown) 17:17

Very cool. Any more than five people, is it just a sedan, is it a soccer mom SUV, minivan, what is it?

17:25

Well I haven't reserved it yet, I'm planning on getting a bigger sedan but if there's something I need to get that's bigger.

ND - John WA (Colton Brown) 17:32

Probably not necessary, we're gonna have a handful of vehicles and it's not that far of a drive. Um so, John, Tyler, Vincent. Paul, but he's gonna only be hiking partially and then driving back. [Inaudible] as well. Correct, correct, Jack?

Jack WA (Matthew Clement) 18:15

Yeah, I can drive, uh, I can drive some people to the park. I got some stuff set up [inaudible]

ND - John WA (Colton Brown) 18:21

How many, how many people can you fit, what are you fitting, five?

Jack WA (Matthew Clement) 18:25

Including camping gear, I can squeeze myself and...

ND - John WA (Colton Brown) 18:28

No camping gear, no, this is from the campsite to the, the hike.

Jack WA (Matthew Clement) 18:34

About five people.

ND - John WA (Colton Brown) 18:35

Okay, five people, cool. Um, Marcus is driving your, yourself, correct, Marcus? Correct? Very cool, thank you.

18:59

[Inaudible]

ND - John WA (Colton Brown) 19:02

Very hard to hear you. [Inaudible] the drivers right now, Jack. Paul California, the southern crew going to be probably Paul and then Oregon, so, who's the driver first for Oregon - Leo, Frederick and Alexander, I'm guessing it's Alexander?

Alexander OR (Richard Flannery) 19:36

I, I think Frederick's the one reserving the vehicle because I don't have a credit card or two forms of ID.

ND - John WA (Colton Brown) 19:43

Cool. You can go to Costco and you can get an ID there, a Costco card counts as a second form of ID. There you go.

Alexander OR (Richard Flannery) 19:50

That's interesting.

ND - John WA (Colton Brown) 19:51

All right. Buh buh buh buh. So that is 1, 2, 3, 4, 5, 6, 7, seven vehicles so far. I also got us some lawn chairs, I want to add that to your list, you guys want to sit down at the campsite, not just sit in the grass or stand, bring a lawn chair. I bought a few of those today but I only bought four so you guys can either fight over them or go get your own. So, seven vehicles, Jack.

Jack WA (Matthew Clement) 20:35

Wow okay, seven vehicles total then, huh? I'm going to be parking there? Seven vehicles are going to be parked in the camp? I'm sure that'll be okay.

ND - John WA (Colton Brown) 20:53

Marcus, you're a driver, would you be willing to transport some individuals from the campsite to the hike spot? Marcus Washington?

21:26

[Inaudible]

ND - John WA (Colton Brown) 21:26

Take only one other guy. Okay. All right. I mean so far, we got 5, 10, 15, 20, current headcount.

Jack WA (Matthew Clement) 21:39

[Inaudible] right because 20 is where our reservation is, 20 is the maximum group I think of the official capacity, I told them, I swear I told them we were gonna have more than that. But in the email they sent me in the confirmation of booking they say 20 is maximum, but I don't think they're going to be counting us anyway.

ND - John WA (Colton Brown) 22:02

Yeah, those type of things you really don't, they just really care about the amount of shekels that you give them. Yeah. Um, so 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, are we gonna have more people than that? Who's not here?

Tyler WA (James Johnson) 22:32

George Washington.

ND - John WA (Colton Brown) 22:40

No you're, you're, you're good, man. Oh, I forgot Lawrence.

Jack WA (Matthew Clement) 22:57

[Inaudible]

ND - John WA (Colton Brown) 23:01

What was that?

Jack WA (Matthew Clement) 23:03

I was gonna say as long as the cook is anticipating, I mean, he needs to know just as much as we all do how many people are going to be there. He's the one cooking for all of us. Yeah, that's good. We can get him a headcount. Another thing we're gonna need to go over is, I guess what I'll do is, I gotta call ahead to the campground, because you guys are going to arrive at different times. And just tell them, I guess I could tell you guys which site we're in and they'd probably direct you there. I don't know if, uh, I'll give you guys a point of contact too, I'll get, I'll give the drivers all the information they need, is what I'm just thinking about.

ND - John WA (Colton Brown) 23:36

Right. And did you contact unaffiliate Marshall Washington?

Jack WA (Matthew Clement) 23:40

Yeah, we DM'd once or twice. I'm sure I could grab him on my way down. It'd be fine.

ND - John WA (Colton Brown) 23:46

So that's going to be, and, and Eric Washington's coming as well. So make that eight people so far. Do you guys remember Eric? He is very cool, he's coming, he left Patriot Front because he does a lot of stuff with Asatru Folk Assembly and he invested his time into that.

Brandon CA (Alexi Guthrie) 24:08

Oh, Eric's coming? It's been like a year since I've seen him.

ND - John WA (Colton Brown) 24:12

It's actually been two years since you've seen him.

Brandon CA (Alexi Guthrie) 24:16

No, no, because I've been in a year and a half.

ND - John WA (Colton Brown) 24:22

But the only time you ever saw him was last national, last year, correct?

Brandon CA (Alexi Guthrie) 24:25

I was, I wasn't at the national, I joined during the national.

ND - John WA (Colton Brown) 24:28

Where did you see him then? You didn't come to San Francisco.

Brandon CA (Alexi Guthrie) 24:31

He came down for a SoCal action.

ND - John WA (Colton Brown) 24:36

Oh, yeah. I remember, I remember that. Yeah, he came to visit with his butt buddy Wayne. But am I wrong?

Brandon CA (Alexi Guthrie) 24:45

I, wait, Wayne, was it Wayne California? Because Wayne California has been gone a long time.

ND - John WA (Colton Brown) 24:56

I talk to him sometimes and see him. 7, 8, 9, 10 11, 12, 13, 14, 15, 16, 17, 20, we're looking at 20 bodies. I was projecting to be at least 25 to 30 but we had a few guys drop out, almost all of the Idaho guys dropped out, are not coming unfortunately, due to life circumstances. Next, got the drivers, headcount on drivers. Gear list, alright so I sent the gear list to everyone so far, but I'm going to add a couple updates to it, like swimming trunks for example.

Jack WA (Matthew Clement) 25:58

Hey John, what's the weather supposed to be like on that day when we hike?

ND - John WA (Colton Brown) 26:01

I just checked it out today while grocery shopping and it's going to be cloudy and sunny. Okay, and then lawn chair of some sort.

Jack WA (Matthew Clement) 26:39

When you get a sec, if you get a second would you send me the list of drivers? I'm sorry to interrupt what you were saying.

26:46

Jack, I was gonna ask you if, uh, there's sometime this week that's good for you to meet up with a Vancouver interviewee?

Jack WA (Matthew Clement) 26:53

Yeah, I'm sure we could get something going on, my work schedule, as always, hectic. I'm pretty sure I'm free on Tuesday or Wednesday. I'll keep you posted on that. But if I, if I'm not free during the day, I'm always free during the evening. It takes me like maybe 45 minutes to get down to Vancouver. I can get down there in 45 minutes or an hour.

27:16

Yeah, John wants us to meet up with him, and if he passes try and get him to come to the hike with us.

Jack WA (Matthew Clement) 27:24

I'm into it, sounds good.

27:29

Would you want to do that in Vancouver?

Jack WA (Matthew Clement) 27:32

I'm fine with it. I don't want you to drive too far either. I mean, how far away is Vancouver for you?

27:39

I mean, a good hour and 15, 20 minutes.

ND - John WA (Colton Brown) 27:44

Bill, you can ride with the Southern Oregon guys.

27:51

I thought it would be good to have him come down to Portland and do some activism in downtown.

ND - John WA (Colton Brown) 27:57

Oh you're talking about the interviewee, sorry, I thought you were talking about scheduling a ride to the [inaudible] oh, sorry. [Inaudible]

Jack WA (Matthew Clement) 28:07

Yeah, I'm into it. Let's shoot for either Tuesday or Wednesday and if we can't get it during the day, can we do it during the evening where I'm off work between like seven or eight, so like eight or nine o'clock down there.

ND - John WA (Colton Brown) 28:23

[Inaudible]'s gonna fuck up. Ah, no, it worked, beautiful. Okay. Okay. Getting an updated gear list here momentarily.

Jack WA (Matthew Clement) 28:32

But does that sound good Leo? Either eight or nine on Tuesday or Wednesday?

Leo OR (Casey Knuteson) 28:41

Probably Wednesday.

Jack WA (Matthew Clement) 28:44

Okay.

Leo OR (Casey Knuteson) 28:47

Well, I mean, actually, let's let's play it by ear, either Tuesday or Wednesday. I mean, I just kind of want to see how I [inaudible].

Jack WA (Matthew Clement) 28:53

Sure, I understand. I need a little bit of wiggle room myself. So that's why I usually give one or two days with one or two times, so, we'll, we'll figure it out. Either one of those days'd be okay, but as it gets closer we will, we'll nail it down with the interviewee.

29:07

Yeah, for sure. He seemed really eager to meet up this weekend but it was just like, I think I messaged him on Friday and it wasn't gonna work out.

Jack WA (Matthew Clement) 29:15

Yeah.

ND - John WA (Colton Brown) 29:19

Bye just for a moment, I'm going to try to get the list out to you as fast as I possibly humanly can. Oh, annoying. I wonder if Thomas has a faster way of doing these type of things.

Jack WA (Matthew Clement) 29:43

Who, are all the medics already accounted for? Because last time I think I had two of them written down. I think it was Alexander Oregon and Tyler Washington.

29:51

No. I'm the [inaudible]...

ND - John WA (Colton Brown) 29:52

Thank you for reminding me.

Jack WA (Matthew Clement) 29:53

Oh, he's the cook. He's the cook, excuse me.

ND - John WA (Colton Brown) 30:04

And so Tyler WA is medic instructor and who else was going to help him with that?

Jack WA (Matthew Clement) 30:16

Let me go grab my notes, I'll be right back.

Alexander OR (Richard Flannery) 30:21

Johnny was on that list, Johnny Idaho, but I know he's not coming to the event now, so.

ND - John WA (Colton Brown) 30:48

Here's a forwarded message from Jesse Colorado to you, Tyler, you can crack that open and then plan this little medic workshop.

Tyler WA (James Johnson) 31:01

Okay I'll see [inaudible]

ND - John WA (Colton Brown) 31:02

Do you guys like Metallica?

31:18

Yes.

Tyler WA (James Johnson) 31:20

I like Pantera more, but...

ND - John WA (Colton Brown) 31:22

I bring my Pantera shirt, I bring it to like every PF event. [Inaudible] Washington. How you liking the org so far, Ethan? Tell us, uh, one thing that you, uh, found out about the org that you weren't aware of already joining, that you like.

Ethan WA (Justin O'Leary) 31:51

Um, it's pretty organized, you guys are pretty organized and punctual it seems, um, I don't know... [Laughs]

ND - John WA (Colton Brown) 32:08

[Inaudible] expecting a bunch of fascists to be really organized?

Ethan WA (Justin O'Leary) 32:11

I wasn't really expecting you guys to be disorganized, but, uh, I've just been [inaudible]

ND - John WA (Colton Brown) 32:20

What makes us so organized?

Ethan WA (Justin O'Leary) 32:24

Well I was supposed to meet you guys at 4:30 or whatever, and then you dropped out or whatever cause you had something to do, and then like those guys had already hit me up by the time I got home and it was odd because it wasn't really confirmed or whatever and I got home and, but like it was already confirmed so it was almost like too organized, so I don't know, that was kind of impressive to me.

ND - John WA (Colton Brown) 32:49

I'm glad they caught my save, I, I got in a vehicular accident at the time or something. I just, yeah, I was dealing with that.

Ethan WA (Justin O'Leary) 33:00

Understandable.

Jack WA (Matthew Clement) 33:01

It was, uh, it was Johnny Idaho that I had written down.

ND - John WA (Colton Brown) 33:09

Grant Washington has not attended the last few Mumble meetings, he can barely text me back, and he's like...

Alexander OR (Richard Flannery) 33:16

Has he done any actions?

ND - John WA (Colton Brown) 33:19

He did a sticker in Idaho like a week or two ago and he like, got the cops on his ass.

Alexander OR (Richard Flannery) 33:25

Oh.

ND - John WA (Colton Brown) 33:26

[Inaudible] Washington.

33:28

Who we talking about, who Washington?

ND - John WA (Colton Brown) 33:31

Grant Washington, he was that guy that we vetted over in Enumclaw that one day.

Jack WA (Matthew Clement) 33:37

Oh.

ND - John WA (Colton Brown) 33:46

It's like, not, lack of communication, one of those guys that joins and like, talks a big game and then like, just stops completely.

Tyler WA (James Johnson) 34:02

Uh, did you get all the money together for promat, has everybody contributed that wants to contribute?

ND - John WA (Colton Brown) 34:12

Um, I got your payment and I have put that in an envelope. However, um, I was going to mail that today on my way home but um, [inaudible], so I got that right here in front of me actually. So I'm sending that in the morning on my way to work and I'm going to have the orders separated into standard orders that are \$45 orders and people can feel free to buy that off of me, and the other half of the order is going towards posters. Unless someone buys them off of me.

Tyler WA (James Johnson) 34:48

Well I'm happy to donate, you know, to guys who might be short or anything like that since I put the amount in that I did, so, to spread the love around so guys all have promat.

ND - John WA (Colton Brown) 35:01

OK. I will set up a, an EBT program for people who cannot afford stickers.

Tyler WA (James Johnson) 35:08

What I'm saying is no one has to pay me back, I don't care about that.

35:15

I kind of missed that, you said something about \$45 worth of stickers?

ND - John WA (Colton Brown) 35:21

Yes. So standard orders for putting in for like stickers and flyers and stuff is 45 bucks. That gives you at least 300 pieces of promat in separate bags, so I asked Thomas to separate it into six different orders of \$45 orders and then, um, the rest go towards posters. Those of you who wish to purchase a whole bag and get it, get a bag delegated, separated amongst people near you, whatever, by, uh, I threw in \$300, I collected about \$100, Tyler, my own.

Tyler WA (James Johnson) 36:14

You threw in \$100 of your own?

ND - John WA (Colton Brown) 36:17

\$200 of my own.

Tyler WA (James Johnson) 36:18

Okay, so, so we have like, what, that's like a \$500 order isn't it?

ND - John WA (Colton Brown) 36:23

Yes, \$500 order. It's necessary things we need to do for uh, reclaiming America. I wish we'd just pitch in \$500 and get a shiny like nice Toyota pickup truck like the Taliban do but we have to spend our money on posters instead. I would love to just have a bunch of Toyota trucks, it'd be so cool. [Inaudible]

Alexander OR (Richard Flannery) 36:45

Imagine the hate trucks.

ND - John WA (Colton Brown) 36:47

Yeah dude, you know, I try to get on like, like Facebook Marketplace and look for an old Toyota truck and like, some hick kid named like Cletus living in Bonney Lake is trying to sell you this piece of shit 250,000 K mile 22R Toyota four cylinder motor pickup truck with a shitty lift kit on it for like seven grand. That's the only trucks I can find nearby and then I like look up pictures of the Taliban and they're literally fooling around on like, a Toyota Hilux and like, nice old Toyota trucks with like, no dents or nothing on it with like brand new paint jobs. And I'm like, what the hell, like, that's like the nicest truck for someone like me, and they just get them for free from Joe Biden, Barack Obama, like really?

Brandon CA (Alexi Guthrie) 37:31

They got a lot more than Toyota trucks now.

Underage Minor, Name Withheld 37:35

Yeah.

Alexander OR (Richard Flannery) 37:37

Dude, I still want a hate bus.

ND - John WA (Colton Brown) 37:40

Dude, I saw this meme of like someone that stopped like, that found like a whole entire like, weapon cache building with like, just all kinds of rifles from the floor to the ceiling. Just the whole room was just a pile of AK-47s. And then the next meme was that guy that was like praying and he's like, Lord, I've seen what you've done for other people I want you to do it for me. I think that's everything, so far. Oh, so anything else I should go over? [Inaudible]

Brandon CA (Alexi Guthrie) 38:24

I would say just get in contact with Paul California. Definitely. He's probably the one that can give you the headcount of Northern California guys that are still going.

Alexander OR (Richard Flannery) 38:45

Hey, Brandon, so I'm on the Oregon border right, right near Northern California. Who should I talk to about like, getting in there, I'm pretty sure they have a #general chat for for NorCal, right?

Brandon CA (Alexi Guthrie) 39:00

I mean, they have a network chat that's strictly for their network guys. But I would, if you want to communicate more with them I would definitely message Paul, he seems to be the one that's trying to get things in order up in the northern half of California and yeah, he's your best bet for communication.

39:28

Okay. Alright.

ND - John WA (Colton Brown) 39:37

Um, I don't really have anything else for us. I don't really see any point planning any future activism right at the moment because we got this big hike going. If you guys want to do...

Tyler WA (James Johnson) 39:50

I want to do, I figured since we're gonna have downtime on Friday. Maybe we could do some, would it be feasible to do, make banners there, where we have all these people?

ND - John WA (Colton Brown) 40:02

Um, yeah, I think maybe, it's definitely doable as long as we like, don't display it [inaudible] all the other campers and stuff. I don't know how big the location is that Jack rented, it was for 40 some people. So it's probably spacious enough to hide it kind of at the edge of our little campsite behind tents and stuff and people won't see it. So.

Tyler WA (James Johnson) 40:30

Even if it's not, it's, it's in a wilderness area, we could find a Forest Service road and just, you know, go off 10 minutes away.

ND - John WA (Colton Brown) 40:39

Yeah, yeah.

Tyler WA (James Johnson) 40:40

It'd be a good, good time to bang some out.

ND - John WA (Colton Brown) 40:42

Yeah, for sure. Could maybe even do a little money pool there to pay, pay off any supplies. So I will [inaudible]

Tyler WA (James Johnson) 40:52

Send me a list of supplies for making banners and I'll go get some paint this week. I have all the stencils. I'm running out of space in my car from taking down three dudes. But maybe you and I can connect this week and I can give you the stencils back.

Underage Minor, Name Withheld 41:11

What did I miss?

ND - John WA (Colton Brown) 41:13

The whole meeting?

Underage Minor, Name Withheld 41:16

Uh, yeah.

ND - John WA (Colton Brown) 41:17

Have you done an action this week, yes or no?

Underage Minor, Name Withheld 41:19

No.

ND - John WA (Colton Brown) 41:24

Second no that I got. Get a yes next meeting. Um, other than that, no, we've just been going over the hike this week. Plans, attendance for that, whatnot. You haven't missed a whole lot.

Underage Minor, Name Withheld 41:42

Do I really need to be here for this then?

ND - John WA (Colton Brown) 41:45

We're at the end of the meeting. So we're just hanging out and socializing. So feel free to stick around if you want.

Underage Minor, Name Withheld 41:50

Oh, alright. Well, I didn't miss anything important during the actual meeting today.

ND - John WA (Colton Brown) 41:57

Oh, wait, wait, I do have one more thing for all of you. One more thing. December 4, there is a thing that is happening on that day in which I do not know any of the details to share with you anyways. So you, you need to, on December 4th, there is a thing somewhere happening sometime you don't know

about, so Friday, Saturday, Sunday, December 3rd, 4th and 5th, December 2021. Have Friday, Saturday, Sunday off, all 72 hours. Absolutely no reason with six months in advance you guys can't make that happen. I expect all of you to be attending this, every single one of you. Alright?

Underage Minor, Name Withheld 42:52

Well [inaudible] yes or no that I can attend it if I don't even know what it is.

Alexander OR (Richard Flannery) 42:56

Thanks, John. That is actually a question I had for you.

Brandon CA (Alexi Guthrie) 42:59

Operational Security fellows, you're never going to know.

ND - John WA (Colton Brown) 43:03

Yep. Yeah. We, we do things in this organization on a need-to-know basis, alright, we can't just go and announce to all the 300 members we have that we are doing a specific thing at this specific location at a specific time, tell all your antifa buddies and local feds and cops to be there, you know?

Underage Minor, Name Withheld 43:24

Is it local or national?

ND - John WA (Colton Brown) 43:27

It is going to be a location, somewhere, that's all that I know.

Underage Minor, Name Withheld 43:33

Right. So if it's not something you're planning, then surely it's a national event.

ND - John WA (Colton Brown) 43:39

It's the thing I am, I am helping plan, yes. But um, as for now, that is the date. That is the time you need off. And that's all you need to know.

Underage Minor, Name Withheld 43:52

Okay, well, I can't give you a yes or no.

ND - John WA (Colton Brown) 43:55

Why not?

Underage Minor, Name Withheld 43:58

Because I don't know any of the details.

Brandon CA (Alexi Guthrie) 44:00

You'll never know the details. The only people that are ever going to know the details are network directors, Thomas and cluster leaders and other important, um, points of contact.

Underage Minor, Name Withheld 44:10

Everybody knew the details on a hike.

Brandon CA (Alexi Guthrie) 44:12

That's a hike.

Underage Minor, Name Withheld 44:14

Right.

Brandon CA (Alexi Guthrie) 44:15

That's, that's the difference.

Alexander OR (Richard Flannery) 44:17

Yeah, if this was a demo, we we wouldn't be talking about it as much as we are. It's more, it's more moved to DMs in that sort of regard. Everything, everything is purely need-to-know for your security, my security and all of our brothers' security's.

Underage Minor, Name Withheld 44:38

Well, I can tell you for certain I can't leave the state.

ND - John WA (Colton Brown) 44:41

Why is that?

Underage Minor, Name Withheld 44:44

Not until I turn 18 at least.

ND - John WA (Colton Brown) 44:47

Why does that matter?

Underage Minor, Name Withheld 44:50

That's just, that's just simply, I mean, that's just the rules. I mean, I'm not allowed to leave the state.

44:57

I've left the state and I've not been 18.

Underage Minor, Name Withheld 45:01

I mean, that's your parents, man.

ND - John WA (Colton Brown) 45:03

So you can't go buy a plane ticket and then tell your parents that you're coming down to John's house for the weekend?

Underage Minor, Name Withheld 45:12

Dude I can't...

ND - John WA (Colton Brown) 45:13

Just tell them you're going camping, that's what we tell all of our parents, all of our loved ones and family members and friends that ask us where we go and do this mysterious stuff. Where we just disappear for a weekend at a time, we tell them we're going camping because we are, you know, every every, event that we have, we camp somewhere, so it's not a lie. We're going camping.

Underage Minor, Name Withheld 45:33

Alright.

ND - John WA (Colton Brown) 45:34

Think you can do that? Just tell your parents like, hey, I'm going camping. And then, you know, you're gone all weekend. Tell them it's somewhere with no service, so you won't have your phone.

Underage Minor, Name Withheld 45:49

Right.

Brandon CA (Alexi Guthrie) 45:50

And, uh, it's understandable, minors have more of a hurdle to get out and do things. At the same time, you know, give it a shot.

Underage Minor, Name Withheld 45:59

Mmkay, yeah.

ND - John WA (Colton Brown) 46:00

Are you not going to be 18 by then?

Underage Minor, Name Withheld 46:03

I think I'm, I think I'm eight months out.

ND - John WA (Colton Brown) 46:11

I thought we only allowed 17 and a half year olds to join.

Brandon CA (Alexi Guthrie) 46:16

I mean, it goes by a case by case basis on that respect.

ND - John WA (Colton Brown) 46:21

Yeah, I questioned Thomas about it because I had a couple concerned members that were like, what if we get in trouble, like doing activism and we have a minor with us? Like, is that gonna increase the charges and stuff? And while I didn't have an answer for these questions, so I asked Thomas, but I don't see why that would.

Brandon CA (Alexi Guthrie) 46:37

On an individual level minors have a bit more restriction that they got to go through to just do things in general. In my network, we had one guy that was 17 at one point. And, you know, they just have a tougher time moving around simply because, you know, they not legally adults, so, but still, you know, even if you're 17, give it a try, run by your parents, say you want to go camping, camping with friends, something like that. Or if you're one of those lucky, lucky few, who's, you know, family and friends or just a-okay, with white nationalism, just be like, I'm going to, I'm going to do based and redpilled stuff.

Underage Minor, Name Withheld 47:20

My father is.

ND - John WA (Colton Brown) 47:24

Well that's a little helpful.

Underage Minor, Name Withheld 47:26

Not really, but uh. So I would be a month out.

ND - John WA (Colton Brown) 47:28

I wouldn't tell them like, right now that it's something so far ahead. But like, when it gets a little closer, say like, hey, you know, I'm going camping with some friends, you know, you could even...I mean, the thing about lying, though, is you have to remember a lie. But just sticking it to just going camping with friends. You know, it's very vague. But I know some guys say, like, they have Christian groups that they're with, you know, like, we have one guy in the org who's a trucker. And he gets different loads and goes to different parts of the state, right? And he told his boss he's just with some Christian activist group, and they're like doing a Christian retreat camp here or something and his boss doesn't care, he's like, whatever, you know, you're bringing material here and getting me paid, you're getting paid. So he, that's his excuse. But yeah, I understand. I was at, when I was at your age, man, and my parents constantly questioned me like what, my dad, you know, a year ago, he was still the same way. He was like, where are you going, who are you with? You don't tell me anything anymore. And I just, I don't, I don't tell them jack squat since I've been in this org and I'm 22 now so it's like, how are you gonna, like, like, parent, father and mother, your 22-year-old, you know? But um yeah, I understand. Parents, parents are like that. My mom was always like that growing up, like, questioning, where are you going? Who are you hanging out with? Do you have a lunch? Do you have an extra pair of underwear? When are you coming home? Are you gonna be home for dinner? You know, it's like, I don't know. I don't know what we're doing. I'm just gonna go hang out with some friends. We're gonna do stupid high schooler stuff. Mom just, god, leave me alone. You know?

Brandon CA (Alexi Guthrie) 49:18

I mean, parents are always going to be like that, you're going to be their child no matter how old you get.

ND - John WA (Colton Brown) 49:23

My dad said to me hunting once, we were, we were turkey hunting I think, and we were sitting in a field up against a tree and he, he asked me if I was okay and like, tried to like tuck my coat in like, keep me warm or something. And I was like, dad, stop like I'm not a little kid anymore., you don't need to like,

pamper me. Like, oh, don't you be like that with me, you're always gonna be my little boy. Like thanks, thanks, dad. Love you too.

Underage Minor, Name Withheld 49:56

Try to, try to get like a bank account going so that I can actually get the ticket hopefully before then.

ND - John WA (Colton Brown) 50:04

You have a job yet, mister?

Underage Minor, Name Withheld 50:07

In and Out, yeah, sometimes.

ND - John WA (Colton Brown) 50:12

You have a long time until then. I would focus on. right now, you get that driver's license and get a job and save up some money.

Underage Minor, Name Withheld 50:20

Yeah, I'm getting my friend to refer me to a job near me. So we'll see how that goes.

Ethan WA (Justin O'Leary) 50:30

If you're young, pushing a lawnmower around the neighborhood cutting some lawns and stuff, that's a pretty good way to earn some money. It's a good time too.

50:37

Hell yeah.

50:37

I wish I could do that.

Underage Minor, Name Withheld 50:38

I'd rather just go work for some, uh, farmer.

Alexander OR (Richard Flannery) 50:43

Yes, work on farms. More people need to be involved, involved with farming.

Underage Minor, Name Withheld 50:49

Yeah, my, my brother worked on farms too. It doesn't pay too bad and you get a workout.

ND - John WA (Colton Brown) 50:56

Guys, the ages of our founding fathers in 1776. They are James Monroe, 18 years old. Alexander Hamilton, 21. James Madison, 25. Thomas Jefferson was 33. Thomas Paine, 39. John Hancock was 39. Napoleon became Consul at 26 and Emperor at 35. [Inaudible] you don't need more experience, you need action, remember that. Holds up. Alexander the Great became Emperor at 21, started conquest of the Persians at 22. Died somewhere in his 30s.

Underage Minor, Name Withheld 51:43

Ask for thyself yet another kingdom for mine is too small. That's what his father said.

ND - John WA (Colton Brown) 51:53

But I don't, I don't have anything else to go over. Had a very long weekend and I'm probably gonna go goon and pass out in my chair and then get up for work tomorrow [inaudible] working [inaudible] Gonna goom/ Gooming, playing video games. Oh, oh. Gooning, [inaudible] he said gooning, he's gonna be a goon.

52:23

Cultured goon.

52:23

[Laughter]

Alexander OR (Richard Flannery) 52:29

John, you're gonna go play with your, what are you, like, level, are you level 200 now John?

ND - John WA (Colton Brown) 52:36

Uh on ESO, let me check. I haven't really been playing it that much since that one weekend where I just logged like 1200 hours, 12 hours, like one day.

Brandon CA (Alexi Guthrie) 52:48

It's a big difference right there, 12, 1200.

ND - John WA (Colton Brown) 52:51

I have 1200 hours on Elder Scrolls Online on my, on my Xbox, but this character is champion one six. See ya Marcus. I don't remember what the time played was on this character but I think it was only 20 hours and I got to level 180 now. Not bad.

Underage Minor, Name Withheld 53:24

Alright, well, I gotta go eat some dinner, talk to you guys later.

53:28

Later

ND - John WA (Colton Brown) 53:35

Wanna stay here and hang out and stream some video games and talk about how much I hate Israel and America First.

Jack WA (Matthew Clement) 53:45

Nice. I'm putting in some shelves in a hidden spot in my house, so.

ND - John WA (Colton Brown) 53:51

I hope the, the, uh, feds don't take 500k out of my bank account for streaming Halo and going to January 6.

53:59

What?

54:00

Oy vey.

ND - John WA (Colton Brown) 54:04

Making fun of Nick Fuentes.

Alexander OR (Richard Flannery) 54:06

Oh. I remember that, I remember hearing about that.

Brandon CA (Alexi Guthrie) 54:11

I too remember that.

ND - John WA (Colton Brown) 54:17

David.

54:18

[Inaudible]

David WA 54:19

What?

54:20

We are run, we need a meeting, meeting room for just a second, meeting room for, for a minute.

David WA 54:25

Sure.

54:27

Thanks man.

ND - John WA (Colton Brown) 54:33

Alright, guys, meeting is adjourned. Lets, uh hop up in #general chat, [inaudible]

Alexander OR (Richard Flannery) 54:37

Yeah. John, can I talk to you in meeting room one for like a minute?

ND - John WA (Colton Brown) 54:41

Yes, sure.

Brandon CA (Alexi Guthrie) 54:42

I gotta hop off for now guys. Later.

54:46

Have a good one.

54:48

Have a good night, everyone. Nighty night.
