

# 2021-08-31 Mumble Call 9pm and Later

These recordings were taken by an anonymous source inside of Patriot Front during August to December 2021. Unicorn Riot has produced transcript PDFs, MP3s and videos from this set of recordings. The transcripts and the Mp3s use the same set of timecodes. The main report on our website uses separate timecodes that match our videos, which are lightly edited to remove silence, with an additional introduction and credits.

The .mp3 files (as opposed to slightly shortened videos) represent the uncut documentation of these Patriot Front voice meetings. These uncut audio files have been altered as little as possible in the interests of source protection.

## **Accuracy of transcripts and speaker identities**

Unicorn Riot has done our best to compile transcripts with the most accurate time stamps and speaker identifications possible. Due to the combination of machine transcription and extensive human labor, there may be occasional errors in speaker IDs indicated in transcripts. but we are confident that the vast majority of the speaker IDs and content are correct. Some transcript timestamps are incorrect due to unavoidable issues with using machine transcription at scale, however, the majority are accurate.

Please note that these recordings may include Patriot Front members whose voices were not identified by us. When we were unsure about a speaker's identity we have left that line in the transcript without an assigned name, which machine transcription services usually tag as 'Unknown'. Many Patriot Front members have been identified by researchers, activists and journalists by linking multiple pieces of evidence to online personas.

**Robot Voice** 00:05

Joined meeting room number 4

**ND - Lawrence FL** 00:08

Okay.

**Alexander OR (Richard Flannery)** 00:10

I don't, like, our feet? Yeah I'm fine.

**Ethan WA (Justin O'Leary)** 00:14

Slight blister on my left heel, that's totally fine, doesn't really bother me.

00:19

Yeah my blisters healed up.

**Jack WA (Matthew Clement) 00:21**

[Inaudible] and you can ask John about the type of horrible footwear that I like to wear on hikes.

**ND - John WA (Colton Brown) 00:25**

He likes to wear these...

**Brandon CA (Alexi Guthrie) 00:29**

Anyone have any adverse stuff because one of my guys had some pretty, pretty bad uh....

**ND - John WA (Colton Brown) 00:36**

Spit it out.

**Brandon CA (Alexi Guthrie) 00:38**

Basically full, full heel [inaudible]

**ND - John WA (Colton Brown) 00:44**

Full heel what? You broke up.

**Brandon CA (Alexi Guthrie) 00:46**

Full heel peel, like the whole sole of the feet peeled.

**ND - John WA (Colton Brown) 00:51**

Was it the guy that was wearing Timberland boots?

**Brandon CA (Alexi Guthrie) 00:53**

Yeah, yeah, it was Nathan. Yeah, I'm talking to him about getting better boots, um, but, yeah, just wanted to double check on that, and the other part is, anyone got any mountain or hiking fever?

01:10

What is that, um, the symptoms of that?

**Brandon CA (Alexi Guthrie) 01:14**

Mountain and hiking fever, it's basically just, when you go through a very long and strenuous prolonged march, you know, your body puts out all it can, so your immune system is very low. So it could really be anything's, a fever, the sniffles, whatever.

**ND - John WA (Colton Brown) 01:33**

I feel great.

**ND - Lawrence FL 01:33**

I mean, I was sick before although I did get home and I was like, had a kind of a schizo moment the other night, but anyway, I think I'm okay. We can talk about it later. I'm not, I'm not sure if it had anything do with the hike, I think, well, it's probably exacerbated, you know, the sickness was exacerbated by the strenuous [inaudible].

**ND - John WA (Colton Brown) 01:54**

I actually had a fever dream too but it was because I was really dehydrated I think.

**ND - Lawrence FL 02:03**

Anyway, let's move on.

**Brandon CA (Alexi Guthrie) 02:05**

That's, that's all I wanted to ask. So, uh, proceed. As you were.

**ND - John WA (Colton Brown) 02:12**

But yeah, we kind of finished up the hike recap. I just wanted to get your input really quick. Right now we're just going over planning with, with everyone for activism and stuff.

**Brandon CA (Alexi Guthrie) 02:24**

All right. All right. Well, in that case, I will probably hop into another meeting room and uh, await Thomas then. I'll let y'all handle your internet work stuff.

**ND - John WA (Colton Brown) 02:36**

Good. Thank you, Brandon.

**ND - Lawrence FL 02:44**

Given the number of people in this room, may I suggest that in their given area they split into other meeting rooms to discuss their plans. So just going down the whole list again?

**Alexander OR (Richard Flannery) 02:55**

Yeah, that might be better.

**ND - John WA (Colton Brown) 02:57**

Um, I dunno, I kind of like to keep track of it a little bit and set goals for everyone. Not to get into specifics. But, but yes. So basically, I want everybody to do activism. Um, so we're gonna do some pioneering over on the eastern side of the mountains, um, I know David's been wanting us to get out there for quite a while. Let's just do it. Let's get the banner. Let's go, let's go do a big action over there. But yeah Frederick and Alexander want to go to your own meeting and plan some stuff, feel free to do that. Um, uh, there's no Idaho, other Idaho guys here. Marcus, what's up with George? Have you heard from George lately? He doing alright?

**Marcus WA/ID 03:53**

He's taking care of some kids and some family troubles.

**ND - John WA (Colton Brown) 03:59**

Okay. All right. Welcome back Vincent. So Vincent, you and me and Ethan this weekend on Saturday are going to go out to Washington. And we're going to meet up with David, do an, and do an action. Saturday morning I have to be at the Department of Licensing to drop off idle work for my vehicle, after that, head out there. If it is taking too long, you guys can feel free to go on without me. But I don't think it should take too long. So I predict we can, I'll text you guys the details but I'll probably get out there around noon, one o'clock, start heading that way. Do you guys think you can come out and do that, Ethan, Vincent, on Saturday, you available?

05:06

I should be good, yes.

**Ethan WA (Justin O'Leary) 05:09**

Are you talking head out there at noon or be out there at noon?

**ND - John WA (Colton Brown) 05:21**

I'll decide on those details and send you an action plan but, but it's, it's like a two hour drive. So I would say we'd probably be rolling back around four or five o'clock at the latest.

**Ethan WA (Justin O'Leary) 05:38**

Yeah, what are we talking about, Ellensburg area or something, or you want to just save that for later?

**ND - John WA (Colton Brown) 05:44**

Yeah. Ellensburg, Wenatchee, I mean I'm not gonna disclose the exact location. But um, yeah, about a hour to two hour drive from Auburn area, county.

**Ethan WA (Justin O'Leary) 06:03**

Um, yeah, we can probably, we can probably make it work, um. We'll just hammer out the details later between us.

**ND - John WA (Colton Brown) 06:12**

And you'd be available?

**Ethan WA (Justin O'Leary) 06:16**

Can I be available, what, Saturday?

**ND - John WA (Colton Brown) 06:19**

Yes.

**Ethan WA (Justin O'Leary) 06:21**

Yeah, I'll do it.

**ND - John WA (Colton Brown) 06:24**

Sweet! That was a yes for you, Vincent?

06:29

Yep. Should be yes for me.

**ND - John WA (Colton Brown) 06:31**

Sweet. That cool with you, David?

**David WA 06:36**

Yeah.

**ND - John WA (Colton Brown) 06:37**

All right. David, I'm entrusting you with planning and executing this action, want you to find adequate parking and scout that location if you haven't already. And we will come bring the banner to you. And we'll go do it. Sound good?

**David WA 07:00**

Okay.

**ND - John WA (Colton Brown) 07:02**

Beast. Alright, gentlemen, I think that covers about everything for this, this meeting. I'm pretty tired, it's like nine o'clock, anyone have any questions, comments or concerns for me?

07:21

You put in the order for promat this week?

**ND - John WA (Colton Brown) 07:24**

I already, I already put the order in, I sent Thomas 500 bucks.

07:31

When should we expect?

07:33

[Inaudible]

**ND - John WA (Colton Brown) 07:35**

I don't know. Sometimes his packages arrive like in a month, sometimes they take a little longer. I don't know. It's not like ordering from Amazon. It's ordering from Thomas.

07:50

Could you get some patches in that order?

**ND - John WA (Colton Brown) 07:54**

No, but I can send him a message.

07:58

Yeah, I just need, uh, I just need the PF flag [inaudible] and a few of em

**Underage Minor, Name Withheld** 08:07

Man, I told you to get me a patch.

**Alexander OR (Richard Flannery)** 08:12

I might be able to get extra patches from Thomas at the Southwest hike. If, if anybody wants to shoot me a message about that. It'll be free of charge.

**ND - John WA (Colton Brown)** 08:22

That's probably a better idea.

08:23

Yeah.

**ND - John WA (Colton Brown)** 08:23

That way we can [inaudible] promat. And then you can, yeah yeah yeah yeah yeah yeah yeah yeah yeah yeah

**Alexander OR (Richard Flannery)** 08:28

Just coordinate that with me. Yeah.

**ND - John WA (Colton Brown)** 08:30

Okay. No, no, no, no. Let's coordinate that right now. Now that we're all here, how many patches and what patches do we need? Let's get this in a message.

**Underage Minor, Name Withheld** 08:37

Well, hey, hold on. Hold on a sec. So when is the, when is the Southwest hike?

**Alexander OR (Richard Flannery)** 08:49

Next month.

**ND - John WA (Colton Brown)** 08:50

Last month, last, last weekend of September.

**Underage Minor, Name Withheld** 08:55

Yeah. And I will be able to get [inaudible] before the end of, or before, or, on Monday?

**ND - John WA (Colton Brown)** 09:06

I believe so. I don't know the details, you'd have to ask Brandon California, if you're interested, message him.

**Underage Minor, Name Withheld** 09:13

Well, I guess it wouldn't really matter, I don't have any way to get over there, so I'm [inaudible].

**ND - John WA (Colton Brown) 09:23**

[Inaudible] someone would pick you up.

**Underage Minor, Name Withheld 09:25**

Huh?

**ND - John WA (Colton Brown) 09:25**

You would have to fly and then one of the guys down there would pick you up.

**Underage Minor, Name Withheld 09:32**

Yeah...

**ND - John WA (Colton Brown) 09:37**

Anyone else interested in attending the southwest hike? I can refer you to Brandon.

**Alexander OR (Richard Flannery) 09:44**

It's gonna be an awesome hike. Not as beautiful as Rainier, though.

**ND - John WA (Colton Brown) 09:49**

Undecided if I'm attending or not.

**Underage Minor, Name Withheld 09:55**

No, I've never even been on a flight by myself.

**ND - John WA (Colton Brown) 10:03**

Okay, there has been other members that have been in the same situation, I can help you with your kiosk and other stuff. I've been on many flights, it'll be okay. Group flying.

**Underage Minor, Name Withheld 10:16**

Yeah, my problem would be actually getting a ticket, [inaudible].

**ND - John WA (Colton Brown) 10:38**

Alright, gentlemen, I think that, uh, concludes our meeting. Um, I had a bunch of guys like, leave, why, why did they do that?

**Underage Minor, Name Withheld 10:48**

Well, you were gonna, you were gonna get a list of patches.

**ND - John WA (Colton Brown) 10:51**

Yes, yes. What patches do we need?

**Underage Minor, Name Withheld 10:55**

Well, how are you going to get em out to us?

**ND - John WA (Colton Brown) 10:59**

We meet up with Alexander quite a bit for activism. We will see him. So.

**Alexander OR (Richard Flannery) 11:04**

Yeah, I will always make the trip up to Portland to do something fun. Or Seattle. And Seattle is not that far from Portland either.

**ND - John WA (Colton Brown) 11:14**

Drive and bunk at my house, Alex.

**Underage Minor, Name Withheld 11:16**

And you want to do a demo here, David, er, John?

**ND - John WA (Colton Brown) 11:22**

I would like to, yes, I've been wanting that for a while. It's just a matter, it's a matter of planning it and running it over to Thomas and saying look, we did all the work for you. Let's do it. So yeah, let's, let's make it happen, Thomas. I think, if we can do Philly, I think Seattle is definitely doable. What do you guys [inaudible]

**Alexander OR (Richard Flannery) 11:44**

We can do Seattle, we could do Portland. Come on. Oh, talk to Walter he had the entire thing written out. Pick the perfect location, perfect campsite, everything.

**ND - John WA (Colton Brown) 11:55**

Why am I just now, why didn't you run that to me?

**Alexander OR (Richard Flannery) 11:58**

I don't know why he didn't run that to you but he talked about that to me for a while.

**ND - John WA (Colton Brown) 12:03**

Just kept that to himself, goofball. All right. All right. Patches. Let's stop getting derailed, patches, patches, patches. Who needs patches? Charles, [inaudible]

12:15

[Inaudible, overlapping conversations]

**Underage Minor, Name Withheld 12:15**

[Inaudible] would like a chevron for my hat, and somebody mentioned flags, flags are always cool.

**ND - John WA (Colton Brown) 12:22**

So all the new guys need patches. So that's Vincent, Charles, Tyler, not new, but, that's four chevrons, four browns, bills, and then [inaudible] four back of hat patches.

12:55

We don't have network insignia yet do we?

**ND - John WA (Colton Brown) 12:58**

We do, I actually have one on my uniform, so let's, let's just tell Thomas and get us some of those too, four Network 8 patches.

**Alexander OR (Richard Flannery) 13:12**

Is anyone interested in the new patches that Thomas is rolling out have, has everyone seen that message?

**Underage Minor, Name Withheld 13:17**

Nope, haven't seen em.

**Alexander OR (Richard Flannery) 13:19**

Ooh.

13:20

Oh I've seen teasers of them, has he actually released a message about em?

**Alexander OR (Richard Flannery) 13:28**

Yeah, he released it in #activism after he drew the concept art.

**ND - John WA (Colton Brown) 13:35**

Okay, wow, that is a lot, um, patches, how much, like five bucks, \$5, right? I forget.

**Alexander OR (Richard Flannery) 13:44**

If I remember correctly, right around then, yeah.

13:50

Yes, \$5.

**ND - John WA (Colton Brown) 13:55**

Oh, what, that, that doesn't seem right. Oh God.

**ND - Lawrence FL 13:59**

That's five bucks each, yeah, you're looking at like, maybe \$100 worth of patches.

**ND - John WA (Colton Brown) 14:05**

Okay yeah, yeah, yes. 100 bucks. I pressed an extra zero and got \$1,000 and I was like, uh, doesn't make any sense. Alright guys, we got to somehow send Alex one grand. Yeah. So there you go. Damn. Sent, Alexander, save that message somehow. Four chevrons, four [inaudible], four... cool.

14:36

And I, uh, this is um, the, because the other hike was so fun, I am potentially interested in going into another hike, and if I do end up going to that one, maybe it would be easiest for me to transport the patches back up.

**Underage Minor, Name Withheld** 14:55

Hey, you know, if you're interested, if you're interested in going, do uh, do members ever fly together? Is that something that they do?

**ND - John WA (Colton Brown)** 15:05

Yes, we've done that for like all the last few events that we've attended.

**Underage Minor, Name Withheld** 15:11

Hey, I'd be more willing to go if I, if I'm going with somebody else.

**ND - John WA (Colton Brown)** 15:16

Charles, you're a goofball. All right. So what we do when we go to an event is everyone gets the same flight. And then that way, we're all in the airport together when we go there. And then when we get out, and we have a ride for all of us, um, you might have your own seat, away from guys in the plane, unless you like, pick a, pick a seat with someone else. Like I flew with Matthew Washington, down to San Antonio, next to him. Oh, yeah, like, you're going to be fine, man, we're gonna take care of you. You don't need to need to be worried at all. But airport, airport security and all that jazz isn't, it's not that bad.

**Underage Minor, Name Withheld** 15:54

Oh, well, I mean, I fly every year, but I always, you know, I'm going with my family.

**ND - John WA (Colton Brown)** 15:59

Right. And you can order a ticket as long as you like, have your, your first, last name, debit card, whatever. I mean, I can buy you a ticket if you want. I've bought tickets for guys in the past. That's actually how we used to do it, was that the Network Director would buy everyone's tickets for them. That way, we would not reveal the location to people. But the downside of that is everyone doxes their information to the Network Director, which, um, well, Network Directors should be trusted individuals who clearly aren't going to do anything malicious with that information. But I know guys just weren't really comfortable with that. And I was waiting for them to like, Venmo me, so I just, I hounded guys to buy a ticket by this day, buy the same flight. And it didn't necessarily reveal the march location, it revealed what state we're flying to, and that was it, but it worked out fine. And I think that's how we should just continue to do it. What do you think, Lawrence, think that's good, to just tell everyone, get this ticket, get this flight, airport, rather than them all doxing their info letting the ND buy them?

**ND - Lawrence FL** 17:12

Yeah.

**Underage Minor, Name Withheld** 17:13

That would work a lot better for me because I don't have an account, you know.

**ND - John WA (Colton Brown) 17:17**

Right. I mean, like, literally, like I can just add you to my ticket and I add your first and last name and then whatever else info, boom. I bought you a ticket.

17:30

Yeah.

**Underage Minor, Name Withheld 17:30**

I can't Venmo you, can't Venmo you though, I can only give you cash, that's the best I can do.

**ND - John WA (Colton Brown) 17:35**

Fine. We're not really flying anywhere anytime soon. Unless I decide to go to the Southwest hike. Um, I don't know though. I think uh...

**Underage Minor, Name Withheld 17:51**

Hey, sounds like it'll work to me.

**ND - John WA (Colton Brown) 17:53**

[Using antisemitic mock Jewish accent]: I'm kinda tired of spending money.

**Underage Minor, Name Withheld 18:01**

You wanna, you wanna be able to be a shekel hoarder for, for once?

**ND - John WA (Colton Brown) 18:06**

Yeah, I would like to have some money in the savings.

**Alexander OR (Richard Flannery) 18:09**

John, do, do what I did. I only eat ramen now. I'm on the Thomas diet.

**ND - John WA (Colton Brown) 18:15**

Oh my goodness, John, John's dad told me that, he was, John, John Utah's dad was giving me advice on like, how to be successful. And he has a very thick German accent. And so he's like, listen John, you just you just have to eat a Cup of Noodles every day. On and on about how like, you need to eat Cup of Noodles. It was just it was so funny. Listening to Arnold Schwarzenegger telling me that I have to live off a Cup of Noodles if I'm going to be successful in life.

**Underage Minor, Name Withheld 18:44**

All right. All right. Listen, so I've been meaning to bring this up and nobody looks in the damn chats or responds to me. There are several protests happening that's going to have a lot of people at it, you know, probably young people too. I know these are organized by boomers but you know, young people straggle along, and I think it would be a good opportunity to go there. And you know, you're saying that

you didn't want to get any debates with these people. But I don't see why we have to get in debates with them, you know?

**Alexander OR (Richard Flannery) 19:09**

Why not sticker the location or put fliers in the location before their event?

**ND - John WA (Colton Brown) 19:15**

Yeah. I love doing that.

**Alexander OR (Richard Flannery) 19:16**

Oh, yeah, that's, that's fun to do.

**ND - John WA (Colton Brown) 19:18**

Thomas wants me to help with creating a guide for going out and handing out flyers to crowds. And he believes it's an effective form of activism. So yes, we can do that.

19:32

Awesome.

**ND - John WA (Colton Brown) 19:33**

So Charles, send me, message me on RocketChat, all the details you have for these things. And if they're reasonable, they, like, I'm a weekend warrior. I work late every day on weekdays. So it's kind of hard for me to do stuff on a weekday. So if one of these protests is on the weekend, I definitely can probably help make that happen for sure. Yeah, just message me the details and then [inaudible]

**Underage Minor, Name Withheld 20:00**

I'll have to check [inaudible]. There's two, they're both simultaneously after each other on the second and the third of next month.

**ND - John WA (Colton Brown) 20:07**

[Inaudible] it on RocketChat, because I won't remember you telling me.

**Underage Minor, Name Withheld 20:12**

All right, alright, you got it.

**ND - John WA (Colton Brown) 20:15**

I'm not good at remembering numbers on the fly.

20:17

Yeah.

20:18

[Inaudible]

**Underage Minor, Name Withheld** 20:19

So the Southwest hike is next month, right?

**ND - John WA (Colton Brown)** 20:25

Yes, end of September last, last weekend.

**Underage Minor, Name Withheld** 20:28

Alright, that should be enough time to scrounge up funds for that. And yeah, if we're able to work this out, sounds like a plan to me. I'm just, I am going on a hike with my friends, and there won't be any service.

**ND - John WA (Colton Brown)** 20:41

Okay. All right. I guess we're going, we're going, it's final, multiple of my guys want to go so I'm gonna go, Vincent wants to go, Vincent, you could probably, you know, somehow acquire Charles, maybe he can taxi closer to you, or...

**Underage Minor, Name Withheld** 20:59

Will need a ride, yes.

**ND - John WA (Colton Brown)** 21:00

Have, uh, you can have a ride by then.

21:04

Absolutely. If I go, Charles, you are welcome to ride with me. That's no problem at all. Driving up there is pretty easy for me.

**ND - John WA (Colton Brown)** 21:11

Okay, let's uh, let's just do a head count then for the Southwest hike, who is interested and who wants to go? Who wants to go meet a bunch of PF guys? I heard, also I heard Thomas is coming.

**Alexander OR (Richard Flannery)** 21:22

Yes, he is coming.

**Underage Minor, Name Withheld** 21:24

Okay, now I have to go.

**ND - John WA (Colton Brown)** 21:26

Ok, southwest hike, Charles, Alexander,...

21:31

What day is it, or days?

**ND - John WA (Colton Brown)** 21:33

...Vincent. The last weekend, it's Friday, Saturday, Sunday, just, just like how we set up ours I'm pretty sure.

**Alexander OR (Richard Flannery) 21:40**

Yeah, 24, 25 and 26. Of September.

**ND - John WA (Colton Brown) 21:46**

Ok, I will be right back.

**Underage Minor, Name Withheld 21:49**

And we fly and get back and I'll be able to get back in the morning, I'm hoping.

**Tyler WA (James Johnson) 21:59**

I'll check, I know I'm on call but it might be the following week so I might be able to make that. I'll have to look on the calendar.

**Underage Minor, Name Withheld 22:06**

I mean, I got school so I have to be back on Monday before school.

22:14

I'm guessing, I've never flown anywhere to do a hike before, but if we're going to need the tents and climbing poles and things like that, that probably means we'll have to do, check the luggage, maybe, maybe to save costs, us, those of us flying from Seattle maybe we, I can just bring one thing of luggage, we all throw all of our checked luggage stuff in one piece of luggage and then fly that over, just so we don't have to check multiple pieces of luggage, because I'm, I'll probably be fine with just a carry on and then checked luggage for the tents and trekking poles.

**ND - John WA (Colton Brown) 22:45**

Ok, yes, yes so what I believe we are doing is, we are, it's like any other event or demo. We are going to fly in Friday at some reasonable time and then, or maybe we can make it a little unreasonable and get the California guys back for making us get up at the asscrack of dawn to take them back to the airport. Um, he he he, that's petty. Um, but yeah, fly in a reasonable time on Friday and then fly out Sunday afternoon at some point, probably I would say late Sunday night, and I would even say, like, it'd be wise to get Monday off with work, and it is the last weekend of next month. Which is September 24, 25th, 26th. So, southwest hike... [inaudible]... head count so far is going to be Charles, Alexander, Vincent, John WA, we have a Don WA, where's Don WA? Oh, he didn't get Mumble set up.

**Underage Minor, Name Withheld 23:50**

That reminds me of uh...

**ND - John WA (Colton Brown) 23:51**

Forgot about him.

**Underage Minor, Name Withheld 23:52**

...you guys watch any Frank Hassle?

**Alexander OR (Richard Flannery) 23:55**

Yes.

**Underage Minor, Name Withheld 23:56**

Well, Don WA, Don Wario, coincidence? Frank Hassle is amongst us.

**ND - John WA (Colton Brown) 24:02**

Oh, where is his account? Oh, he didn't even know we had a meeting, I haven't added him to the PNW general chat. Gosh darn it. He could have been here.

**Alexander OR (Richard Flannery) 24:10**

Aw, I didn't even get to say welcome to him.

**Underage Minor, Name Withheld 24:17**

Now all I can think is Dr. Don Wario.

**Alexander OR (Richard Flannery) 24:20**

Oh, Tyler, because of you, I'm getting Pit, uh, Pit Vipers now.

**ND - John WA (Colton Brown) 24:27**

I had mine but I fucking put them in my other backpack. It was gonna wear em too.

**Underage Minor, Name Withheld 24:34**

What is this that you are speaking of?

**ND - John WA (Colton Brown) 24:35**

Red, white and blue ones. Vipers, they're cool edgy sunglasses for white supremacists. Um.

**Underage Minor, Name Withheld 24:40**

Oh yeah.

**ND - John WA (Colton Brown) 24:42**

Okay, who else wants, is interested in going to this hike? Tyler?

**Tyler WA (James Johnson) 24:48**

I'll look at my calendar, I'm interested but I'm, I know I go on call but I don't know if it's the following week, or if it's that week, so [inaudible]

**Underage Minor, Name Withheld 24:57**

You gonna have a foreign legion arriving to Commiefornia.

**ND - John WA (Colton Brown) 25:03**

Tyler's a maybe. Ethan, Marcus?

**Underage Minor, Name Withheld** 25:10

That's where this is taking place, right, Commiefornia?

**Alexander OR (Richard Flannery)** 25:12

Yeah.

**ND - John WA (Colton Brown)** 25:13

[Inaudible]

**Alexander OR (Richard Flannery)** 25:14

Yeah, yeah.

**ND - John WA (Colton Brown)** 25:15

No, no, you don't need to know. Don't know where it's at.

**Alexander OR (Richard Flannery)** 25:19

That's not enough of a general location. I'm not spoiling anywhere.

**ND - John WA (Colton Brown)** 25:22

Somewhere, somewhere in the southwest. Unless any, if anyone else is interested in attending that and flying out, you're more than welcome to. It's not like it's an event in your backyard. And it's not a march. So you don't have to feel like you're obligated to go. But oh, speaking of which, December 4, Thomas says that unless it is your own wedding, or your own funeral, need to be there, it is going to be bigger than the last one that we had. And he expects a 120% attendance rate, if this is going to be successful. The reason why Philadelphia was success, right? And we didn't have guys end up going to jail. We didn't have, we didn't get beat up by that mob that was following us, was because we had the numbers, right? There is no way the whole entire police force of Philly would have been able to shuttle all 150 guys to jail for walking around with a flag. Correct? But let's say there was a lot less than us, though. We've had demos in the past that were less than 50 guys. If that was the case, they probably could have easily done that in a couple hours and shut us up and kept us in jail for 24 hours if they wanted to. Right? So everyone being there is helping out with everyone's safety. Alright.

**Underage Minor, Name Withheld** 26:43

Well, you're buying me a ticket, again, tell me how much.

**ND - John WA (Colton Brown)** 26:48

Fine. So December 4th, all of us are going.

**Underage Minor, Name Withheld** 26:55

And actually, if we could buy the actual, okay, is this during the weekend? I mean, like...

**ND - John WA (Colton Brown)** 27:01

Yes.

**Underage Minor, Name Withheld** 27:02

You gotta understand...

**ND - John WA (Colton Brown)** 27:03

It's six months in advance. There's absolutely no reason whether it was on the weekend or not, you could not make this happen six months in advance.

**Underage Minor, Name Withheld** 27:11

Well what do you want me to [inaudible]? If this isn't on a weekend, and I have school?

**ND - John WA (Colton Brown)** 27:22

Well, I will, I will help you do your homework. Alright, so December 3rd, 4th, and 5th is when it's probably going to be. So I would say get the 3rd, 4th, and 5th of December off. And then I would recommend getting the 6th off. That way you can have your own chores and have stuff to do yourself. I like to have a day off after an event. So I take Friday and Monday off of work. And I already have Saturdays and Sundays off. So it's pretty convenient for me. Um, so 3, 4, 5 December.

**ND - Lawrence FL** 27:53

Hey Charlie, yeah, it'll be a weekend, you'll be fine.

**Underage Minor, Name Withheld** 27:57

All right. Well, that's good. Because there's absolutely no way I could weasel my way out of it.

28:03

[Inaudible]

**ND - Lawrence FL** 28:04

Yeah it'll be good, don't worry.

**Underage Minor, Name Withheld** 28:06

I up and leave during a school week and uh, I will be murdered when I get back. [Nervous chuckle]

**Tyler WA (James Johnson)** 28:11

Alright I gotta go to bed, guys. I'll catch you later.

**ND - John WA (Colton Brown)** 28:14

Yeah, so, I want to call it a meeting.

**Underage Minor, Name Withheld** 28:18

All right. Well, we will talk about this at a later date. But oh, yeah, um, Vincent, we should, oh Vincent's not here anymore.

**ND - John WA (Colton Brown) 28:31**

I adjourn this meeting. Um, Lawrence FL, meeting room three.

28:39

I'm still here, Charles.

**Underage Minor, Name Withheld 28:41**

Oh, you are, okay. All right. So we should try to, try to get Anthony, three of us to go do something. What do you think about that?

28:51

Yes, I agree. If you have any ideas for places for small banners, I still have two small banners in my possession, they would be not exactly appropriate for a large highway drop, but something that would be more for like a pedestrian bridge or a smaller road stuff. So if you have any ideas for that. I have a couple of small banners that we could, we could potentially drop and I know Anthony is pretty busy and relatively unresponsive, unresponsive recently, so I can, if it just had to be us. That'd be fine too.

**Underage Minor, Name Withheld 29:20**

Well, I do know of a couple going into the, going into Bellingham, that we could do that are pedestrian bridges. I'm always looking out for places to banner, I would have to get a more specific location on them. But that, that's a matter of just asking. And I'll drop you the locations in RocketChat. And we can organize a date to go do that.

29:43

Yeah, sounds good. The only complication I have is that my work, I have these late night meetings. I have like daily 8:30 pm meetings to tell some people overseas that they're, that they're being lazy and that they need to work harder, unfortunately. But that's it. That's a complication on my schedule, just so you know.

**Underage Minor, Name Withheld 30:03**

Alright, well, and you do you do those, you know, like every day?

30:08

Oh, most workdays.

**Underage Minor, Name Withheld 30:11**

Well, you don't work during the weekend, do you? Because the weekend would pretty much be the only time I would be able to do anything. Unless you want to, I'm probably gonna be getting a job. And you know, that'll have to be after school. So I'll have most of my schedule taken up. So I'll end up being a weekend warrior like John.

30:35

Yeah, that sounds good to me. I know I'll probably be doing something during the day on this Saturday. But potentially that night or Sunday could work or some other weekends.

**Underage Minor, Name Withheld** 30:45

Yeah, anytime in the next two weeks and works for me because I'm only doing one class at my school for two weeks. So I'm open for the entire day.

30:55

Cool.

**David WA** 30:58

If you're doing a banner drop, if you're doing a banner drop, make sure you have at least three guys, cuz like you can do, you can drop the banner with like two guys, but you need at least someone to film that. Because otherwise it's, it's like, you're not gonna get very good pictures.

31:14

I did it with two guys and a camera tripod.

**Underage Minor, Name Withheld** 31:17

Yeah, just pop it up.

**David WA** 31:18

That too, I mean, if you have that, that would work as well.

**Underage Minor, Name Withheld** 31:20

Vincent has a camera tripod. I'm willing to bet, [inaudible].

31:25

I have a couple, but thank you David for the call out, that's a, that's a good thing, though. Now I know to, to pack it. That's good advice. Thank you.

**Underage Minor, Name Withheld** 31:35

Yes, thank you. All right. Well, that's all I got, if you guys want to have some casual banter. It's...

**Ethan WA (Justin O'Leary)** 31:43

Yeah, I got a question for you before you hop out, bro. You said, what, second and third for the protests or whatever, next month? Are you talking Thursday, Friday this week?

**Underage Minor, Name Withheld** 31:56

Hold on a sec. Let me check the calendar.

32:00

Good point Ethan, you'd be like, ah, it's not the first next of month it's like, you mean tomorrow?

**Ethan WA (Justin O'Leary)** 32:05

Right.

32:05

It's Thursday and Friday, I'm pretty sure.

**Ethan WA (Justin O'Leary) 32:09**

What is this? COVID stuff?

**Underage Minor, Name Withheld 32:11**

Yeah, they're protesting COVID. It is. Yes, it is going to be next, it is Thursday and Friday of next month.

32:20

Where are they? I've been looking for anti protest, anti mask protests around my area. It's very Republican, but I haven't seen any activity.

**Underage Minor, Name Withheld 32:28**

They are kind of underground. I mean, that's the only way I can put it. They're kind of underground.

32:34

I've seen a few of them pop up around Snohomish. They're just appear and I'm not on social media. So I don't know how they're being organized. But I do see them [inaudible]

**Underage Minor, Name Withheld 32:41**

There's, there's like 500 people at the one that I saw last time that some of my family members went to, there's like 500 people, so, I mean, they're big, but they're, they're really underground and if you don't have a connection to find them you probably won't be able to.

32:57

How are they underground if they want to make, like, a public demonstration?

**Underage Minor, Name Withheld 33:02**

I don't know how exactly, they're hiding themselves so well when they're trying not to, but somehow they do.

33:07

What, where was the last one? At the hospital?

**Underage Minor, Name Withheld 33:10**

Yeah, it was.

33:14

How did that go [inaudible] law enforcement?

**Underage Minor, Name Withheld 33:17**

There was hundreds, there was hundreds of people there, apparently, from what I was told.

33:27

That would be my concern is like, a large law, a large law enforcement presence. People being suspicious of handing out flyers and stuff, flyering beforehand, that would be pretty cool, or stickers beforehand.

**Underage Minor, Name Withheld** 33:40

Well hey, what's wrong with handing out a couple flyers, what're the police gonna do about that, there's nothing illegal about doing that.

33:45

Reacting [inaudible].

**Underage Minor, Name Withheld** 33:52

Well, we're friends with the Republicans, they're not gonna do that to us.

33:55

Hostile forces walk among us. And Republicans are some fucking [inaudible]

**Underage Minor, Name Withheld** 34:04

Right I get they're sort of...

**Ethan WA (Justin O'Leary)** 34:06

Democrats are the real racists.

34:09

Oh, no.

**Alexander OR (Richard Flannery)** 34:11

That is true.

**Underage Minor, Name Withheld** 34:14

Have you, have you seen the real conservative challenge video, and the guy's like rap, conservative rap, and he's like, 'the liberals call us homophobes but I love gay sex'. That's basically the conservative line, they basically just parrot everything that the left said 12 years ago.

**Alexander OR (Richard Flannery)** 34:42

Don't you just love how these these parties all got co-opted by the gay anal empire?

**Ethan WA (Justin O'Leary)** 34:57

Wait Charles, what are we talking are we talking [inaudible] area, you wanna tell us the location, you're talking two, three days from now, what, around here, or not, or?

**Underage Minor, Name Withheld** 35:05

Uh, it's going to be at the, it's in Ferndale, actually.

**Ethan WA (Justin O'Leary)** 35:12

Where's that, Oregon?

**Underage Minor, Name Withheld** 35:14

No that's Washington, that's just above Bellingham or above Seattle. Just look it up on a map. Do you think you'll be able to make it, Vincent?

35:37

Probably not on Thursday, potentially on Friday, but I might have something else on Friday too.

**Underage Minor, Name Withheld** 35:42

It's between 5 and 7 pm, for both.

35:46

It's hard to do because I, I would have to be back to do my, my night call. Depending on the day. If it was Thursday it might be easier, actually then, if it's 5 to 7, but I would have to drive up there during some pretty heavy traffic times.

**Underage Minor, Name Withheld** 36:01

Yeah. I think I get the feeling that if this is going to happen, John will be organizing further.

**Ethan WA (Justin O'Leary)** 36:12

I'm jumping off, I gotta get to bed. See you guys later.

**Underage Minor, Name Withheld** 36:15

Alright, see you.

36:18

Same here. Have a good night everyone.

**Underage Minor, Name Withheld** 36:21

Alright, heading out.

36:24

Night.
