These recordings were taken by an anonymous source inside of Patriot Front during August to December 2021. Unicorn Riot has produced transcript PDFs, MP3s and videos from this set of recordings. The transcripts and the Mp3s use the same set of timecodes. The main report on our website uses separate timecodes that match our videos, which are lightly edited to remove silence, with an additional introduction and credits.

The .mp3 files (as opposed to slightly shortened videos) represent the uncut documentation of these Patriot Front voice meetings. These uncut audio files have been altered as little as possible in the interests of source protection.

Accuracy of transcripts and speaker identities

Unicorn Riot has done our best to compile transcripts with the most accurate time stamps and speaker identifications possible. Due to the combination of machine transcription and extensive human labor, there may be occasional errors in speaker IDs indicated in transcripts. but we are confident that the vast majority of the speaker IDs and content are correct. Some transcript timestamps are incorrect due to unavoidable issues with using machine transcription at scale, however, the majority are accurate.

Please note that these recordings may include Patriot Front members whose voices were not identified by us. When we were unsure about a speaker's identity we have left that line in the transcript without an assigned name, which machine transcription services usually tag as 'Unknown'. Many Patriot Front members have been identified by researchers, activists and journalists by linking multiple pieces of evidence to online personas.

SPEAKERS

Ethan WA (Justin O'Leary), All, ND - John WA (Colton Brown), Clarke WA (Jacob Sundt), Marcus WA/ID, Jack WA (Matthew Clement), David WA, Alexander OR (Richard Flannery), Johnny ID, Underage Minor, Name Withheld

ND - John WA (Colton Brown) 00:34

Alright. Marcus, you're not Network 8 Marcus, but you're more than welcome to hang out.

Marcus WA/ID 00:48

Oh, I'm sorry, you sent me the Network 8 group chat link and then you said "meeting".

ND - John WA (Colton Brown) 00:55

Yeah, I thought I added you to that channel forever ago but I was looking at the roster and I noticed that you weren't there and I was like what the fuck, and I tried to add you and it didn't let me so I sent you the invite link, but I want you and your region to start conducting your own meetings. I might pop in sometimes to just check on you guys but other than that I think you guys don't really need my help.

You're six, seven hours away from me anyways, you know, like, what can I do anyways other than provide insight.

Marcus WA/ID 01:28

Alright, understood, have a nice day.

ND - John WA (Colton Brown) 01:30

See you.

Jack WA (Matthew Clement) 01:32

See you, man.

ND - John WA (Colton Brown) 01:45

A lot less stress on my shoulders having not to deal with all of Oregon and Idaho, now I can just focus on on us.

Jack WA (Matthew Clement) 01:53

When did they get, become their own network?

Alexander OR (Richard Flannery) 01:59

What, Jack?

Jack WA (Matthew Clement) 02:02

Oh, I'm just I'm sorry. I didn't know I was unmuted. I'm unmuted. Forget it.

ND - John WA (Colton Brown) 02:05

What did you say?

Jack WA (Matthew Clement) 02:06

It was nothing.

ND - John WA (Colton Brown) 02:07

When did they what?

Jack WA (Matthew Clement) 02:10

It was nothing.

ND - John WA (Colton Brown) 02:12

[Inaudible] tell me. [Inaudible].

Ethan WA (Justin O'Leary) 02:13

He said when did they become their own network, there's just, we're a network and they're not in it, right?

ND - John WA (Colton Brown) 02:19

So we are now a network, those areas are not, they are simply [inaudible] network so they have to attend the non-network meetings, we don't have to anymore, we, uh, we just focus on building our network now.

02:47

I'm sad that we lost the Pacific Northwest regional chat, it was fun to talk with those guys.

ND - John WA (Colton Brown) 02:52

[Inaudible], tried joining Mumble chat but I was denied. Why didn't you set it up already?

03:17

Clarke Washington, he's the guy that I just vetted the other day in Olympia, is that right?

ND - John WA (Colton Brown) 03:22

Uh, yes. Johnny, just missed your boy Marcus. I told him he's not Network 8 anymore, so he was like, alright, peace, and left.

Johnny ID 03:46

Oh. Okay.

ND - John WA (Colton Brown) 03:48

However you're more than welcome to stay and hang out.

Johnny ID 03:51

Sure.

ND - John WA (Colton Brown) 03:51

I don't mind.

03:57

Oh, Ethan.

04:02

Ethan Ethan Ethan.

04:03

[Inaudible]

Johnny ID 04:05

Do you want to tell John the little mix up I made, or we made in the uh, the [inaudible]?

Ethan WA (Justin O'Leary) 04:16

What'd you say? Should we share it?

Johnny ID 04:18

Yeah. Do you want to share it?

ND - John WA (Colton Brown) 04:20

[Inaudible] funny [Inaudible]

Ethan WA (Justin O'Leary) 04:20

Yeah, if we're waiting on Clarke for a minute, might as well, I thought it was pretty damn funny.

Johnny ID 04:24

Okay.

Ethan WA (Justin O'Leary) 04:33

Do you want to say it or [inaudible]?

04:34

[Shrieking laughter]

04:37

[Laughter]

04:37

I'll, I'll share it.

Johnny ID 04:40

So I was talking to Ethan. We were just chit chatting. And I told him that I got those flowers from Mrs. Idaho. And he said, that curvy Latina? Like he says, oh, isn't Mrs. Idaho a curvy Latina? And I was like no, because one, I only marry whites, two, she's white, three, I was like, she's Italian. There was all that noise and then that was kind of awkward. And he goes no, no, no, no, no. The Miss America Pageant woman is a Latina, right? And I was like, oh, that's what you meant. So [inaudible] so I thought that he was calling Mrs. Idaho a curvy Latina, like, and I was just like, why are you asking me, that's really rude, but no. And it's almost kind of creepy, like I know you're with an Italian or something and I like think she's like Mexican. I'm like, [inaudible] thought she was a Mexican chick.

05:46

The conversation was going really well. It was just like, we were talking about stickers and posters, we were talking about flowers, [inaudible] up here. Yeah, is she a curvy Latina?

05:59

And you're like, what did you just say about my wife?

Ethan WA (Justin O'Leary) 06:06

After, after he said all that I'm surprised you didn't tell me to just fuck off or something.

Johnny ID 06:11

I was being rather, I was being polite about it because I was just like [inaudible]

ND - John WA (Colton Brown) 06:16

Wait, you guys don't have Latino girlfriends? Latinos are white, you know, some of them?

06:28

Yeah, I mean, you might be compliant with the Nuremberg laws or whatever, right, so?

ND - John WA (Colton Brown) 06:33

There's some Mexicans that are like, literally Spanish still.

Ethan WA (Justin O'Leary) 06:39

Right and even some of them still, even if they are mixed, it's like fuck, they could be like 80, 90 percent. That's what I was saying to Vincent, I was like, fuck, dude, we're not [inaudible] [inaudible] darn it, opened my mouth and now I'm throwing our guy under the bus. But uh, Clarke was fucking kinda late. I guess he got caught up in traffic and I was just making the joke, like we're not Spaniards, you know, we don't just fucking set a time and show up like an hour late.

Johnny ID 07:12

A beautiful flower [inaudible] plants with its roots.

07:22

What?

Johnny ID 07:22

Essentially, just because they be pretty don't mean that everything underneath the hood is going to be, you know, good.

07:38

Every rose has its thorns, that kind of thing?

Johnny ID 07:40

Well, no, it's a, oh, I'd love to put this beautiful flower into this garden, because, then, what's the harm? It's beautiful. You plant it, and then it just starts choking other weeds or other plants.

07:57

[Inaudible]

ND - John WA (Colton Brown) 07:57

Oh, there we go. Thomas. Thomas came in clutch. Hello Clarke.

Clarke WA (Jacob Sundt) 08:03

Oh, hey, there. There it goes.

ND - John WA (Colton Brown) 08:06

Nice to meet you. Welcome to the organization.

Clarke WA (Jacob Sundt) 08:09

Thank you. Good to be here. Sorry for the confusion there.

ND - John WA (Colton Brown) 08:12

Alright, on the count of three, I want everyone to welcome Clarke and say hi to him. One, two, three.

All 08:22

Welcome, Clarke.

Jack WA (Matthew Clement) 08:23

Welcome to the organization, Clarke.

08:26

Alright, beautiful.

Clarke WA (Jacob Sundt) 08:27

Thank you for the warm welcome boys.

ND - John WA (Colton Brown) 08:29

So we are, we are now officially a network, fellas. Yeah. So I'm not going to be hosting meetings across the PNW anymore like I previously was. Now that I have a lot more on my plate being a network director and that, and I kind of got sick of doing it anyways, when there's guys that are more capable of doing it themselves, the training wheels are off and they are going to be entrusted with building their networks on their own. They don't need me to host Mumble meetings, they don't need me to type, [inaudible] to wrangle the Oregon guys, it sounds like he might take the initiative and do that job. And as for over in north Idaho, Johnny might be doing it, he seems really avid in planning things and has a good head on his shoulders [inaudible] up to doing that, but who knows, there might be a new, a new guy that comes in his region that totally blows him out of the water and is totally more Network Director material than he is, you never know. But as of right now we need someone over there to fucking start picking up the pace, lighting a fire under people and getting stuff going. Alright, so without further ado, let's start this Mumble meeting. Um, so I want all you guys to look at the Network 8 chat. I posted our activities spreadsheet, I want you all to go look at it and give it a flag react because I spent a lot of time making that stupid thing because I'm boomer tech, so give it some love. And, yeah, just look at that for a minute. What we did. Beautiful. To me it felt like we honestly haven't done a whole lot in these past couple weeks but then I made that and I was like, actually that's good. It shows that almost every guy on there is really pulling his weight and it's, it's good, that's the type of activity I'm looking for, if we continue to do activity like that we are going to see really good growth. Moving forward, we have about four banners, those need to be dispersed around, how do you guys think that we should use those

banners? I think we should all actually, you know what, I'll just let you guys discuss amongst yourselves, how do you think we should use those banners? Where should we put them?

Ethan WA (Justin O'Leary) 11:03

Interstates.

ND - John WA (Colton Brown) 11:06

Okay.

11:10

[Inaudible] would seem best to me. Like maybe on junctions, kind of where I-5 and I-405 meet, or where I-5 and, crap what's it called, down here in Olympia, it turns into, 509, I think it is, there's just a lot more traffic.

Ethan WA (Justin O'Leary) 11:33

You know you have, what, 101 and 8 or something like that?

11:37

That's the one, 101.

11:43

I'd like to claim one of them up for the North End crew, we got some publicity from, from the WWU Western Washington stuff. I'm sure we could find a nice spot on I-5 near the university again.

ND - John WA (Colton Brown) 11:56

Yes, there is a roll cage up in Bellingham. I call it roll cages but, um it is a footpath that goes over, I think I-5, yes. And it is a complete chain link fence that goes all around, has a ceiling, over the walkway. I've seen guys do banner drops on those and they're really stinking hard to remove. Because you have to climb on top of the chain link to go get it down. So those tend to stay up a lot longer than one you just put up next the freeway and someone can pull up and pull it down real quick and drive off. So when it comes to planning banners, the key is to put them in an area that is hard to access. No amount of bike locks and padlocks and metal zip ties and grommets and stuff is going to prevent people from getting those banners down because they'll just call the city and the Washington State Department of Transportation will come tear it down. So we need to focus on putting them in locations that like, WSDOT isn't going to care about or it's just simply really hard to get. So overpasses that have a big fence. We can put it up against on the fence and leave it there, are good. And then, Jack, I want you to write all these ideas down. Take notes for the meeting.

Jack WA (Matthew Clement) 13:22

I'm currently doing that, it's fine.

ND - John WA (Colton Brown) 13:25

Beautiful, good work. Then, other places to put banners, I did think of, what if we put like a banner on the side of a cliff. Like you know, there's a lots of cliff faces that have like paint on them and stuff, facing

freeways that go out of the, out of the state and stuff. I was thinking what if we suspended a banner from one of those and we use like concrete stakes and rope to like hold it up. That's an idea. Or putting it from some of the big abandoned buildings that face the freeway around Seattle, Tacoma, other places like that. I've seen places that, that might be doable, gonna have to probably get like a tall extension ladder that like pulls out, like folds up into a small little ladder to hold, we can get one of those expensive, nice extendable ladders. And we could use those not only for those buildings, but also billboard cover ups, if we ever find a nice billboard that needs to be covered up. But there's one particular building off the side of the freeway exiting Seattle to go back down south on the right. It's got graffiti on the top of it. I really want to get up there and I really want to cover up that graffiti with some big banner stencils. I think it'd be doable. Um, another idea. Vicious. Another idea I've been looking at is coming into Seattle towards your right there is a side of a concrete wall with a nice grassy like platform to operate on on the side of the road and there's tons of graffiti on it. It'd be really easy for us to do it at night and not get caught, get the big stencil up and thousands upon thousands of people will see it the next day and it possibly will stay up for a long time until someone actually goes and cleans it up because we'll be using such big banner stencils, right.

Ethan WA (Justin O'Leary) 15:35

Are you talking about the convention center?

Jack WA (Matthew Clement) 15:38

Yeah, which direction, when you say it's on your right, are facing are you coming north, south, east or west?

ND - John WA (Colton Brown) 15:43

Yeah, it's like, it's in Seattle, like I don't know if it's coming right into Seattle, but it's definitely like, in the main artery if you just were to drive straight up to Bellingham, we just go straight through I-5 I think, and stay on I-5, it's on the right. I don't know, I've been trying to look around on Google Maps/Google Earth, that, that program is a little outdated, so, you know, it's probably not showing current spray paint and that's probably why I can't find it. But when we do the stencils, if you guys have all read the guides, I know you guys have all read the guides right? So, you better, though, there's in the stencil guide, we need to only put up our stencils over where there's already graffiti so we can argue that there's plausible deniability if we ever do get in trouble and the court case will get dropped. But um, but we just don't get caught. We're quick about it, we're efficient, professional, [inaudible].

Jack WA (Matthew Clement) 16:34

Professional tagging.

ND - John WA (Colton Brown) 16:36

Yes, professional tagging, it does look professional too, you know, this, the swath of disgusting graffiti, you have a whited-out area with our nice orderly stencils and it just kind of highlights what we do and what our purpose is in this world, is to create order, compared to all that other degenerate filth that's all over the wall. So those are some ideas. I also would like to see some more stuff done in Snohomish County. Do you guys remember, during those BLM riots, Snohomish County, they had people that were boarding up their businesses. They were standing outside of them with AR-15s, open carrying rifles,

they had barricades all up and down the streets. So I think, you know, we might have some sympathetic people out there that are, they're sick of the way things are right now, and there's some people in that crowd that are somewhat redpilled you know, they're on board with what we believe. So I want to definitely start doing more activism there. So when our posters come in, we're gonna probably hit Snohomish County kind of hard.

Jack WA (Matthew Clement) 17:49

I suppose you're right, John, when you're talking about ideas for the banners, we've got four banners. You don't want to put them on overpasses anymore. You want to put them on cliffs and abandoned buildings?

ND - John WA (Colton Brown) 18:02

We can, because it, because it, ultimately more people are going to see online than they do in person. I'm just saying that there's areas that are simply better for putting them on but if we want to just put them on a regular overpass like during rush hour traffic when traffic is backed up to the moon and tons of people will see it, that's fine, it's still, still a bunch of people are going to see it, it's going to be effective and especially because it's during rush hour traffic, you know, Washington State Department of Transportation is going to be busy, they're gonna be stuck in traffic, they're gonna take a while to get it, a bunch of people will see it...

Jack WA (Matthew Clement) 18:36

Yeah, I like that bridge that we hung it over...

ND - John WA (Colton Brown) 18:39

...like after work.

Jack WA (Matthew Clement) 18:40

...a long time ago in Olympia. There's the one that overlooks I-5, it's the one with extra high fencing, you know what I'm talking about, extra high fencing very high up above the freeway [inaudible].

ND - John WA (Colton Brown) 18:53

The big arc, big arch? Yeah, I want to do, I want to finish our stencil sets so we have the complete alphabet with the giant letters and do another one of those ones like we did over the portal, that says Reclaim America, patriotfront dot us all in the big three foot letters and it'll be two banners glued together. Out of the suburban area of Seattle to go down in rural areas and fish and all that when there's lots of heavy traffic on like a Friday night or maybe on a Sunday when they're all coming back in. That'd be good. We could also do one over I-90 over in Kittitas. We did that on a Sunday, back in, that'd be good. But, just did stuff there. I gotta still finish, I just now got my, my SD card reader so we can take all the photos and video from the nice camera that Vincent has and I'm internally uploading it all right now.

Jack WA (Matthew Clement) 20:12

So I-5, I-90, [inaudible] a little bit ago, was it Ethan, you had a suggestion?

Ethan WA (Justin O'Leary) 20:24

You said did I have a suggestion?

Jack WA (Matthew Clement) 20:26

Yeah, for where to drop a banner, are we talking about I-90, I-5, I thought you said something a couple minutes ago, maybe not.

Ethan WA (Justin O'Leary) 20:32

I was just saying interstates in general, because obviously you want to hit high traffic and yet preferably somewhere where it'll stay up for a minute and I think, like you guys were saying, when you come in I-90 westbound, like I think you guys have hit that, right before you go in the old tunnel before you hit Seattle, that's like a good spot.

Jack WA (Matthew Clement) 21:00

I almost want to get a couple of spots that are, I don't want, that are out of Seattle away, like in Lewis county here there's a couple of interstate, or a couple of overpasses, that do have those bars we could put zip ties on, they're not just like the freeway median, I almost want to hang it there, see how long it would last in the middle of nowhere. Well, it's not in the middle of nowhere but on an overpass that's not near a busy city. Going [inaudible].

ND - John WA (Colton Brown) 21:27

We did, the one we did in Vancouver stayed up for a week, remember, that one I had you plan forever ago.

Jack WA (Matthew Clement) 21:34

Nice, yeah, we can do that one again, that exact same spot.

ND - John WA (Colton Brown) 21:39

Sure. So what do you guys think, should we make a day of doing all four of these banners at once, do you think we should split up in a, in a couple few different groups of threes and put them up in different areas, should we, all of us together, go and put them up in different areas to look like we have more guys in the action report? How do you think we should go about doing it?

22:04

I like that idea. But it'd be nice to get some some distance on these two, so if we're thinking about doing Bellingham and then Vancouver that's going to be a good amount of time.

Jack WA (Matthew Clement) 22:14

Well, the idea would be instead of all of us go do one, it'd be like four banners, same time, crews of two or three, or crews of two, because we've got eight guys, eight guys four banners. If each of us pair up we could drop one, but I know that the distance isn't quite equal, for guys to.

ND - John WA (Colton Brown) 22:39

Well if we look at the map we got, so we got guys down south, Olympia, Centralia we got [inaudible] area and stuff. Don't have anyone in Tacoma or Lakewood or Parkland, or between really Seattle and Olympia, so we might want to do some stuff in Tacoma. We haven't hit Tacoma in a while.

Jack WA (Matthew Clement) 23:09

[Inaudible] that's not bad.

Ethan WA (Justin O'Leary) 23:11

Yeah Tacoma and like you're saying Lakewood or whatever, I think that's a real good area, I mean, cause you get, you know, it's, it's not super far out, you know, we have like [inaudible].

ND - John WA (Colton Brown) 23:27

[Inaudible] not always, it's like a 45 minute drive.

Ethan WA (Justin O'Leary) 23:30

Well that's because you're like fucking 40 minutes off I-5. I mean, for me to hit Tacoma that's, that's pretty close by really, if we had more guys out there it'd work out well, you know, for me at least.

Jack WA (Matthew Clement) 23:52

I feel the same way about Lakewood. I'm happy to have a guy in Olympia. Nice. Glad you're here with us Clarke, very cool.

ND - John WA (Colton Brown) 24:20

Sorry I dropped connection or something. Um, what about another mural cover-up?

24:28

Is he all set, John? Is Clarke all set?

Ethan WA (Justin O'Leary) 24:36

Yeah, he was talking.

24:37

Okay.

24:41

Hey Clarke, are you there?

Ethan WA (Justin O'Leary) 24:44

He might be in work or something, who knows? And he's just staying muted. I don't know.

Jack WA (Matthew Clement) 24:51

That's true, but he did say something earlier. So. [Inaudible].

25:00

He said his work break was starting at [inaudible].

ND - John WA (Colton Brown) 25:02

Hello, testing, testing, can you hear me?

25:04

Yep, we can hear you.

Ethan WA (Justin O'Leary) 25:23

But anyway as you were saying, murals, like I, like I mentioned to you before, I'm pretty sure that one under, I think it's on Spokane or whatever, right under, like, basically the West Seattle bridge kind of, I think that Floyd mural's still sitting there.

25:42

Oh there's a Floyd mural in Spokane?

Ethan WA (Justin O'Leary) 25:45

No, Spokane Street in Seattle.

ND - John WA (Colton Brown) 25:47

What's going on with my headset? Hey, so what if we, what if we did another mural cover up? What do you guys think?

Jack WA (Matthew Clement) 25:56

He was just talking about that.

Ethan WA (Justin O'Leary) 26:00

Yeah, the one underneath the West Seattle bridge or whatever on Spokane Street in Seattle?

ND - John WA (Colton Brown) 26:06

Where is that?

Ethan WA (Justin O'Leary) 26:09

You know where Costco in Seattle is?

ND - John WA (Colton Brown) 26:16

But what, where is it? [Inaudible]

Ethan WA (Justin O'Leary) 26:20

Yeah it's Spokane and, I don't know maybe 4th or something like that?

ND - John WA (Colton Brown) 26:26

Find it on the map real quick, and then send me the... where is the mural on, is it like on the side of the road or what?

Ethan WA (Justin O'Leary) 26:49

I think it's like the side of a building or something.

ND - John WA (Colton Brown) 26:58

Find it and get back to me.

Ethan WA (Justin O'Leary) 27:01

Alright, I'm looking.

ND - John WA (Colton Brown) 28:31

Oh there is also a Black Lives Matter mural somewhere in downtown Seattle that Tyler mentioned that was on, like, the African Heritage Museum or something? Get [inaudible] some guys [inaudible] different mural out of it, you know?

Johnny ID 29:09

Hey, I got a question for you guys. So, so a lot of places in northern Idaho don't necessarily have any stencils already. Like a lot of people don't do graffiti up here, or it's at least, it's really handled well by the cities. So what was your, what would be your recommendation for PF stenciling in this area? Because I've been told like, hey, unless someone hasn't, unless someone has done stenciling there before, don't do it.

ND - John WA (Colton Brown) 29:47

Yeah. Have you read the stenciling guide?

Johnny ID 29:49

Well, yeah.

ND - John WA (Colton Brown) 29:51

So don't, don't stencil something that doesn't already have artwork or graffiti on it, but the only artwork we cover up is anti-American artwork and that's when it's extensively planned with the help of said network director or Thomas. But yeah, don't just graffiti anywhere. No, the world's already ugly enough as it is we don't want to help contribute, though just, and for legality reasons, you can argue plausible deniability in your case. Let's say you get in trouble, you get caught putting up a stencil on the side of an underpass but there's already graffiti there, you can argue that the state never cared in the first place though and then you can beat the case. That's for people's safety, why we have that [inaudible]. Because we've had a lot of guys that went and they just grabbed the spray paint and they went crazy and they kept getting in trouble because they didn't know what they were doing, so, that's why we follow the guides and we plan stuff, you wear a mask, hide your face, no face no case, leave your car parked a long ways away, scout the spot out beforehand and already have been well practiced with using stencils in the first place.

Jack WA (Matthew Clement) 31:10

What was the question? Maybe I missed it.

ND - John WA (Colton Brown) 31:21

That answer your question?

Johnny ID 31:23

I mean, so in essence we don't stencil up here, that's what I'm getting.

ND - John WA (Colton Brown) 31:30

Spokane is a good spot to stencil. [Inaudible] probably ask Thomas a little bit more, like if there's some abandoned place you could probably stencil it and stuff, but otherwise I wouldn't go out of your way to just start vandalizing underpasses. So next weekend, the weather, fellas, see what the weather's like. I think we're in soon for another fitness day and throwing up some banners. Looks like it's gonna be pouring next weekend so I don't wanna do fitness in the rain. We can, let's go do those banners. Did we agree on where we're going to deploy those? We should do one here, one there.

Jack WA (Matthew Clement) 32:41

Where's here and there? We're all in different places.

ND - John WA (Colton Brown) 32:45

Everett really liked it when we did that last one. They complained and they tried to do a manhunt. I think somewhere in Seattle would be good.

Johnny ID 33:04

I'll leave you guys to your planning, I'm going to go up to #general.

33:09

Alright, enjoy.

33:10

See you, man.

Johnny ID 33:10

See you guys.

33:12

See you.

ND - John WA (Colton Brown) 33:17

We could do somewhere, another one in Seattle but only somewhere that'll get a good response. Then, I wonder if there's anywhere to do a drop in Kent. We haven't really done much in Kent. What about Burien? Burien really likes us, remember when we took all their fag flags?

Ethan WA (Justin O'Leary) 34:12

You talking about a banner drop in in Burien?

ND - John WA (Colton Brown) 34:15

Yes.

Ethan WA (Justin O'Leary) 34:17

Well there's one of those pedestrian bridges that are, you know, all boxed out like you were talking about on 509 in Burien. It's got barbed wire. So you'd either have to cut that or throw something on it and...

ND - John WA (Colton Brown) 34:43

It's close to you, go scout it out and get back to me. Asking too much?

Ethan WA (Justin O'Leary) 34:54

Nope.

ND - John WA (Colton Brown) 34:57

There's also one overpass in Sammamish, when you drive up, take [inaudible], Fall City Road. One overpass that's like a bougie shopping area, that might be kind of good. I don't know. I'm kind of inclined to do some more stuff in like Tacoma and Lakewood because we haven't in a while, it'd be nice to get a guy down there.

Ethan WA (Justin O'Leary) 35:38

Yeah a lot of traffic and all the kind of, all the like, suburban or you know, commuter areas feeding into Tacoma I think are pretty white so there's probably a lot of guys, a lot of good potential people out there.

ND - John WA (Colton Brown) 35:54

Yeah, so definitely do Lakewood. [Inaudible] Lakewood.

Jack WA (Matthew Clement) 35:59

Yeah, I mean, I'm, I know that myself and Clarke are probably the closest to Lakewood and I have a banner. So I would love to drop that. Now whether it's gonna be this weekend coming up. I don't know, I got my sister's wedding this weekend. And [inaudible].

ND - John WA (Colton Brown) 36:17

Fair. I might want you to hand that off to Clarke or someone else.

Jack WA (Matthew Clement) 36:21

Yeah.

ND - John WA (Colton Brown) 36:23

What if we did a drop in Gig Harbor? But also eventually we need to start doing some stuff over in Bremerton. Bremerton is very leftist, it's very far out of the way. Sort of. Have to take a boat ride to get there sometimes.

36:41

Silverdale, Silverdale and Poulsbo probably have some some people who are supportive of the cause. And Silverdale is pretty, like I think they would have some some bridges that would be good for it.

ND - John WA (Colton Brown) 37:05

So, we have four banner drops, we got four banner drops in a lot of locations. Seattle, we've done a bunch of stuff in Seattle, Kent, we haven't done Kent in a while.

37:16

I wrote a lot of it down if you want me to go over it.

ND - John WA (Colton Brown) 37:18

I wrote some down too. Burien, we definitely should do something in Burien, I know that'll, I think that'll get some coverage, potentially. Where did Clarke go?

Ethan WA (Justin O'Leary) 37:36

His break's probably over or something, he probably had to go back in.

ND - John WA (Colton Brown) 37:40

Oh. Okay, so.

Ethan WA (Justin O'Leary) 37:56

Where's Charles, he couldn't make it?

ND - John WA (Colton Brown) 38:01

He's like, camping or something, he said.

Ethan WA (Justin O'Leary) 38:03

Okay.

ND - John WA (Colton Brown) 38:07

So I think definitely Burien, definitely Lakewood, a couple down there, and then head straight up to Bremerton if we wanted to. Lakewood...

Ethan WA (Justin O'Leary) 38:33

Stop on 16 and shoot out into Kitsap.

ND - John WA (Colton Brown) 38:36

Alright yeah, I think, where to do the fourth banner, maybe one in Bremerton and then one also in Silverdale, wrap it up and call it a day and go get food somewhere and hang out for a little while. How's that sound?

Jack WA (Matthew Clement) 39:09

I'm always down for food.

ND - John WA (Colton Brown) 39:12

We gotta spend more time just hanging out doing stuff, you know, rather than just work. Kinda lame when we just get together and do actions and then go straight home, you know?

Ethan WA (Justin O'Leary) 39:27

Yeah, I was thinking that it'd be nice to sit down and eat. I know the last two weekends we ended up taking like eight hours to do shit anyway, so wasn't really time.

ND - John WA (Colton Brown) 39:39

Yeah, for this, I reckon we can get it done in like, aside from driving, I think all the actions together would probably be about two hours. To do a drop in Lakewood, do one in, well Burien's a little out of the way. What if we did one in Burien then we linked up with you guys and then did the rest? So me, Vincent, the North guys, drop the one in Burien, head down south, meet you guys in Lakewood and drop into Gig Harbor. We outta do something in Gig Harbor too if we're going to do that then, what stickers and flyers do we have?

Ethan WA (Justin O'Leary) 40:34

Did you just get that box or that was something else?

ND - John WA (Colton Brown) 40:38

No, that was a box of Amazon stuff that we ordered that we needed, like this SD card reader and other things.

Ethan WA (Justin O'Leary) 40:46

Oh.

ND - John WA (Colton Brown) 40:46

Charles is online. I think that'll keep us pretty busy for next weekend then, to do a few banners, and then I think our posters, stickers will arrive soon. I'm gonna ask Thomas. I'm gonna ask Thomas what the status is on that order.

42:22

[Inaudible]

Ethan WA (Justin O'Leary) 42:29

If it's not shipped yet should we expand it?

42:31

[Coughs]

ND - John WA (Colton Brown) 42:34

Probably could. Hello, Charles. Why are you, why are you late?

Underage Minor, Name Withheld 42:39

Uh, I don't have any good excuse. I just didn't check, uh, the server.

ND - John WA (Colton Brown) 42:45

You're, you're a bad boy. You owe me 20 push-ups.

Underage Minor, Name Withheld 42:50

I, I already did leg day earlier this weekend.

ND - John WA (Colton Brown) 42:56

So, um, you missed out, we all said hi to Clarke, introduced him to the organization. We've been having our first ever network Mumble meeting, um. You see the, go to Network 8 and go look at the activity spreadsheet that I made, and go react to it.

Underage Minor, Name Withheld 43:13

Ok, ok. I'm gonna go look at it.

ND - John WA (Colton Brown) 43:19

And then right now we're talking about where we want to drop some banners. But I think we're going to do stuff down south, that's the plan.

Underage Minor, Name Withheld 43:28

Hey, Vincent, Vincent.

43:31

Yeah.

Underage Minor, Name Withheld 43:33

So I got school on Friday, the 24th. But, uh, if we can leave after school, that would really, I mean, that would, that would work out if we can leave after, which I usually get out at like, at like three o'clock. Oh, actually, that's wrong. Because now I'm doing you know, my schedule changed, I only have like one class per day. And that's actually bad news. I have my classes in the afternoon.

ND - John WA (Colton Brown) 44:05

I think this is between you two, you can discuss this in DMs. But now that you are both here. Charles, Vincent, weren't you guys both interested in going to the southwest hike in California?

Underage Minor, Name Withheld 44:20

That's what I'm talking about.

44:21

Yep. Yeah, we were planning., we were planning how we're getting there offline. And yeah, we can, we can continue that unless we want to talk about it now. But I think Brandon wants us to arrive as soon as

possible since the site is six hours away, or something like that. So it's going to be, it's gonna be quite a drive and Brandon wants us to arrive as soon as possible. I might ask if they need any extra vehicles, because if we can do a vehicle rental, maybe we can just drive up when, when we're both available or I could wait at the airport for you or something like that. But I can, I can connect with him and see see what's up on that front, but he probably won't want us to arrive super late because I'm sure they'll have stuff going on during Friday.

Underage Minor, Name Withheld 45:06

Okay, so I see this activity spreadsheet. Last two weeks. We acted, okay but um, yeah, no, I have classes in the afternoon. And so I just don't know how I'm supposed to get out of that.

ND - John WA (Colton Brown) 45:29

You say you have an important wedding or something to attend and make up a good excuse. [Inaudible] should be good excuses.

Underage Minor, Name Withheld 45:41

Yeah, but, but then there's my parents, you know?

ND - John WA (Colton Brown) 45:45

Tell em you're going camping, I guess.

Underage Minor, Name Withheld 45:47

Yeah, but my parents aren't gonna be okay with me leaving my classes to go camping. Yeah, it just doesn't, you know, it doesn't really work out.

ND - John WA (Colton Brown) 45:56

Well, it's something for you to figure out, I guess. But you're definitely coming in December 4.

Underage Minor, Name Withheld 46:02

Oh, oh, yeah, I guess I'm trying to figure that out. I'm definitely coming?

46:08

I forgot to mention that to work.

ND - John WA (Colton Brown) 46:12

Yes, you better come, all of you have to come. Like, literally, like, Thomas stressed that literally everyone in the org needs to be there.

Underage Minor, Name Withheld 46:25

Alright, well, anyways, where were we?

ND - John WA (Colton Brown) 46:29

We are going to do some banners next week. Excuse me. We'll be doing some banners next weekend. Burien, Lakewood, Silverdale, and Bremerton. I was thinking can we do something in Gig Harbor? If you catch a ride with Vincent. But you need to get your driver's license, mister.

Underage Minor, Name Withheld 46:54

I did the written test. And I only missed two questions. I was so close to getting the, passing it. And um [inaudible].

ND - John WA (Colton Brown) 47:01

You'll pass it. You'll pass it next time. Don't stress about it.

Underage Minor, Name Withheld 47:05

I can't find my wallet. And it has my learning, Learner's Permit, which is really bad.

ND - John WA (Colton Brown) 47:15

[Inaudible].

Underage Minor, Name Withheld 47:18

Yeah. Very, very bad organization on this end. But anyways, yeah, Vincent, you think you could give me a ride, maybe?

47:29

Yep, can do.

Underage Minor, Name Withheld 47:31

Awesome. Amazing.

ND - John WA (Colton Brown) 47:34

Okay and then afterwards we're gonna grab some food as well [inaudible] that all these banners should take no more than two hours and then we can spend an hour or two on eating and discuss future activities that we might want to do.

Underage Minor, Name Withheld 47:50

[Inaudible]

ND - John WA (Colton Brown) 47:51

Though we need to find somewhere decent to eat that's somewhere around that vicinity. What do you guys think?

Underage Minor, Name Withheld 48:01

What vicinity, you said that we have multiple areas we're going to?

ND - John WA (Colton Brown) 48:06

You know where anywhere to eat from Bremerton all the way to Tacoma?

Underage Minor, Name Withheld 48:11

That's kind of an easy job. It's kind of a large area.

ND - John WA (Colton Brown) 48:18

But if there's any particular restaurants that you guys would really fancy that sound good. It can even be something like Sherry's. I don't really care.

Underage Minor, Name Withheld 48:29

I honestly really liked the last time that we went out and ate. That was awesome.

ND - John WA (Colton Brown) 48:34

Yeah, 13 Coins is pretty good.

Underage Minor, Name Withheld 48:36

Well, it wasn't just the 13 Coins thing, it was the fact that we really got a chance to actually talk to each other outside of a, you know, mask on, you know, like, like, you know, out doing something that we need to be careful. It was really just a relaxed environment. And I really enjoyed it.

ND - John WA (Colton Brown) 48:55

Yeah, I'm going to try to implement more of those as a reward for all the hard work, where previously we never did that. It was always just do activism, go home, and I just, I didn't like it at all. We have to form brotherhood and bonds.

Underage Minor, Name Withheld 49:10

And congrats on becoming Network Director, John.

ND - John WA (Colton Brown) 49:14

Didn't think it was ever gonna happen.

Underage Minor, Name Withheld 49:22

I think you really earned it. I mean, I haven't been in for long, but I can really see why you were appointed.

ND - John WA (Colton Brown) 49:28

I do my best to be a good network director for you guys and try to establish a stronger network. So basically what happened was I dropped the Idaho and Oregon and they're gonna deal with their own networking and stuff. Obviously, I'm still going to give them a hand but I'm not going to have them into my own meetings every single weekend. It's just, it's too much and now we can actually like relax a little, well not really, I don't, [inaudible] discuss things like this and we don't have to worry about 20 people being in a Mumble meeting, like I know all you guys, I'm not really too concerned about it.

50:14

Can we, uh, two questions. One is business and one is less business. The less business one is, can we still have a PNW regional chat just to have that brotherhood between, I guess the, the network and the budding networks? And the more business related question is, is that I have I think four banners, three of them are America First, one is Reclaim America. And it sounds like Jack has a banner as well, that, so we have five banners for four locations. Should I leave one of them up here for up north, and then we use those, the remaining three plus Jack's banner for those four locations that we're doing this weekend?

ND - John WA (Colton Brown) 50:53

We should leave at least one handy just in case has, but if there's like some event that happens and we really want to get one out, so always just try to keep one. But I want Jack to hang on to his so he can go put it in Portland with the guys down there, maybe there's some way, Jack, you could, hang on a second.

51:23

Oh yeah.

Jack WA (Matthew Clement) 51:24

Hold on to the one that I've got to go to Portland, then it wouldn't make sense for me to go out to the one in Lakewood [inaudible].

ND - John WA (Colton Brown) 51:31

Alexander. So Jack has a banner and I want you guys to put it down somewhere in like Portland, maybe even Salem.

Alexander OR (Richard Flannery) 51:39

Okay, I'll bring up my, my other banner. We can do two banners. How's that for you?

ND - John WA (Colton Brown) 51:45

Alright, so Jack says he might be busy this weekend, so.

Jack WA (Matthew Clement) 51:51

Actually, I mean, I will be busy this weekend for sure. But Alexander, that works great, if I can drop your banner in Oregon with you, great, and then I still have the one that I've got [inaudible] Lakewood.

ND - John WA (Colton Brown) 52:02

You're breaking up, Jack.

Underage Minor, Name Withheld 52:04

Not breaking up for me.

Alexander OR (Richard Flannery) 52:06

Yeah, that would work there Jack. Um...

Jack WA (Matthew Clement) 52:10

I want to save that one I've got for Lakewood. But yeah, this weekend I'm busy, I'm tied up in a wedding.

Alexander OR (Richard Flannery) 52:15

Yeah, that's, that's fine, um...

Ethan WA (Justin O'Leary) 52:17

Clarke could probably grab it off you.

Alexander OR (Richard Flannery) 52:21

You work weekends normally, right Jack?

Jack WA (Matthew Clement) 52:27

Normally, yeah, but we're shut down right now cause everybody's [inaudible].

Alexander OR (Richard Flannery) 52:31

Ah, okay, so I normally have Mondays and Tuesdays off at my job. But let me check my schedule, so next week I know I'm going to be free the last week of this month basically starting, starting Friday, actually, yeah, I was already going to head up there and do a banner drop so that's perfect.

Jack WA (Matthew Clement) 53:04

I'll join you and I'll bring your cooking material too.

Alexander OR (Richard Flannery) 53:08

Sounds like a plan. I was wanting to do a banner drop with Andrew and Leo since he's [inaudible].

ND - John WA (Colton Brown) 53:16

Yes, get those guys together, do a banner drop. If Oregon still has posters, do some posters.

Alexander OR (Richard Flannery) 53:24

Yeah, we don't have any posters, but yeah.

ND - John WA (Colton Brown) 53:26

Ah, we're dying out here.

Alexander OR (Richard Flannery) 53:27

I have stencils if we want to wait till nighttime. There's a nice bridge Leo was talking to me about.

ND - John WA (Colton Brown) 53:34

We'll do another mural.

Alexander OR (Richard Flannery) 53:37

I have full approval to do whatever I want when it comes to murals?

ND - John WA (Colton Brown) 53:42

As long as you plan it good and run it by me.

Alexander OR (Richard Flannery) 53:45

Okay, did you, okay.

ND - John WA (Colton Brown) 53:47

Don't get caught, that's rule one.

Alexander OR (Richard Flannery) 53:49

Yeah, oh, yeah obviously. Did you, uh, check that thing I mentioned to you like a week ago?

53:55

Uhh...

ND - John WA (Colton Brown) 54:10

Okay... Oh, all this is is a mural. Okay. Um, it just shows the video but I haven't, I'm not gonna watch it right at the moment.

Alexander OR (Richard Flannery) 54:46

I mean, I could always take a picture of it and take pictures and location, if you want.

ND - John WA (Colton Brown) 54:58

[Inaudible] Salem, we need another guy in Salem, do more in Salem.

Alexander OR (Richard Flannery) 55:03

Yeah. Well, Eugene too dude, I don't know if you ever saw the Twitter posts or the Reddit posts whenever me and Norman did activism up there.

ND - John WA (Colton Brown) 55:11

Yeah, Eugene's a shithole, dude. If you guys did a banner drop there they wouldn't, they, all they would do is talk about that for like weeks on end.

Alexander OR (Richard Flannery) 55:17

I know, that's what I was saving my banner for, but.

ND - John WA (Colton Brown) 55:21

Do it. Yeah, do it. Do it. Do it. Do it. Do it, do it, much better idea. Do it. Do it. Do it. Do it. Fuck Portland. Do it in Eugene.

Alexander OR (Richard Flannery) 55:27

Yeah, it's just the thing is I don't know if I can convince the other two people I want to do it with to sit in a car with me for two hours. They might get tired and cramped in my two seater.

55:44

So we have the...

Alexander OR (Richard Flannery) 55:45

I don't know about going all the way to Eugene.

55:48

...so if you do the Eugene, um...

ND - John WA (Colton Brown) 55:50

Not you Jack, but ...

Alexander OR (Richard Flannery) 55:52

No, no, Jack you, you wouldn't be coming. I would not force you to ever come to that.

ND - John WA (Colton Brown) 55:57

Two hours isn't shit, dude. I drive out two hours on the regular to meet up with guys.

Alexander OR (Richard Flannery) 56:02

I know, I drive about an hour to meet up with Frederick.

ND - John WA (Colton Brown) 56:06

Yeah, two hours is whatever, just put on a podcast or something.

56:12

So if you do the one banner for Eugene, and you have Jack's banner for Portland's or whatever, we would have four banners for four locations up here. And then we plan on making banners pretty soon I think, once Tyler finishes those stencils.

Alexander OR (Richard Flannery) 56:26

Yeah, I'm going to buy a bunch of Coroplast and cut out stencils so I can start making my own banners on the weekends.

ND - John WA (Colton Brown) 56:35

We need to do that too. We need to finish the large stencil set. Tyler has all the crap, it's, it needs to get done. So Vincent or Ethan, do you guys have a big space where you can work on stencils? It's just cutting five foot pieces of plastic.

Underage Minor, Name Withheld 56:55

I have lots of space for cutting stencils.

Ethan WA (Justin O'Leary) 57:01

[Inaudible] out of the way. Yeah, honestly, I could, I could make like banners at my place too, like by myself.

ND - John WA (Colton Brown) 57:10

Yeah, that's what I was kind of thinking is if one of you guys have a decent backyard where like people aren't going to notice. Let's start doing that instead of like, parks. Like, I don't know.

57:22

We found a pretty good spot for our secondary location.

ND - John WA (Colton Brown) 57:25

If you're comfortable with anyone else in the network that you like and trust and want to invite them over, go ahead. I've had most guys come into my house but um, my dad has a new import of Vietnamese wife, I don't bring people over because she just kind of freaks out.

Jack WA (Matthew Clement) 57:42

If you invite John over he'll try to peek at your mail.

ND - John WA (Colton Brown) 57:47

I won't.

57:48

What did you say?

Jack WA (Matthew Clement) 57:50

John will try and dox you, dude.

ND - John WA (Colton Brown) 57:52

I was in Jack's bathroom taking a dump and here's his like, mail just staring at me on the counter. It has his name on it, I wasn't even trying to like look at it. I was like ah, so that's his name.

Alexander OR (Richard Flannery) 58:05

Wait a minute. Are you saying your name isn't John WA? Wait a minute, I thought we were supposed to put our real names in the, uh, [inaudible]

Jack WA (Matthew Clement) 58:19

Take it from me, don't do that.

ND - John WA (Colton Brown) 58:24

So once in a while we call Jack by his real name and he's like dude, stop that and I'm like, oh, my bad.

Alexander OR (Richard Flannery) 58:34

Oh, fantastic. Frederick. Leo. Let's hop in meeting room two.

ND - John WA (Colton Brown) 58:39

Here we go. Glad that we had some growth. Alright. It's getting late, let's. What do you want?

Underage Minor, Name Withheld 58:52

When is the bannerinng?

ND - John WA (Colton Brown) 58:55

That's what we're gonna decide on. Next weekend. Next, time, what time works best for everyone next weekend? For this weekend, this weekend. 16th, 17th, 18th this weekend?

Underage Minor, Name Withheld 59:07

Honestly, I don't have anything that I'm ever doing so should be any time for me.

ND - John WA (Colton Brown) 59:12

Ok cool. David.

David WA 59:16

Yes.

ND - John WA (Colton Brown) 59:18

You could come out and do some stuff with us? It's a bit of a drive, you can carpool with me if you want, um, this weekend when we decide, but you can leave your truck in the usual place and carpool with me for the day if you wish.

David WA 59:32

I suppose.

ND - John WA (Colton Brown) 59:36

What time are you free this weekend? Saturday or Sunday?

David WA 59:40

Saturday.

ND - John WA (Colton Brown) 59:43

Saturday? Ethan, what about you?

Ethan WA (Justin O'Leary) 59:47

Yeah, I think I'm good both days.

ND - John WA (Colton Brown) 59:51

Saturday. Okay, Vincent.

59:55

Yeah, Saturday works better for me.

ND - John WA (Colton Brown) 59:58

Okay, sounds like Saturday is the move. So I want to do this, what time of day do you guys want to do it?

Ethan WA (Justin O'Leary) 1:00:12

Probably start early as possible.

ND - John WA (Colton Brown) 1:00:22

So how early?

Ethan WA (Justin O'Leary) 1:00:26

Like, I don't know, what are we doing, we're hitting Burien first, so I mean, shit we could do that whenever, like eight o'clock or later.

ND - John WA (Colton Brown) 1:00:38

We need a meetup spot so I'm gonna say probably Lakewood Walmart, we also got to do the drop in Burien too.

Ethan WA (Justin O'Leary) 1:00:54

We could park in Burien Fred Meyer if you wanna consolidate vehicles from there.

ND - John WA (Colton Brown) 1:01:02

Okay.

Jack WA (Matthew Clement) 1:01:04

Saturday's the 18th? If we did it early in the morning I could make it work. The wedding isn't until the, is on the 19th, so I could do that on Saturday.

ND - John WA (Colton Brown) 1:01:14

Right, Friday night I might want to be ambitious and go do some late night stencils too, plus we do early morning banners, and then Saturday night late night I might want to go out and do some [inaudible] if anyone's down after banners to do some on the fly planning, that's what I want to do.

Jack WA (Matthew Clement) 1:01:35

So if I'm hearing you right, though, it's Saturday the, what'd you say, the 18th?

ND - John WA (Colton Brown) 1:01:42

Yeah, Saturday.

Jack WA (Matthew Clement) 1:01:44

Okay and then we're going to meet up somewhere and then you're going to, you guys are going to come all the way down here and meet up with myself and hopefully Clarke because he's closest to me, myself and Clarke, to drop this banner in Lakewood is, am I hearing you right?

ND - John WA (Colton Brown) 1:01:58

Yeah, so North crew is going to go do one in Burien first and then we're going to meet you down in Lakewood where we all do that one together and then we move up in like Bremerton area or we could do it in a big circle where we do Burien last somehow, is there a way to cross, is there a way to cross from Bremerton towards Burien?

1:02:22

[Inaudible]

1:02:25

[Inaudible]

1:02:25

I think the closest you can come is going to West Seattle, the Fauntleroy ferry, but I could be wrong on that.

Ethan WA (Justin O'Leary) 1:02:33

Yeah, doing the Southworth to Fauntleroy ferry.

ND - John WA (Colton Brown) 1:02:38

So what if we just went straight to Lakewood and then we did a loop up through Bremerton, Silverdale and then came back down and then hit Burien on the way down, that way we don't get stuck in Seattle traffic so it's probably best if we just hit Burien first, huh?

Jack WA (Matthew Clement) 1:02:56

[Inaudible] the whole loop, I can only do Lakewood because I got, I got more [inaudible]

ND - John WA (Colton Brown) 1:02:59

I'm not talking about you, I'm talking about us.

Jack WA (Matthew Clement) 1:03:01

Oh.

ND - John WA (Colton Brown) 1:03:02

We'll meet you partway.

Jack WA (Matthew Clement) 1:03:03

I'm part of us.

ND - John WA (Colton Brown) 1:03:06

There's North guys and South guys. So we're going to, the North guys need to hit Burien themselves because that's just too far the way for you South guys, and then we're going to meet you down south,

link up, and do them, so you guys want to hit Burien really early in the morning first, or do you want to skip it and then do it after we're done, on the way home?

Ethan WA (Justin O'Leary) 1:03:29

Yeah if you're talking, if you want to do stencils late, um, yeah, we should maybe do that Friday night, so probably not too early in the morning on Saturday.

ND - John WA (Colton Brown) 1:03:44

And I might be tired from work but it really depends, I think where I want to go do stencils.

Underage Minor, Name Withheld 1:04:13

John, uh, check your, check your messages.

ND - John WA (Colton Brown) 1:04:17

Okay. So, we could do stencils in the portal of Seattle. That'll be cool. Or we could do a run in Tacoma. There is a couple of murals around there. But we've hit that same spot like four fucking times. [Inaudible] think, you guys know where some murals are at?

Ethan WA (Justin O'Leary) 1:05:04

I'll have to get back to you, I was looking at street view, I couldn't really narrow it down.

ND - John WA (Colton Brown) 1:05:11

[Inaudible] a place like this to do stencils in general, usually for that I just drive around and look for places, and I'm just going to pull over and do it. Oh wait, hey, oh, I forgot about this, there's a park in Seattle that has a Black Lives Matter graffiti mural on like wall in there, could probably walk up and do that. If Tyler was here, where even is he? If we had posters, that's something I just want to do, like, every, when we have posters, just like every Friday, Saturday night just go out and put up posters, so simple, so fast to do, so effective but, um, without further ado, I think that concludes our plans for right now. Do some work down south, we'll go out and do some work out east again. Work after that in Snohomish County, we need to get something done in Wenatchee, I know that's a little bit of a drive, but, does anyone have any questions, comments, concerns or ideas?

Underage Minor, Name Withheld 1:07:09

Nope.

ND - John WA (Colton Brown) 1:07:13

Is there anything in particular that you guys want done or to see done?

Underage Minor, Name Withheld 1:07:17

I want to troll Seattle, okay, can we troll Seattle already?

ND - John WA (Colton Brown) 1:07:23

I got, I got plans, I got plans but I want to get you guys all real efficiently trained up first. I got, I got plans, we're gonna troll Seattle. Anything else from anyone? Ideas, things you want, things that you

want to, activism you want to do, is there someplace, somewhere that's been just itching at you, you want to go get done?

Underage Minor, Name Withheld 1:07:47

I don't get out enough to know anything about anywhere I want to sticker [inaudible].

Ethan WA (Justin O'Leary) 1:07:55

I mean, other than what we were talking about for Seattle, not really, maybe just get some posters going.

Underage Minor, Name Withheld 1:08:05

Oh, yeah, well, you know what, what I really want to do is get out and [inaudible].

ND - John WA (Colton Brown) 1:08:09

Wait a minute, I do got posters. I got those ones that are the two parties one tyranny ones but they're like horizontal. So I got to find a weird place to put those up.

Underage Minor, Name Withheld 1:08:17

Yeah, I want to go out and you know, paint up some of those banners. You know, paint em up with the glue. It sounds really fun.

ND - John WA (Colton Brown) 1:08:29

Jack, is there anywhere that's just itching that you want to go do?

Jack WA (Matthew Clement) 1:08:37

Not really, nothing really comes to mind.

ND - John WA (Colton Brown) 1:08:40

I think you, Jack should snag Clarke and go sticker Evergreen College. Make that your goal this week.

Jack WA (Matthew Clement) 1:08:49

That's not a bad spot.

ND - John WA (Colton Brown) 1:08:50

Now that, I've been wanting to do that since I joined the org, honestly. So yeah, go sticker Evergreen College with Clarke.

Underage Minor, Name Withheld 1:08:59

Oh, yeah. Speaking of well, [inaudible] really speaking of it but you mentioned WW earlier, they don't have any cameras on the campus anywhere except for inside. So it's a good spot. You know, occasionally go visit and clean up campus. They don't have any cameras, so.

Ethan WA (Justin O'Leary) 1:09:19

Clarke was mentioning that it's the same at Evergreen. There's like no cameras.

Underage Minor, Name Withheld 1:09:28

I think it's kind of a privacy thing. But is the meeting kind of like at its end? Because I kinda need to talk to Vincent still.

ND - John WA (Colton Brown) 1:09:36

Yeah, you and Vincent can, well actually, hang on so, we better come up with a plan. We got the banners. Where do we want to go drop em? We got the rough idea of what towns to do. But what about a meetup spot? I think if we're going to meet up in Lakewood, the Walmart would be good to meet up, and as for Burien, you guys think we could hit Burien real early?

Ethan WA (Justin O'Leary) 1:10:10

I mean, yeah, as long as, it just depends like you were saying, if we do stuff like, late Friday night, how are we, we're gonna want to get up the next morning.

ND - John WA (Colton Brown) 1:10:20

Yeah I probably won't do anything late Friday night if we're going to do it early. So meet up somewhere in Burien, about a 44 minute drive, so I could get my ass out of bed at 6, 6 am I'd say.

Underage Minor, Name Withheld 1:10:35

That's when I wake up [inaudible]

ND - John WA (Colton Brown) 1:10:37

Heard.

1:10:39

Yeah Charles and I will have to get up quite a bit earlier.

ND - John WA (Colton Brown) 1:10:44

7:30 am maybe.

Underage Minor, Name Withheld 1:10:48

Does 7 work?

ND - John WA (Colton Brown) 1:10:52

We'll meet up on Burien at 7:30 am, do the drop, head down to Lakewood. That, I think that'll be fine. It'll be a little busy by the time we get to Silverdale and Bremerton but I've done banner drops when it's been completely busy dude, people don't even care. If the cops are like, ooh, what's that? You know, just, I'll deal with it. I'll talk to them. Worst case scenario is they just ask us to take it down. What about supplies, supplies that we're going to need?

Underage Minor, Name Withheld 1:11:34

Yeah, well, we're going to need the banners of course, we're going to need probably water bottles for the, hanging them, bag ties, you guys still there?

ND - John WA (Colton Brown) 1:12:01

Yeah, I'm here.

Underage Minor, Name Withheld 1:12:03

Okay, it just got really quiet. But that, I mean, that, ties, water bottles, it seems like what, mostly, what we need right?

ND - John WA (Colton Brown) 1:12:10

Money for dinner. Whatever you want to call it, but.

Underage Minor, Name Withheld 1:12:15

Yeah. I have to try to find some good locations in between Tacoma and where?

ND - John WA (Colton Brown) 1:12:25

Between Bremerton and then like Tacoma,

Underage Minor, Name Withheld 1:12:28

Bremerton and Tacoma, alright. Bremerton and Tacoma, I'll come up with some ideas. But I need to talk to Vincent.

ND - John WA (Colton Brown) 1:12:45

Go do that. I think more details will be hashed out by the end of the week.

Underage Minor, Name Withheld 1:12:50

Alright, go to meeting room three, Vincent.

1:12:54

See you there.

Underage Minor, Name Withheld 1:12:56

Alright. Okay, so, what are we gonna talk about? We're gonna talk about, what was it? We had something that we needed to talk about regarding the hike?

1:13:11

Yeah, flight times. So I was, I didn't know what time you would be able to get off, but I was like, I didn't know what you'd be able to do. Because I was looking at like, pretty early flights, like 6 am. Around that time. I know that's probably not going to work with your school schedule. So I don't know. I don't know how we manage that. because the like, like we said before, the location is six hours away from the closest airport, which is quite a drive, so Brandon asked if we could get there as soon as possible, like as early as possible in order to make it to the campsite at a reasonable time. And because they're they're going to be picking us up, right, and I don't know who else is going if it's just us from, from Washington or what, the only other way I can see it working is if we got a rental vehicle, which I have

the means to do for sure. So we could just get a rental vehicle and arrive whenever we want to, I would just have to check with Brandon whether or not that would be okay with him.

Underage Minor, Name Withheld 1:14:09

Look, so I have actual [inaudible] class I have to go to, and they finish at like 7 and, you know, like 7 pm and this is the thing, is that like, if I'm not punctual with this, I will get kicked out. And this is important this his career kind of bearing stuff. And honestly I don't know what I should do. I think maybe what I could do is tell my parents that I'm going to go camping and I'm getting picked up from the school and, and just call in sick or something, but the problem with that is that typically you need written, like note from you know, a guardian stating that you're actually sick, kind of thing, you know.

1:14:53

Yeah, I totally get it. It's, it seems like it's a lot of risk for you. And I hate to suggest it, but did you just want to skip the hiking?

Underage Minor, Name Withheld 1:15:01

Is there a way that we could possibly, if we leave at night, I guess we probably wouldn't be able to make it with [inaudible].

1:15:11

Yeah, I think if we, if we leave at night, we could potentially make it work if they're, if they're willing to give us the address and let us take a rental car down to the campsite. We'd have to check to see what the flights are too with that, if that works.

Underage Minor, Name Withheld 1:15:26

Yeah, you should talk to him about it. And I don't know, how much, how much the tickets looking like right now?

1:15:36

The tickets that I saw for the times that I was looking at previously, they were a little over \$100, I think [inaudible]

Underage Minor, Name Withheld 1:15:45

I'm pretty sure I have to give you some information for you to actually buy them though too.

1:15:50

If I were to buy them, yes. If there's a way for you to buy them, I'd probably feel more comfortable with that, or have Jack buy them for you,

Underage Minor, Name Withheld 1:15:57

There's pretty much no way that I can that I can get it myself. Unfortunately.

1:16:03

I think the best thing to do then is we'll probably want to work through or sorry, John, will probably want to work through John, because I probably wouldn't feel comfortable taking your personal information. But if you give it to John and feel more comfortable about that. Maybe we'll contact Brandon first. And just to see if that's even doable.

Underage Minor, Name Withheld 1:16:19

Yeah, that works for me. I'm gonna say, Yeah, cuz if we leave after that, I mean, it's a lot more believable. I can just tell my parents that my friends already have the camp set up. And we just need to drive out there. You know, I just get to the campsite. And then you know, that way, it makes sense that I'm leaving so late, even if I'm going camping. Technically, I am, just really far away.

1:16:45

Yeah, totally. And this would be on. You said Friday night at 7 p.m. is when class is up?

Underage Minor, Name Withheld 1:16:52

It could be like, 7 or 7:30, I haven't checked my schedule. Um, and this is at the end of the month. And my classes start in like a week.

1:17:06

Gotcha. Yeah, I'll message Brandon first. But I think like, we just might have to be open to, like, your classes probably take priority over, over this hike if it ends up working that way. I don't know. I feel bad saying it. But that might be the direction it goes if, if nothing works out?

Underage Minor, Name Withheld 1:17:22

Of course, I totally understand. But just, just check to see if that'd work. And then I should go tell John about what we're planning.

1:17:34

Yeah, sounds good.

Underage Minor, Name Withheld 1:17:36

All right. I'm gonna go back to the meeting.

1:17:38

Me too. See you there.

ND - John WA (Colton Brown) 1:17:41

Yeah, it's getting to the point where like, their relationship is either gonna, it's probably gonna tank. So I'm gonna come at him with the 'I told you so.'

Underage Minor, Name Withheld 1:17:59

John? The, so, we I might not be able to make it. We're gonna try to talk with Brandon about it. But if it does end up working, I'll probably need you to buy me a ticket because I can't buy them myself. And you're probably the most trusted person here for buying them

ND - John WA (Colton Brown) 1:18:19

Do you have money?

Underage Minor, Name Withheld 1:18:21

Yeah, I got cash.

ND - John WA (Colton Brown) 1:18:25

You got Venmo?

Underage Minor, Name Withheld 1:18:27

Nope.

1:18:35

We'll, we'll be meeting up this weekend. So that could work. I just told Charles that I didn't want to take his personal information.

ND - John WA (Colton Brown) 1:18:41

Well, it's, you need to get the ticket like, now, before the tickets skyrocket. Have you been looking at plane tickets, Vincent?

1:18:49

I did. But for the the time that I was looking at, which might change if we're, if we're moving with Charles. So I have to message Brandon, just to make sure that what we have planned would work for, work for Brandon.

Underage Minor, Name Withheld 1:19:01

Yeah, we can't even go forward with any of this until Brandon gives us the go. I don't know. I might be able to. I don't know. Some of my friends have Venmo I could just give them the cash and then have them pay it forward to you. I don't know. I'd have to talk to my friends. But I think that's where we're at for now. We'll have to wait and see back on what Brandon has to say. But, is the meeting over? Adjourned?

ND - John WA (Colton Brown) 1:19:40

Yeah.

Underage Minor, Name Withheld 1:19:43

All right. Well, I gotta go take care of some things. So you guys have a good night.

ND - John WA (Colton Brown) 1:19:48

You too. It was nice talking to you.

Underage Minor, Name Withheld 1:19:50

Yeah, see ya.

1:20:31

He seems pretty quiet. I'm gonna just message Brandon, Brandon and get back to you later. I'm going to head out. Have a good night, everyone.

ND - John WA (Colton Brown) 1:20:38

Sounds good. Have a good night, Vincent.
