

2021-10-04 NW8 Mumble (Drill and Event Planning)

These recordings were taken by an anonymous source inside of Patriot Front during August to December 2021. Unicorn Riot has produced transcript PDFs, MP3s and videos from this set of recordings. The transcripts and the Mp3s use the same set of timecodes. The main report on our website uses separate timecodes that match our videos, which are lightly edited to remove silence, with an additional introduction and credits.

The .mp3 files (as opposed to slightly shortened videos) represent the uncut documentation of these Patriot Front voice meetings. These uncut audio files have been altered as little as possible in the interests of source protection.

Accuracy of transcripts and speaker identities

Unicorn Riot has done our best to compile transcripts with the most accurate time stamps and speaker identifications possible. Due to the combination of machine transcription and extensive human labor, there may be occasional errors in speaker IDs indicated in transcripts. but we are confident that the vast majority of the speaker IDs and content are correct. Some transcript timestamps are incorrect due to unavoidable issues with using machine transcription at scale, however, the majority are accurate.

Please note that these recordings may include Patriot Front members whose voices were not identified by us. When we were unsure about a speaker's identity we have left that line in the transcript without an assigned name, which machine transcription services usually tag as 'Unknown'. Many Patriot Front members have been identified by researchers, activists and journalists by linking multiple pieces of evidence to online personas.

SPEAKERS

ND - Lawrence FL, Ethan WA (Justin O'Leary), ND - John WA (Colton Brown), Alexander OR, Clarke WA (Jacob Sundt), Travis CA, Thomas Rousseau, Frederick OR (Lawrence Norman), David WA, Alexander OR (Richard Flannery), Johnny ID, Leo OR (Casey Knuteson)

00:04

You're almost at as many meetings as you are doing actual activism.

ND - John WA (Colton Brown) 00:08

Um, not really anymore. Having a non-network meeting and then our regional meetings too is just really annoying and then I was like being summoned to like [inaudible] meetings, like post-vet meetings and all just like dude, I don't...no dude, I'm gonna go work out. Like I told Thomas once like a couple times for a meeting I was like, "yeah I'm at work. Sorry."

Thomas Rousseau 00:37

Big if true.

ND - John WA (Colton Brown) 00:46

Vincent, you need to make a Mega with the uh, banners that we did.

00:55

I do, yeah I haven't pulled my card yet [inaudible].

ND - John WA (Colton Brown) 00:57

Send me the Mega folder and I'll add it to the, already made for the Portland drop.

Alexander OR (Richard Flannery) 01:23

Hey Lawrence have you ever tried Not Milk? It's this coconut milk. It's all soy free. Gluten Free lactose free.

ND - John WA (Colton Brown) 01:30

I prefer soy milk.

ND - Lawrence FL 01:33

Uh, I haven't tried it yet. It sounds good though. I'll try it out.

Alexander OR (Richard Flannery) 01:36

Yeah it is pretty good.

ND - Lawrence FL 01:40

Do they sell it at like Safeway or something?

Alexander OR (Richard Flannery) 01:42

I think so maybe, I mean, like, there's a lot of vegan alternatives in the area I live in. So it's really easy for me to find, but I don't know about, you know, Florida. But...

ND - John WA (Colton Brown) 01:58

They have alligator milk there.

Alexander OR (Richard Flannery) 02:01

Based...?

ND - John WA (Colton Brown) 02:03

They literally have, like, alligator farms and they just like, milk the alligators with like, suction cup.

02:11

I dont like this image...

Alexander OR (Richard Flannery) 02:14

I can picture it. But basically, it's got a picture of a cow with a slash through it. And it says "not milk". It's red and white. And the cow is black.

ND - Lawrence FL 02:28

Interesting. I haven't seen any stores I go to, I mean, Publix at where I live is like, apparently my mom is not very pleased with their produce section, she thinks is very lackluster. So if I went to a Sprouts, that's the thing we have it's kind of like Whole Foods, I guess.

Alexander OR (Richard Flannery) 02:45

I know. I know what Sprouts is. I know what Publix and Sprouts are, I've been at both of them.

ND - Lawrence FL 02:52

Cool. I never knew what they were until I got here. But um...

02:57

Is it one of those things, is the non milk stuff one of those things that weirdly tries to imitate normal looking stuff? You know how they add like vegan bacon. And it looks just like regular bacon.

Alexander OR (Richard Flannery) 03:10

Vegan hot dogs look like real hot dogs. They just taste like shit.

03:17

Yeah. Oh, oh, yeah, one time I had a bunch of, one time I had a bunch of those, a bunch of those bean burgers. And I was like, this is fucking disgusting. I couldn't put enough cheese to mask the taste.

ND - Lawrence FL 03:34

Thinkin 'bout them beans.

Alexander OR (Richard Flannery) 03:39

Nigga eating beans.

Ethan WA (Justin O'Leary) 03:52

Anyway...

ND - Lawrence FL 03:54

Yeah I'll check it out, I'll look into it. I'm sure my mom would probably like that.

Alexander OR (Richard Flannery) 04:00

Dude, I honestly kind of like want to move to the south just for Publix. Frickin, I love that store.

04:08

Yeah?

Alexander OR (Richard Flannery) 04:09

If I'm, if I'm gonna simp for any store.. press the button. Whoops. If I'm gonna simp for any store other than like Costco, which I mean Costco sucks by the way. I just like buying stuff there. It's gonna be Publix. Oh man, I'm gonna go back to Costco.

ND - Lawrence FL 04:31

Oh, sorry, Travis, you go

Travis CA 04:34

No, sorry. What's, what's the deal with Publix? I never go there.

Alexander OR (Richard Flannery) 04:41

I just really liked their prices. And I know a lot of people who work at them so I know what kind of wages to expect. They just treat their employees really well and I appreciate that, and the business.

Travis CA 05:01

Yeah in my area we have this place called Holiday, Holiday Market.

Alexander OR (Richard Flannery) 05:05

Oh yeah, yeah.

Travis CA 05:07

Yeah, that's the one, that's pretty, it's like between the quality of like a Grocery Outlet and a, and a Whole Foods, like, what happened was that giant fire, the two fires that burned up my area that were like, several thousand acres, people had to be, people had to be evacuated and then they never came back to work. So they basically closed the Holiday because they're like, well, because the fire was like half a mile from the Holiday that I always shopped at. So the, so I couldn't go back, they were like, yeah, we close the store from 12 to 2 and we also close at 6 o'clock now. So I'm like what the fuck is this? Because...

Johnny ID 05:47

Oh, hey Travis.

Travis CA 05:48

Hey Johnny. It's, it's weird that like a fire of all things would cause people to not come back to work, but if you walk around rural California all people do is bitch about how no one wants to work shitty fast food jobs anymore. They're like, "oh, we pay these people not to work", it's like a constant in the air.

ND - Lawrence FL 06:07

I had fun with fast food. I didn't actually have a problem with it to be honest. I like working in the kitchen. Kinda sucks though. Oh hey Johnny, by the way, update, mailing it tomorrow, real sorry I didn't mail it today, I went to work today and forgot to bring it with me and [inaudible]. Yeah, but it is done.

Alexander OR (Richard Flannery) 06:32

How about you mail it to me then? Or?

ND - Lawrence FL 06:35

Yeah, yeah you too Alex. I'm making another set too for Georgia and Alabama too.

Johnny ID 06:45

Word, would it honestly be better if, instead of just making an order and sending it directly to Thomas, I just sent an order to you and you could just have your order come to Florida or maybe I just bill Washington guys and then John could just send me my order from him?

ND - Lawrence FL 07:01

I don't know, I mean, I don't really, I think it makes the route a little more confusing more than anything.

Clarke WA (Jacob Sundt) 07:10

Just tell them to bring it to the events if you want to get it handed to you directly. Just tell them "I'll be at the next event" and just do that.

ND - Lawrence FL 07:19

To an extent, but I kind of am doing your plan because I did send John a big package of stuff that was intended to hand out to pretty much all you guys out in your area. But I am specifically sending something straight to you. I've just been kind of a ninger about it I guess is the best way to say it.

Johnny ID 07:38

A jogger if you will.

ND - Lawrence FL 07:40

My apologies.

Johnny ID 07:41

All good man, you've got nothing to forgive, you're good.

07:47

Anyway.

Clarke WA (Jacob Sundt) 07:52

Hey Lawrence, are you in Florida, are you...? What the heck is this guy doing? Are you in Florida or did you go back to PNW?

ND - Lawrence FL 08:01

I'm in Florida right now. I could go back to PNW. I'm thinking about going back to visit sometime but I don't know when I'm going to do that because I've got a big trip up to somewhere coming up in next couple weeks here. And then I've got December 4 which is going to be another big trip, so if I go back to Washington it's going to have to be sometime in January I think [inaudible].

08:32

[Inaudible]

ND - Lawrence FL 08:33

John, um, if I were to come back, how long do you think I'd be able to stay?

ND - John WA (Colton Brown) 08:41

At my house?

ND - Lawrence FL 08:43

Yeah.

ND - John WA (Colton Brown) 08:44

Uh, I do not have an answer.

ND - Lawrence FL 08:48

That's fair, [inaudible], actually I know he's got TB, I don't really want to, I don't think I really want to deal with that. Did you get tested by the way, are you all right?

ND - John WA (Colton Brown) 08:58

Its latent TB, it's nothing to worry about.

ND - Lawrence FL 09:02

That's right, yeah. Well, no matter what I think I got a couple couches I can crash at. Between all you guys and other people in Washington's, I'll be all good, pitch a tent in Seattle [inaudible]. It's free real estate. What's up tough guy David?

David WA 09:33

What?

ND - Lawrence FL 09:35

What's up tough man?

David WA 09:37

I'm fine.

ND - Lawrence FL 09:40

Good to hear man.

ND - John WA (Colton Brown) 09:52

How do you turn off speech to text on the computer?

09:57

Let's see.

Alexander OR (Richard Flannery) 09:58

You go to your audio wizard in the configure, if not then it's in the settings itself and configure, it's one of those two, I just don't remember.

ND - John WA (Colton Brown) 10:15

Yeah, I can't find it.

ND - Lawrence FL 10:17

Go to, go to settings, then go to general. Adjust General Settings and then just text to speech, just turn it off.

ND - John WA (Colton Brown) 10:39

Oh, I don't I don't see a text to speech settings. I don't see a general settings [inaudible] audio, audio output.

ND - Lawrence FL 10:49

Oh, one sec. I'm actually connected to Mumble on my PC, I should be, let's find out.

Alexander OR (Richard Flannery) 11:03

Go to the messages setting, and it's in that uh dropdown, it's, uh, towards the bottom

ND - John WA (Colton Brown) 11:16

I just, I just turn the volume all the way down?

Alexander OR (Richard Flannery) 11:20

That, or you could just manually disable text to speech for literally every setting,

ND - Lawrence FL 11:30

Okay, I guess I just need to, oh yeah that's right, I was having an issue with certificate authentic, authentication connecting, it was all glitched out.

ND - John WA (Colton Brown) 12:09

There. Now it's not going to tell me who's joined the lobby, join my meeting and etc. because like, I'll join a meeting room, I'll be like, for example I'll tell everyone to join the meeting room right now. And I have to wait like a whole minute because it's just going through the list of people who like, join the meeting and I'm like dude, so I'm glad that's turned off.

12:31

Just do it on your phone.

12:32

It took me two weeks to figure that out.

ND - John WA (Colton Brown) 12:35

But it's taken me months. I asked for help, so. Alright, everyone from the great Pacific Northwest let's go to the meeting room one channel.

Johnny ID 13:02

It's good to see you all again.

Alexander OR (Richard Flannery) 13:08

Likewise to you, Johnny.

ND - John WA (Colton Brown) 13:10

And I miss having my big meetings.

Johnny ID 13:14

How are you doing John?

ND - John WA (Colton Brown) 13:16

Hanging in there.

Johnny ID 13:18

Are you sick?

ND - John WA (Colton Brown) 13:20

No, sick in the head.

Johnny ID 13:24

Mood. I hope you didn't give John Utah too much grief.

ND - John WA (Colton Brown) 13:30

I actually just sent him a giant wall of text. Oh, and you joined Mumble right when I mentioned your name.

Johnny ID 13:38

That I tend to, when my name is mentioned I tend to be summoned.

ND - John WA (Colton Brown) 13:43

Very interesting. Like right as I was spelling it out, the headphones are like "Johnny Idaho entered channel" and I'm like, what?

Johnny ID 13:50

I knew ya'll were talking smack.

ND - John WA (Colton Brown) 13:54

But, I wasn't like mean to him. I just stressed that it is of utmost importance that we go get something done in Boise.

Johnny ID 14:09

I'm talking with an Idaho and I'm going to be trying to network with those guys and maybe when I have a lot of that promat stuff that Lawrence is sending me, probably next, like on a Monday or whatever, I'll head, or Tuesday or whatever, I'll try to head down there and just try to work out with the guys down there.

ND - John WA (Colton Brown) 14:34

I'd suggest like prioritizing like those are just really easy to do, like banners, yeah, in Boise.

Johnny ID 14:42

He's sending me like an entire banner kit as far as I know. So that's very useful.

ND - John WA (Colton Brown) 14:47

Good. Um, I can show you how to make the banner stencils that I make. And I take the stencils that are cut out, the banner stencils, and I tape them, um, tape all the letters together, where they can fold accordion style. And makes it really easy way down to make banners. And you can use it with multiple guys putting it up against the wall and making a quick mural. And it's good for portability. So I like doing that. The Coroplast is really good because it's, it's reusable, it doesn't die on you like cardboard does. It doesn't take days to cut like cardboard does. We cut like almost all of our banner stencils, if we had enough material, he would have finished it, but we bumped them all out in like a night. And then another night, we spent, I don't know, a half hour or an hour and made the majority of the other ones, I think we're missing like one letter, like W and B or something. But so when you get those let me know and I'll send you to Home Depot with a list of materials that you need to get, at a price tag which is a little steep, but 'buy once, cry once', right?

Johnny ID 16:09

Yeah, I mean, it's an investment.

ND - John WA (Colton Brown) 16:12

When I went to Utah and I showed those guys how to do posters. And the first poster we put up, some cops rolled up, immediately got out of their cars and came and talked to us because we didn't even have like a poster route planned. It was just like, drive around, look for boxes. And it was an area that's like, there's no foot traffic, like this one particular area. It's like, like, there's places where people walk around a lot and it's common and there's places where like, there's sidewalks and you kind of look at the sidewalk and you're like "why is there a sidewalk here? Like I've never seen someone walking here". One of those places in a white bougie middle class neighborhood.

Johnny ID 16:50

So, is it one of those like, sides, like that, one of those strips of sidewalk to where you would actually have to go out of your way to like get in the street or whatever to go and walk on the sidewalk like something that really doesn't need to exist?

ND - John WA (Colton Brown) 17:02

Yeah, Yeah. Yeah. So yeah, the cops came up and then I talked to the cop, and took the poster down and stuff. We got to keep the poster but when I helped John, I showed them how to make the glue, how to do it essentially. So I'm going to help them pick out places to like do posters. They're a little concerned that it can be like, regarded as vandalism. But the whole point is like when you go out and you do activism, you don't get caught, right, rule one. So when doing posters you want to be able to see all around you relatively easily. So you'll know if a cop is coming. Or do them in areas like dead at night when there's no cops out. I've done posters in like Hobart for example. No cops patrolling Hobart at like, at midnight. We roll by and I was like, "Ooh, let's get that box." But if you do like downtown Auburn, like at any time at night, no one's gonna question it. There's weirdos walking around in Auburn all the time. So you want to pick an area that's just like an urbanite place that's off the main artery of a freeway. And there's just tons of people that walk around places with like, lots of homeless, stuff like that. But the posters are relatively easy to do to, like, and they're permanent, once you get it down. So I want to see more of that out of Utah. And then I want that to be done in Boise. I would like, you guys should tell the Boise guys to go scout out places for posters. Um, so, good electrical boxes that you can easily do at night and not get in trouble, banners and maybe even like a stencil area. And I want to do the same thing with Spokane. I want to get all of Network 8 over to Spokane to do a bunch of stuff there because that town is basically an empty canvas for activism. It is, it's nice and I think we would be able to get a lot of applicants there if we just started on the Telegram channel starting to get big actions dumped in Spokane.

Johnny ID 19:20

So yeah, definitely it would help. Let's network on that. And then we can talk and talk with George and because he was there for a while and so we can kind of say like, "Hey, where are these places, are there places that we do not need to go?" etc.

ND - John WA (Colton Brown) 19:35

I also have a lot of personal friends in Spokane. I used to go to Spokane every year [inaudible] just in the summer just drive straight there and hang out for a weekend.

19:45

That's fantastic.

ND - John WA (Colton Brown) 19:47

One of my friends over there actually is interested in joining, but um, matter of getting him to like, apply, take the final red pill of like, being an activist, you know, people get redpilled and stuff, then it's like, what do you do with it? You know? He's on that step of needing to do something with it.

Johnny ID 20:07

I think the best way to redpill him on activism is just to be like "Hey, me and the boys are coming down. We're gonna go do this, I want you to do this with us, just hang out." And he goes like, "okay", and then let him put up posters, let him put up stickers and everything.

ND - John WA (Colton Brown) 20:20

Yeah, like for someone who's completely new, like, just a sticker on like, in a park, it's kind of like, ehh whatever, but um, yeah... [inaudible]

Johnny ID 20:33

[Inaudible] posters, yeah you need to help, he can put up posters, posters are great [inaudible].

ND - John WA (Colton Brown) 20:41

Anyhow, um, we're missing some people. Marcus, where's Tyler? Who else are we missing. Tyler's probably stuck at work. Wow, this is annoying not having the PNW general chat to work with. Now I have to like go to three separate channels and look at the heads.

21:35

Looks like we're missing Jack as well.

Alexander OR (Richard Flannery) 21:38

And doesn't look like, what, Leo's not here, right?

Frederick OR (Lawrence Norman) 21:42

Nope. They all at work.

ND - John WA (Colton Brown) 21:52

Whatever. It's their fault for not being able to get an opinion in. So we're going to hash out some dates and hopefully they can make it. How many people are here right now? At least 10? I'm not looking at the screen someone count for me.

22:14

Eight.

ND - John WA (Colton Brown) 22:15

Eight, ah. Maybe I'll like bribe some local homeless people with a pack of Marbs to do some drilling with us or something.

22:28

That'll work.

ND - John WA (Colton Brown) 22:30

I almost [inaudible] one homeless guy in downtown Olympia while we're doing the Trayvon Martin mural. He was, like, doing throat singing he was like, "wa-oo-wow-waaah". Just walking around doing it super fucking loud.

22:44

How about we....Here's an idea: how about we do some real high intensity training. Let's just go to an Antifa rally and just try our best.

Thomas Rousseau 22:54

I'm gonna jump in and say that that's not a good idea.

22:58

I think it's a brilliant idea, Thomas.

ND - John WA (Colton Brown) 23:01

You know, how my dad taught me how to swim? He threw me in the deep end of the water pool.

Thomas Rousseau 23:06

Then he pushed you over the edge of Niagara Falls.

ND - Lawrence FL 23:09

That was, the context was we're missing some people and so John was like, "can we like, hire some homeless people with some Marlboro cigarettes to do drilling with us."

Thomas Rousseau 23:23

Is John Washington, Lawrence Florida and why do y'all venerate these [inaudible]... There's nothing wrong in principle with not having like a building to call your own to legally sleep in but I think like idolizing that scenario outside of like religious asceticism is [inaudible]...

ND - John WA (Colton Brown) 23:52

Well, you see, we were doing a stencil in downtown Portland right after the [inaudible]

Thomas Rousseau 24:03

Laid, you laid down under a shopping cart or something? Oh.

ND - John WA (Colton Brown) 24:09

That was in Tacoma. No, we were in Olympia, doing a stencil and they're [inaudible]

Thomas Rousseau 24:12

Stick a needle in your arm on the sidewalk so the cop just didn't [inaudible].

ND - John WA (Colton Brown) 24:18

No, there was a homeless guy in Olympia walking around and doing Mongolian throat singing. And he was just just making this bizarre sound that was like "ahhhh", as loud as loud as... yeah. And so I was contemplating because there's, there's this mural we want to do with George Floyd. On the, the side of the intersection, but there's a lot of people down the street. So I was contemplating bribing the guy with a cigarette to go down the street and distract all those people while we did the mural. I really wish, I really wish I did. Just so I could say I did.

Thomas Rousseau 24:59

He would have been following you around for the rest of night asking for more cigarettes.

Alexander OR (Richard Flannery) 25:08

That is what would happen, John.

Thomas Rousseau 25:11

Am I right or am I right?

Alexander OR (Richard Flannery) 25:13

You're not wrong, you're right.

Thomas Rousseau 25:15

He would be like, "oh we're best friends now" [inaudible] even have cigarettes at a meeting like that to offer a smoke is like mixing aerosol and open flames.

ND - John WA (Colton Brown) 25:31

That was the issue. We didn't have it, [inaudible] probably would have done it.

Thomas Rousseau 25:36

Well, we'll just have to live without. By the way, in case there's an issue with any of you or your guys if we have anybody who can't sustain, to not do nicotine while they're out actively doing activism with people, that is a problem-o.

ND - John WA (Colton Brown) 25:53

We don't have that issue anymore. Joe Washington isn't a member.

Thomas Rousseau 25:58

Just saying in general, with anybody it's just with the fall with some other people who said one of their guys committing quite a lot of effort to keep a lit cigarette in hand at all times during the rain at a meeting in which things more than smoking were to be done. Sorry about the noise.

ND - John WA (Colton Brown) 26:20

Alright, Thomas, please mute, I have a meeting to conduct. Alright, so I'm gonna open up the meeting with the whole purpose of why I brought everyone across the PNW here. I need weekends that you gentlemen are all free. Starting with the weekend of October 16th and 17th.

Alexander OR (Richard Flannery) 26:59

Yeah, I'm actually free that weekend.

27:03

I can get time off work.

ND - John WA (Colton Brown) 27:05

Two guys are free. Alright, who else?

27:08

I'll make this easy.

27:10

I'll also be free.

27:11

I should be free just about every weekend except for that one weekend before Thanksgiving.

ND - John WA (Colton Brown) 27:16

Okay. I got, my headsets dying, but I'm just gonna use my phone.

Frederick OR (Lawrence Norman) 27:34

This thing working?

27:37

I can hear you Frederick.

Frederick OR (Lawrence Norman) 27:39

Okay, I'm free that weekend.

ND - John WA (Colton Brown) 27:48

Testing, testing, someone say something.

27:50

Hello.

27:51

Okay.

Frederick OR (Lawrence Norman) 27:51

Howdy.

ND - John WA (Colton Brown) 27:53

Okay. So, that's quatro, quatro people are available.

Alexander OR (Richard Flannery) 28:00

Did you hear Frederick Oregon saying he's available?

ND - John WA (Colton Brown) 28:03

Okay, so that's five people. Including myself, six. Who else?

Ethan WA (Justin O'Leary) 28:09

What was the question?

ND - John WA (Colton Brown) 28:12

October 16 and 17? Well, since you don't have a long way to drive, um. Okay, we, we do the drilling, hm. So it's, okay, first, we gotta think of that. Okay, so having everyone drive? How would you want to do that, Johnny Idaho, you want to drive like Friday night after work and then crash and then do drilling Sunday and then drive home afterwards? Or would you want to leave, like early Saturday? Like how would you want to plan that if you had to drive like let's say over to Seattle?

Johnny ID 28:51

If I had to drive over to Seattle, what I would prefer is, I wouldn't say immediately after work because I work the night shift. So what I would say is probably I might just take some paid time off, um, and...

ND - John WA (Colton Brown) 29:11

That's really tough, I will, you still, you still need to be able to have December 4th off, so...

Johnny ID 29:17

No, with my work they're very lenient with like, taking off work. Because what I work in, because northern Idaho is very much resort area. I'm basically the skeleton crew at my job site. So essentially, as long as someone can take my shift my boss doesn't care. My boss even lets me leave early. He says as long as you have enough people, like on, on the clock to conduct whatever you need to do, you can take off work, I don't care, if you don't want to work, I don't want to pay you. So I'm like, fantastic, so at the very least, so don't worry about that.

ND - John WA (Colton Brown) 29:57

We also have to worry about Marcus too and he's not here.

Johnny ID 30:02

Um, I can talk with Marcus about it. I can pick his ass up and like I could bring him [inaudible] too much. But yeah, so I guess what I could do is I could take off Friday and I could crash at somebody's place, whatever. And then I can be there Saturday, Sunday, I'm off Monday, Tuesday, Wednesday, and I just can go back [inaudible] later.

ND - John WA (Colton Brown) 30:24

Sorry about that. I got I got dropped so you can take off Friday. And then what, do the drilling on Saturday?

Johnny ID 30:31

Yeah, I could take off Friday, head down there. Hang out on Saturday and Sunday. And then I can leave, and just head home at my leisure, I guess.

ND - John WA (Colton Brown) 30:42

Okay.

Johnny ID 30:44

That's the 16th and 17th.

ND - John WA (Colton Brown) 30:47

Okay. What about about Frederick and Alexander? If you guys wanted to come up here and do, let's say we're gonna do a day of four hours of drilling on a weekend? What? How would you want to do it? How would you guys want to drive? Would you want to leave like early Saturday morning? And then like, do the drilling on Sunday and then drive off afterward? Would you want to leave Friday and try to get off work a little early and like spend the night to do the drilling Saturday and then like, leave that evening or even leave in the morning on Sunday? That's typically how I do it. Like if I go hunting or fishing or something, and I need to work. I'll try to get off work around like 2 p.m. And then like head towards like Spokane, like say I'm going turkey hunting. That's how me and my dad would do it. And be gone all day Saturday, get a morning hunt in Sunday and then turn to go home in like the afternoon.

Frederick OR (Lawrence Norman) 31:42

Yeah, that'd be my plan is we'd be leaving on Sunday morning. Yeah.

ND - John WA (Colton Brown) 31:48

Okay. So, so definitely, everyone's in agreeance, then we should do drilling on a Saturday then?

31:56

Yes.

31:57

Yeah.

ND - John WA (Colton Brown) 31:57

Okay. Okay, so that one's settled. So I'm going to start circling all the Saturdays then. So it is a little early. It's not this weekend, but the weekend after October 16. If, if you guys want to do it then. But we also have that weekend, the next weekend, the next weekend of October. And we also got all of November. And we should schedule at least, at least three of these.

Alexander OR (Richard Flannery) 32:31

I'm probably only going to be able to make it to like, next week's, or next weekend's and one in November just because I don't normally have weekends off. I have to give a pretty advanced notice on weekends.

ND - John WA (Colton Brown) 32:44

Okay, but make sure that December 4 prioritizes that oh, if this caused you to miss that, don't even bother, please.

Alexander OR (Richard Flannery) 32:52

Yeah, no, I already have that off. Taking time off is pretty easy. I just got to have given them notice.

33:00

Okay, so

Alexander OR (Richard Flannery) 33:04

I'm already good for [inaudible].

ND - John WA (Colton Brown) 33:05

Okay, so two weekends from now. October 16. Frederick, you available?

Frederick OR (Lawrence Norman) 33:15

Yes.

ND - John WA (Colton Brown) 33:16

David?

David WA 33:18

Yes.

ND - John WA (Colton Brown) 33:20

Clarke? Saturday morning slash afternoon. Are you available on the 16th of October , Clarke?

33:29

Clarke might be listening at work.

ND - John WA (Colton Brown) 33:34

Okay, I'm going to just put him as a yes. Okay, Vincent?

33:41

Yes.

ND - John WA (Colton Brown) 33:43

Ethan?

Ethan WA (Justin O'Leary) 33:44

Yes.

ND - John WA (Colton Brown) 33:51

Johnny?

Johnny ID 33:55

Yeah, I'll be there.

ND - John WA (Colton Brown) 33:59

And Alexander?

Alexander OR (Richard Flannery) 34:01

For the 16th of October, yes.

ND - John WA (Colton Brown) 34:03

That's 1, 2, 3, 4, 5, 6, 7, 8, 9. Okay, Thomas? Will he be there?

34:12

He's deafened.

Clarke WA (Jacob Sundt) 34:22

Hey there, Clarke here. I was kinda surrounded by people. I'm not free that weekend or the weekend after but I'm golden there on out.

ND - John WA (Colton Brown) 34:30

Okay, so you're available on the 30th then.

Clarke WA (Jacob Sundt) 34:36

That's correct.

ND - John WA (Colton Brown) 34:37

Okay, who else is available? Wait isn't that Halloween?

34:47

Oh, right. Yeah.

Johnny ID 34:50

I doubt many of us will be going trick or treating this year.

ND - John WA (Colton Brown) 34:54

I think it'd be funny if we all went trick or treating in the, in the uniform.

Johnny ID 35:00

Oddly enough, what it, would be actually better, is if we actually did the costumes. But then we went around, and we..

35:06

Handing out flyers?

Johnny ID 35:07

Well, that or actually just putting up posters, and no one would really think anything.

ND - John WA (Colton Brown) 35:14

Yeah, honestly, like, if it wasn't the whole COVID thing, like, people'd be out and about doing that and like, doing Halloween activism would be probably pretty easy. Inserting all the silly things that are

happening. That'd be perfect. I was also considering making Jack O' Lanterns with our stencils and then like leaving them at posters and banners.

Johnny ID 35:34

Yeah. No, look, here's the thing though. That's, it's such a cheap activism thing to do, because pumpkins are like 20 cents a pop.

35:43

Right.

Johnny ID 35:43

I honestly thought about doing that. And also people would be like, oh, that's really cute. Like, think about it?

35:50

Yeah, I did. I did fashy pumpkins last year, I'm probably going to have us get together in here, local Network 8, and do that.

ND - John WA (Colton Brown) 35:57

Okay, so that weekend, and then that works two weekends after that, let's say the 30th that means people are driving home on Halloween. So I don't know, guys kind of got families and stuff and little kids that want to go trick or treat but I don't know. What do you think, Frederick? You're the family man. One of them.

Frederick OR (Lawrence Norman) 36:22

Yeah, it's gonna be a pass for me.

ND - John WA (Colton Brown) 36:24

Okay, so October 16's a no. Fuck it, let's look at, let's just look at November then. Alright, weekends in November. Starting November six. Who's available?

Frederick OR (Lawrence Norman) 36:46

I'm available.

ND - John WA (Colton Brown) 36:48

Okay, one guy. Who else?

Alexander OR (Richard Flannery) 36:50

Yeah, I mean, I'll be available. I just got out of [inaudible].

36:56

Clarke?

Clarke WA (Jacob Sundt) 36:56

I'm clear all of November.

ND - John WA (Colton Brown) 36:59

Okay, sweet.

37:02

Assume that I'm free that like that weekend, though. Anything could happen.

37:07

Okay, day number what?

ND - John WA (Colton Brown) 37:11

All right, John. What about Johnny?

Johnny ID 37:14

November what?

ND - John WA (Colton Brown) 37:16

November sixth?

Johnny ID 37:18

November six?

ND - John WA (Colton Brown) 37:21

Yes.

Johnny ID 37:22

That's not bad. I can, I can do November six.

ND - John WA (Colton Brown) 37:28

Six, what about Ethan and Vincent.

37:32

Vincent, yep.

ND - John WA (Colton Brown) 37:35

Okay. 5, 6, 7, 8. Am I missing someone?

37:49

Nope, it looks like that's a good day to do it.

ND - John WA (Colton Brown) 37:54

What about what about November, November 20th? Would the Oregon and Idaho guys be able to do November 20.

Johnny ID 38:09

I don't know if I'll be able to do that primarily because I want to be able to uh...

ND - John WA (Colton Brown) 38:24

You want to be able to turn on a shower faucet? Or whatever that was. Sorry, I was messing with some stuff in my bathroom now. So I don't think that worked for me primarily because I want to make sure I can stay and you know work because you know, I do have a wife at home. But I don't know if that'll... I'll see and I'll just ask my boss like, hey, would you mind if I took off this time? And then this time? November? Maybe the [inaudible] then? How's that work for you then? Like it's a week away from the last time [inaudible] would you be able to get a weekday ish? You know, maybe we could work around it.

Johnny ID 39:14

I can do weekdays.

ND - John WA (Colton Brown) 39:17

No I mean, like work on the weekday?

Johnny ID 39:20

Um, I don't know. Schedules are kind of not that flexible.

ND - John WA (Colton Brown) 39:26

Ask your shift manager.

39:32

Try trading with someone for a weekend.

Johnny ID 39:34

Yeah. I'll see what I can do. I'll try though.

Alexander OR (Richard Flannery) 39:43

Hey Leo [inaudible]

39:45

[Inaudible]

ND - John WA (Colton Brown) 39:47

I'm aware. I'm gonna take care of him in a sec. Alexander and Frederick. What about you guys on November 20th or November 27th? Probably the 27th?

Alexander OR (Richard Flannery) 39:57

Its a no-go for both of those days for me, they're uh... 27th is really something I can't miss. I have something going on that day. And the 20th is a day that I just can't take off because I'm covering someone that day.

ND - John WA (Colton Brown) 40:12

What, are you celebrating the first [inaudible]?

Alexander OR (Richard Flannery) 40:14

[Scoffs] No.

ND - John WA (Colton Brown) 40:19

Oy vey, Thomas, Are you available November 27, the [inaudible].

Thomas Rousseau 40:26

I am available and I would love to, but I can't bridge that distance, so, no.

ND - John WA (Colton Brown) 40:33

Darn.

Thomas Rousseau 40:35

But I'm able to text....unable. I am drilling with the guys in the night though. So I'll make sure to send all of my experiences and tips your way so we can have a more educated attempt at these things every time we do.

40:50

Is it just a financial thing? Or is it about other obligations?

Thomas Rousseau 40:56

Little bit of both.

40:58

Okay.

ND - John WA (Colton Brown) 41:03

Okay, I'll just FaceTime him on my iPad, he can be there in spirit. Okay, so that doesn't work for Alex. What about Frederick? 27th of November?

Frederick OR (Lawrence Norman) 41:15

Which, which day is Thanksgiving this year?

ND - John WA (Colton Brown) 41:19

The 20...25th.

Frederick OR (Lawrence Norman) 41:24

Yeah, I can make that [inaudible].

ND - John WA (Colton Brown) 41:28

Yeah, its on a Thursday. Okay, so I'm going to put Frederick, I assume David's available. Uh what about you, Clarke you're available, Ethan, Vincent, John, and um...

Clarke WA (Jacob Sundt) 41:55

Sorry to butt in here, I don't think I'll be able to make it to that that Saturday in November, that's the only one though.

ND - John WA (Colton Brown) 42:04

Shit.

Clarke WA (Jacob Sundt) 42:06

Yeah. I already agreed to go over to Idaho with my family that day. So.

ND - John WA (Colton Brown) 42:16

Well, go say hi to Johnny Idaho. Speak out when everyone's passed out drunk and say hey, I want to go for a walk, and you go do a banner drop with Johnny Idaho. Okay, let's go back to October 16. Leo, would you be available to come up to the Seattle area on October 16 to drill with all of us? Are you there Leo? Call dropped for me. Can you guys hear me?

Alexander OR (Richard Flannery) 43:25

I can hear you John.

ND - Lawrence FL 43:26

I can hear you.

Frederick OR (Lawrence Norman) 43:27

I can hear you loud and clear.

ND - John WA (Colton Brown) 43:29

Okay, Leo. Leo has [inaudible]. Hello Leo are you there there? Just text me on RocketChat if you can connect my...

ND - Lawrence FL 43:53

Try and get all the guys out for drilling.

ND - John WA (Colton Brown) 44:27

Lawrence what are you doing in here? You're in fucking Florida.

ND - Lawrence FL 44:31

Hanging out.

ND - John WA (Colton Brown) 44:37

Okay, so [inaudible] So October 16 is definitely a go, November, November 6 is also a go, we need a third day, maybe, maybe November 20th then, would that work for Frederick, Alexander and Johnny Idaho?

Alexander OR 45:28

No, like I said, I'm not available the 20th or the 27th.

ND - Lawrence FL 45:32

Okay.

Leo OR (Casey Knuteson) 45:35

Hello, can you hear me?

45:37

Yes.

45:38

Yes.

45:39

Yes.

Leo OR (Casey Knuteson) 45:43

Wow, my Wi-Fi is not working tonight. What was the question? October 16th?

ND - John WA (Colton Brown) 45:51

Okay. Yes. So, we are planning three different separate days of drilling in the months October and November for preparation for the December event. That being said, we need to get at least 10 guys together and drill at least, at least three times to effectively conduct the drilling document, that Thomas beautifully made, and it seems everyone for the most part is available on October 16th. So we would start at some field somewhere in Washington. I don't, I don't know where yet. Probably, probably somewhere down south near like Olympia and Centralia I imagine, so somewhere southern Washington. So it'd probably be like a two-ish hour drive for you, Leo. There's also the option of doing an overnigher but I don't think it'd be an issue for you. I'd say leave some time early in the morning. Come drill with us. I think drilling will take no more than four hours and you could still be back in time you know, for, for dinner with the family. How's that sound? On October 16th.

Leo OR (Casey Knuteson) 47:19

Yeah, I can shoot for that.

ND - John WA (Colton Brown) 47:22

That gives us [inaudible] then for October 16. Good shit, all right. Our next proposed day is November 6, that Saturday. Do you have anything going on then that is going to stop you from being able to attend?

Leo OR (Casey Knuteson) 47:42

I don't think so.

ND - John WA (Colton Brown) 47:45

Yes or no? Will you be there?

Leo OR (Casey Knuteson) 47:48

Is it gonna be all the way up in King County?

ND - John WA (Colton Brown) 47:51

Probably won't do it that north but it's going to be down, I'm going to try to find somewhere sort of close down south just to make it easier for Oregon guys.

Leo OR (Casey Knuteson) 48:04

I mean the closer it is to like, Vancouver the easier it is for me.

ND - John WA (Colton Brown) 48:10

Right, but it is very important that we all get together and do this in preparation for our event. And it's not going to be like, all day activism run thing, it's going to be literally just drive straight to a field. We're going to do drilling and then, and then people are, we can totally split, I'll probably plan activism afterwards, just because I want to do activism. So...

48:45

Any [inaudible] November 6th?

Leo OR (Casey Knuteson) 48:49

I mean, I'll try. I just, I want to be totally transparent with you guys that I'm not totally sure if I'll be able to make it to the December event or not just for, like, monetary reasons.

Thomas Rousseau 49:04

[Inaudible] you said for monetary reasons?

Leo OR (Casey Knuteson) 49:08

I'm kind of in a spot right now [inaudible]

Thomas Rousseau 49:10

Ok, cool. We can make sure that every single cent is paid for. Can you go now?

Leo OR (Casey Knuteson) 49:17

Yeah, totally.

Thomas Rousseau 49:18

Okay, cool. John will mark you down. You can go and we'll cover anything. You cover once you can, anything you can't, you tell John and he'll make sure you're handled. Sound good.

Leo OR (Casey Knuteson) 49:28

Absolutely.

Thomas Rousseau 49:30

There you go. Bingo bango bongo. Back to you, John.

ND - John WA (Colton Brown) 49:33

Okay. That's another thing. Thank you for reminding me, Thomas, that we're going to go over. Okay, so 16th. Everyone mark your calendars, the week after we are doing drilling somewhere in Lewis County. And then November 6, Saturday, I would also like to do it but we are, we are two guys short. Um, I can probably just try to scrounge up a couple unaffiliates, I imagine.. who else are we missing? Tyler and...um...and Jack. So, maybe.... I know Jack will be able to do it, so I'll put him down, as long as Tyler is not on call for work. Goddamnit Tyler, where you at? Okay, um, what about November 27? Leo Oregon. Does that work for you?

Leo OR (Casey Knuteson) 51:06

The 27th is actually my [inaudible] birthday.

ND - John WA (Colton Brown) 51:10

Son of the gun. Alright, does November 20 work for you Frederick? I'd really rather do the 27th.

Clarke WA (Jacob Sundt) 51:31

I can make the 16th of October, I was just double checking, as long as we get out before, you know, mid afternoon, I can totally do that.

ND - John WA (Colton Brown) 51:40

Okay. I'll try to have it be organized between the hours of like 10 and 2, and it'll be close to your home. So you know, you should be fine, wherever your home is. Okay, so no Frederick. Okay. Well, actually, no, Frederick is available the 27th, so is David, Clarke, Vincent, Ethan, John. Correct me if I'm wrong, Vincent, you guys available? And David? 27th?

Ethan WA (Justin O'Leary) 52:32

Yeah.

ND - John WA (Colton Brown) 52:33

Of November.

52:34

Yep, I'm available.

52:36

Yes, sir.

ND - John WA (Colton Brown) 52:45

Thomas, what happens if I can't get everyone rallied at least three times before the event?

Thomas Rousseau 52:52

Then do it once or twice?

ND - John WA (Colton Brown) 52:56

Okay. I guess that's better than none, right?

Thomas Rousseau 53:01

Yeah, if you can, if you can get 10 guys together on one day, just, you know, and you can really put in like a bunch of hours into it, it's as good as you can get. So don't worry about that. But um, you know, as much as you can.

ND - John WA (Colton Brown) 53:16

Okay, I think, I think we're just gonna do the do then. October 16, and November 6, because that's, I can actually get enough guys for it. So all of you mark calendars, October 16. And November 6, I just got done marking my planner. You guys don't have a planner, you should get one, very white. And it seems like we have a bunch of maybes on November 6. So we might end up having like 11,12 guys, which would be cool. And then I also need to plan some activism afterwards, for both of that. Okay, cool. All right. Now we can move forward to the next portion of our meeting. I need a list of names of everyone that is available for December 4, and is going, so all of you will be available unless it is your own wedding or funeral, you should be there. So I'm going to go for a head count. Frederick Oregon, for the December 4 event. Will you be available for the whole 72 hours on Friday, Saturday and Sunday the 3, 4, 5 of December, will you be available?

Frederick OR (Lawrence Norman) 54:45

As long as I can fly or drive there then yes.

ND - John WA (Colton Brown) 54:48

Okay. Freddy's available. David?

David WA 54:55

Yes.

ND - John WA (Colton Brown) 54:57

Beautiful. Clarke. Clarke? Oh, he's at work. Vincent?

55:11

Yes.

ND - John WA (Colton Brown) 55:16

[Inaudible] Alexander?

Alexander OR (Richard Flannery) 55:18

Yep.

ND - John WA (Colton Brown) 55:25

Leo Oregon?

Leo OR (Casey Knuteson) 55:29

Yes sir.

ND - John WA (Colton Brown) 55:31

Cool. Ethan Washington?

Ethan WA (Justin O'Leary) 55:35

Yes.

ND - John WA (Colton Brown) 55:37

Awesome. And John Washington? I believe he will be there. Um. And list of the no's, I know Tyler probably won't because he is on call. For work. Which is super gay. This will be the third event he has missed. I told him to put me in contact with his boss. Ha ha ha ha, ha ha ha. I'm like, dude, you can't just be missing events. Okay what about, where's Johnny Idaho? Where'd he go? Shit. Sit tight folks. I'm goin to call Johnny real quick. Be right back.

ND - Lawrence FL 57:09

Here's a better question: who is not going or is a maybe?

57:17

Just cut the...

Alexander OR (Richard Flannery) 57:18

I don't believe any of us that are here are even a maybe.

ND - Lawrence FL 57:24

Perfect, then we're done. I start off with like who's not going because they're, always, I always assume that everyone is going.

Alexander OR (Richard Flannery) 57:33

Well it's kind of a, it's faster to do it that way.

ND - Lawrence FL 57:39

Yeah 30 minutes or less is how I like to do it. But in that regard if, if no one here is a no or maybe, is this correct?

Ethan WA (Justin O'Leary) 58:07

I think so, and drilling basically just means what, like marching with the flags and learning about how to do marches and stuff?

58:16

Yeah, it's pretty simple...

Thomas Rousseau 58:17

There's a number of specific, uh, drills that need to be done that revolve around general basic movements and also things like carries and, you know, contingencies for a number of things. It's widely applicable. [Vacuuming in background]

58:30

Ok.

58:32

I'm really hoping with all this drilling that we're doing the next every single time I've gone to wander events have always had some guy who doesn't know how to hold his flag straight. I don't know why, always in front of me. So.

Thomas Rousseau 58:43

We're drilling all the basic movements so that we actually don't require anything like flag poles or shields or you know any dress code items or anything for this. The idea is to get all the basic movements down so if we do actually show up, um, you know, at camp to do drilling and something like that, then we only have to do those things and everything else is already handled. Cause most of the time is spent on movements anyways, so just imagine if that was done, know what I mean?

59:08

Yep.

Johnny ID 59:13

Exactly.

Alexander OR (Richard Flannery) 59:14

Are we also gonna go over like, like, I know we had some trouble at, uh, SLC with some guys not properly calling, like, obstacles. Is that gonna be something that's going to be mentioned?

Thomas Rousseau 59:26

Not something that's going to be specifically drilled in the meetings that you're going to be talking about but I don't think that'll be necessary. So don't worry about that. No, nobody will be need to be need to be calling that.

ND - Lawrence FL 59:37

Alright, cool.

1:00:02

Funny how that turned out.

Thomas Rousseau 1:00:06

Is anything else that needs to be discussed or anything else we need help with?

ND - Lawrence FL 1:00:11

I mean we've already got a, for, everyone in the room right now is 100 percent, yes.

Thomas Rousseau 1:00:19

For the, for the event itself? The December day? Very good.

1:00:22

December 4th.

ND - Lawrence FL 1:00:23

Does any anyone have any words for anyone to hear? Anyone a "no" for December 4 or "maybe"?
Speak now.

Thomas Rousseau 1:00:31

Any of you who might be in the slightest bit concerned should spend time fortifying your schedule, so make doubly sure that your boss knows, you know X, Y and Z. Make sure that, you know, your family knows that "hey, I can't be available for this, I can't help memaw move. I can't go walk the goldfish," all that.

ND - Lawrence FL 1:00:50

Speaking of which, when after, sorry to delay a little longer Thomas, but there's one guy I want to talk about. Who is trying to push, he's been a, you and I both know he's been a little bit of funny one for a little while.

Thomas Rousseau 1:01:02

[Inaudible]

ND - Lawrence FL 1:01:03

Yeah, sure.

ND - John WA (Colton Brown) 1:01:04

Alright, sorry about that. Yeah. Johnny Idaho's wife's friend's husband [inaudible] wasn't available to talk on Mumble currently, but he is going to the, the events, and he needs to find out still if Marcus and

Walter are going because I made him responsible over them. So, I got a couple "maybes", because we don't know yet so 1, 2, 3, 4, 5, 6, 7, 8 members that are coming to the event.

Leo OR (Casey Knuteson) 1:01:58

What happened?

Alexander OR (Richard Flannery) 1:02:08

It got moved since.

Leo OR (Casey Knuteson) 1:02:16

So, are we on free time right now?

Alexander OR (Richard Flannery) 1:02:20

I guess. I don't know. He was mid-sentence and Thomas moved him into a different meeting room.

1:02:28

That's power right there.

Leo OR (Casey Knuteson) 1:02:35

So, I don't know if you guys are interested or not. But the reason I was half an hour late to the meeting was because one of my neighbors showed up my fucking door with some little girl they found in the road.

Alexander OR (Richard Flannery) 1:02:46

Was she okay?

Leo OR (Casey Knuteson) 1:02:49

She's okay. I mean, she's autistic. I mean nothing was before they found her in the road. But turns out that she belongs to my fucking meth head, heroin addict cousin who also lives on this property and just weren't watching their child.

Johnny ID 1:03:09

Pretty sickening.

1:03:09

Bro, what?

Leo OR (Casey Knuteson) 1:03:14

Bro, what, exactly. So, I went up there and I fuckin was like, hey, does this fucking child belong to you, you just let this child wander out on the road and then almost hit by multiple cars. And you shouldn't be surprised if CPS shows up here in the next couple days because the neighbors are furious. I told you when you were here that we got fucking a couple of freeloading fucking drug addicts that won't get off the property.

1:03:41

Good lord.

1:03:43

And then because of the eviction moratorium, it's almost impossible to kick somebody, kick somebody out.

Alexander OR (Richard Flannery) 1:03:47

Yeah, it's, it's a pain right now.

1:03:51

Just blows my mind though. Somebody like that could have custody of a child, especially an autistic child that needs constant supervision.

ND - John WA (Colton Brown) 1:03:58

There's a lot of squatting going on right now. I've heard people that are landlords. Also. I'm totally against landlords.

1:04:13

Um, I mean. No comment, I guess.

ND - John WA (Colton Brown) 1:04:15

I remember I said that, in #general that, and people like at first they're agreeing with all the things I was saying. And then I hit em with the "Yeah, I also believe people shouldn't own land" and like 12 people started typing, including Thomas, and they're like, "What? The based John Washington wants to seize the means of production?" I was like, no, no, no, I meant this from like an anprim stance, like, you know, I would have loved the Wild West when you can just find some random area and stake to make a house. Like I was at Arches National Park with John Utah. And there is a guy who went, he went west looking for a drier climate and he settled on that national park before it was a national park. Obviously because he had a hurt leg and it helped his leg injury with heat. So he made a cabin with his son and his wife and he literally just like, lived there in the desert like a Chad with his own little private ranch and he lived to be like 85 back in like 1806 or 1856. Crazy. His house is still standing.

Alexander OR 1:05:32

See, that's American ingenuity right there. American engineering. We need that these days. Also unpopular opinion I think cars should be abolished.

ND - John WA (Colton Brown) 1:05:43

I dont know. Horses are...

Alexander OR (Richard Flannery) 1:05:44

Horses are based, horses are based. You can't change my mind.

ND - John WA (Colton Brown) 1:05:50

Alright, so the, alright, still gotta count for Jack Washington as well. So, that's eight plus 9, 10, 11, 12, well maybe even 12 people. What's our current headcount for everyone on the Pacific Northwest? Think we have like 20 guys?

1:06:24

Check Telegram. We could have 18.

ND - John WA (Colton Brown) 1:06:34

To like, bring 20 people from the Pacific Northwest and that'd be really big. Okay, um, that kind of wraps that up then. Does anyone have any questions regarding the drilling?

1:06:55

I have two questions. One of them is regarding drilling, one of them isn't. The first question this came up in general chat yesterday. Do we have Don Washington accounted for if Don is showing up to this?

Alexander OR (Richard Flannery) 1:07:07

I messaged to him and he has not responded he has not been online on RocketChat in a few days.

ND - John WA (Colton Brown) 1:07:13

He also is over, he's been away for several days as well on Telegram, says he's been last seen within a month, so I'm probably going to just clear my messages right now and tell Thomas to to remove them or inactivate him.

Alexander OR (Richard Flannery) 1:07:26

Yeah. Or, and I would, I would suggest that, I mean, I know he had that surgery that happened and he was recovering but there's no reason he can't at least look online, you know.

ND - John WA (Colton Brown) 1:07:39

Yeah, I mean he said he had a surgery, you know, and he was going to be healed up in a couple weeks and then um, oh Thomas said by the way, Clarke for that job you're interested in, Thomas said that it, it's fine. Thomas said it's okay, you can go apply for those jobs that you're interested in.

Clarke WA (Jacob Sundt) 1:08:09

Okay, thank you.

1:08:14

And my second question which is more not extremely, not extremely critical but I was going to offer that if, if there were anything in the drilling that required like boxing gloves or anything like that I have plenty extras so if there was a need that people didn't have gloves and wanted extras brought I could do that.

ND - John WA (Colton Brown) 1:08:34

I was thinking of some sort of makeshift shields, Thomas says it's not necessarily necessary. But it's not like a pillow or trash can lid. Maybe, if we have cheap plywood hanging around. We could get

plywood and just like get some backpack strap like drill a little handle onto it. Spray paint them blue even. Let's think, how much is it? How much is a sheet of plywood, anyone know?

Alexander OR (Richard Flannery) 1:09:18

It's actually gone down. So I don't know the price now.

ND - John WA (Colton Brown) 1:09:23

Okay, a sheet of plywood, this would also make the video look better. Would any of you guys be able to go pick up plywood at some point and like use a skill saw and just cut some squares?

1:10:18

Without having to come up with a really good backstory [loud background noise].

1:10:29

What's the size that we want for the for the shields?

1:10:35

That's, it's a good question.

1:10:38

So, I think like Home Depot has these big sheets that they'll cut for you. So if you were to get like, I think they're 6-by-12. And you can get them cut in a four 3-by-6s, but those would be pretty big shields for something like that. Or three by four.

1:10:51

I don't know, I don't know exactly what it is. But those are those would be pretty big shields, I imagine. But they'd be willing to cut them for you. If you were to take the the standard size plywood that they have.

ND - John WA (Colton Brown) 1:11:04

Yeah, I was thinking you're just a, be like three foot by three foot shields. Here comes Thomas, hi Thomas.

Thomas Rousseau 1:11:12

Go ahead.

ND - John WA (Colton Brown) 1:11:13

What conditioner do you use?

Thomas Rousseau 1:11:16

Um. I don't know.

ND - John WA (Colton Brown) 1:11:20

Alright, I just messing with you. So um, how big are the shields?

Thomas Rousseau 1:11:24

Um, on an average height person? I don't have the exact measurements off the top of my head.

ND - John WA (Colton Brown) 1:11:30

The little round ones?

Thomas Rousseau 1:11:31

Oh those round ones. I don't know exactly. Why?

ND - John WA (Colton Brown) 1:11:37

Because I was thinking of making some cheap plywood ones just for practicing.

Thomas Rousseau 1:11:42

No, yeah, for any of the drilling you don't, you don't actually need the shields.

ND - John WA (Colton Brown) 1:11:46

It'd look good on video.

Thomas Rousseau 1:11:49

No, walking around with pieces of plywood. The drilling can be video, but it really doesn't have to be.

ND - John WA (Colton Brown) 1:11:56

I was going to spray paint them and stencil them.

Thomas Rousseau 1:11:59

Still, the most strenuous thing is going to be getting guys to march in step. And also getting guys to be able to do the movements right, you know, consistently and not all the movements are shield team based, two of them are of course. So the idea is that even guys who aren't doing shielding stuff, come event time, are still going to be familiar with the difference happening around them. So they'll be more comfortable seeing it. And also the shield guys will get to have practice drilling those things, even though not all the guys around them will be on a shield team eventually. So the equipment is, you know, circumstantial. And, you know, as far as the actual drills go, the two things that are in relation to shields aren't actually going to be used in conjunction with the round shields, but the other more rectangular shields. So even then it's not really, you know, necessary.

1:12:59

Okay.

Thomas Rousseau 1:13:02

But, uh, yeah, I mean, it'll look better, you know, if you want to video anything for guys to be moving smoothly, really doing really well, and being fast and strong on the carries. And you know, you know, doing the the line breaking techniques, you know, very, very effectively and cohesively, and being able to walk and step really well, and I'll be trying to send out some extra tips about that as soon as I can.

Oh, realistically, I mean, I mean, you know, you can forget about all that. I mean, you can you don't have to, but you can forget about getting content out of all these drilling things now, because that's just practice so that we look better come game day, know what i mean? That's when we want to look good. Know what I mean?

ND - John WA (Colton Brown) 1:13:49
10-4.

Thomas Rousseau 1:13:49
Cool beans. Any other questions, comments, concerns, suggestions, ideas?

ND - John WA (Colton Brown) 1:13:54
Eh, no.

Thomas Rousseau 1:13:59
Anybody else got anything for me? Oh, okay, thank you. Yeah, you know, don't you know, don't worry about it too much. It's just all about getting it done. And I think, I think it's going to be good, just require practice, practice, practice. Because, you know, there's going to be little idiosyncrasies, as in, you know, differences, no matter what, with all the different guys. But the idea is that we're kind of drilling in piecemeal with groups of 10. So that when it comes time for it, it's essentially like just Lego bricks, where all that we actually have to do the day of is give the equipment, train people on the equipment in particular. And some of the changes with that, which are pretty minor. Flags are still the same, banners and still the same, you know, the round shields, those are still the same. And then, and then just put all the pieces together and get everybody to do it in synchronous. But if everybody's already been really familiar with group drilling and in groups of 10, it's gonna work really well. So you know, it just got to be all hands on deck for that. Cool beans, anybody else got anything else for me? Anything I can help with ? Alrighty. I'll see y'all stay safe. Thank you.

ND - John WA (Colton Brown) 1:15:14
Okay, um, does anyone else have any questions regarding drilling, or, um, the event? Going once, going twice. okay. All right um, hmmm. Vincent Washington, what are we doing for activism this weekend ?

1:15:55
That's a good question.

Leo OR (Casey Knuteson) 1:15:56
Anyone coming to northern Portland this weekend? I have a full size banner that needs to be deployed that takes more than one guy to do it.

Alexander OR (Richard Flannery) 1:16:03
I will not have weekends available ever, unless I request them off.

ND - John WA (Colton Brown) 1:16:09

That wasn't really directed towards you. [inaudible] you're so far, far away. Oh, it was it was definitely towards Alexander.

Alexander OR (Richard Flannery) 1:16:18

He said Alex at first.

Leo OR (Casey Knuteson) 1:16:19

I did not.

ND - John WA (Colton Brown) 1:16:28

Alright, um, okay, so Leo's got a banner. So we could potentially get Jack and Clarke down there to do that review then I would reach out to them via RocketChat DMs. Aside from that, Vincent Washington, what is the activism game plan for this week, what are we doing?

1:16:56

Well, we do have a couple of banners on our end as well. But I think we've done practice stenciling recently so if we were to practice or do some stenciling that might be a valuable upgrade in skills until we get our posters and more banners made.

ND - John WA (Colton Brown) 1:17:16

Okay, so you want to do stencils? You have a location in mind?

1:17:21

I do not.

Ethan WA (Justin O'Leary) 1:17:24

What area are we talking about?

ND - John WA (Colton Brown) 1:17:30

Washington area.

1:17:32

I'm guessing up north?

ND - John WA (Colton Brown) 1:17:41

Yes, This will be stuff for Network 8. You're more than welcome to attend, but we really want to be to be focusing on Portland and Portland suburbs.

Alexander OR (Richard Flannery) 1:17:56

Yeah, we really focus mostly on Oregon before we make trips out to other states.

Leo OR (Casey Knuteson) 1:18:01

Yeah. I didn't, I didn't realize they were talking about Washington. I wasn't paying attention there for a minute.

ND - John WA (Colton Brown) 1:18:07

Yes. So okay, you want to do some stencils this week, but what does everyone else want to do? Clarke, what would you like to do?

Alexander OR (Richard Flannery) 1:18:31

You don't need me in here anymore, do you, John?

ND - John WA (Colton Brown) 1:18:35

Not necessarily unless you just want to hang out.

1:18:44

I'm gonna, I'm gonna head out too, guys, uh. Sorry for my tardiness.

1:18:49

No, you're good.

ND - John WA (Colton Brown) 1:18:51

Okay, how about you, David? What would you want us to do this weekend?

David WA 1:18:57

Whatever you want me to do?

ND - John WA (Colton Brown) 1:19:00

Okay.

Ethan WA (Justin O'Leary) 1:19:01

Fuck, that's a good answer.

ND - John WA (Colton Brown) 1:19:03

All right, Ethan.

Ethan WA (Justin O'Leary) 1:19:07

I was thinking, um, probably just bang out some banner drops real quick round Seattle.

ND - John WA (Colton Brown) 1:19:29

Okay, do you have any locations in mind? I imagine you and Tyler does.

Ethan WA (Justin O'Leary) 1:19:36

Not off the top of my head, but I could. I could certainly, you know, look at the maps and figure something out and maybe we could even get up to Snohomish, like Vincent's talking about wanting to do.

ND - John WA (Colton Brown) 1:19:47

Ooh, they're an idea. Yeah, we've been putting that off, let's uh, let's do banners in Snohomish. I like that idea.

1:19:58

I can scout for some locations tomorrow probably.

ND - John WA (Colton Brown) 1:20:14

Right, Vincent, do that and come back to me, go scout at least two locations.

1:20:23

Sounds good.

ND - John WA (Colton Brown) 1:20:27

And then, I can't wait for all this stuff I've been doing to get posted. Like I sent, I sent like at least over 1000 files in the past week to Mason Texas, and he's just like bro. Would like to see something done in like in Kent, Renton, Burian area.

1:21:11

I'll head up and do the rest in Snohomish with you...

ND - John WA (Colton Brown) 1:21:57

All right I think that kind of concludes, well, not yet. Who, to your guys's knowledge, who did not do activism last week?

1:22:09

Uh oh.

ND - John WA (Colton Brown) 1:22:23

Is everyone doing a poor job of keeping track? I know members who definitely have. There's a few that I don't know if they have or not.

Ethan WA (Justin O'Leary) 1:22:33

Everyone should be posting like a photo off their sticker run in the network chat right, so?

1:22:40

Correct.

1:22:45

I'm still, I told Leo to post photos. Leo took photos from my last sticker run so I'm still waiting on that.

Ethan WA (Justin O'Leary) 1:23:02

I saw Clarke and Jack hit up Evergreen so maybe we'll get another college news article written. That'd be funny.

1:23:16

Yeah, I was gonna hope for that.

ND - John WA (Colton Brown) 1:23:22

Yeah man that college is, I want to always wanted to do that. That college was one of the things that first got me like kind of redpilled because they were like, trying to like segregate whites and stuff and they were like one of the first colleges that really started like all this type of like [inaudible] in 2016. Alright, unless you guys have any questions, comments or concerns for me, that concludes the meeting. We'll remain and plan some activism for this weekend and then more details about amount before the week. I like to see all of you get a sticker run in this week on your own. And then we'll try to get some big actions done this weekend. Sound good?

Ethan WA (Justin O'Leary) 1:24:39

Sounds good. And then I sent you the video of that banner that I took so that's good, right? Are you gonna send that in or?

Frederick OR (Lawrence Norman) 1:24:51

Yes, I included that in the Mega folder.

Ethan WA (Justin O'Leary) 1:24:56

Okay, perfect.

1:25:17

That all sounds good I have a work meeting in 15 minutes so I'm gonna have to drop off here.

ND - John WA (Colton Brown) 1:25:24

Go pee and get a snack?

1:25:31

Sorry, what was that?

ND - John WA (Colton Brown) 1:25:33

I said, "better go pee and get a snack".

1:25:36

Yep, gonna do that. I'll talk to you guys later.

1:25:42

Bye.
